2. Setup Instructions

The mDesign Plastic Stackable Organizer comes pre-assembled and requires no complex setup. Follow these simple steps to prepare your organizer for use:

1. **Unpack:** Carefully remove the organizer from its packaging.
2. **Inspect:** Check the unit for any signs of damage during transit.
3. **Clean (Optional):** Before first use, you may wipe the organizer with a soft cloth and mild soap and water. Ensure it is completely dry before placing items inside.
4. **Placement:** Position the organizer on a flat, stable surface in your desired location (e.g., bathroom counter, cabinet, desk).
5. **Stacking (Optional):** If you have multiple units, gently place one organizer directly on top of another. The design allows for secure stacking.
