Sarte International Archery gloves

Instruction Manual

Sarte International Green Cow Leather Three Finger Archery Gloves

Model: Archery gloves | Size: Small

1. Product Overview

The Sarte International Green Cow Leather Three Finger Archery Gloves are designed for archers seeking comfort, durability, and precision. Crafted from high-quality cow leather, these gloves provide excellent protection and a smooth release for consistent shooting performance. The adjustable wrist strap ensures a secure and customized fit for both left and right-handed users.

Key Features:

- **Material:** Premium Cow Leather for durability and comfort.
- **Design:** Three-finger design optimized for archery release.
- **Adjustability:** Adjustable hook and loop (velcro) wrist strap for a secure fit.
- **Versatility:** Ambidextrous design, suitable for both left and right hands.
- **Color:** Green.

2. Setup and Sizing

Proper sizing and fit are crucial for comfort and performance. These gloves are available in five sizes. Refer to the sizing guide to select the appropriate glove for your hand.

Sizing Guide:

To determine your size, measure your palm length and three-finger width as indicated in the diagram below. Compare your measurements to the chart to find the best fit.

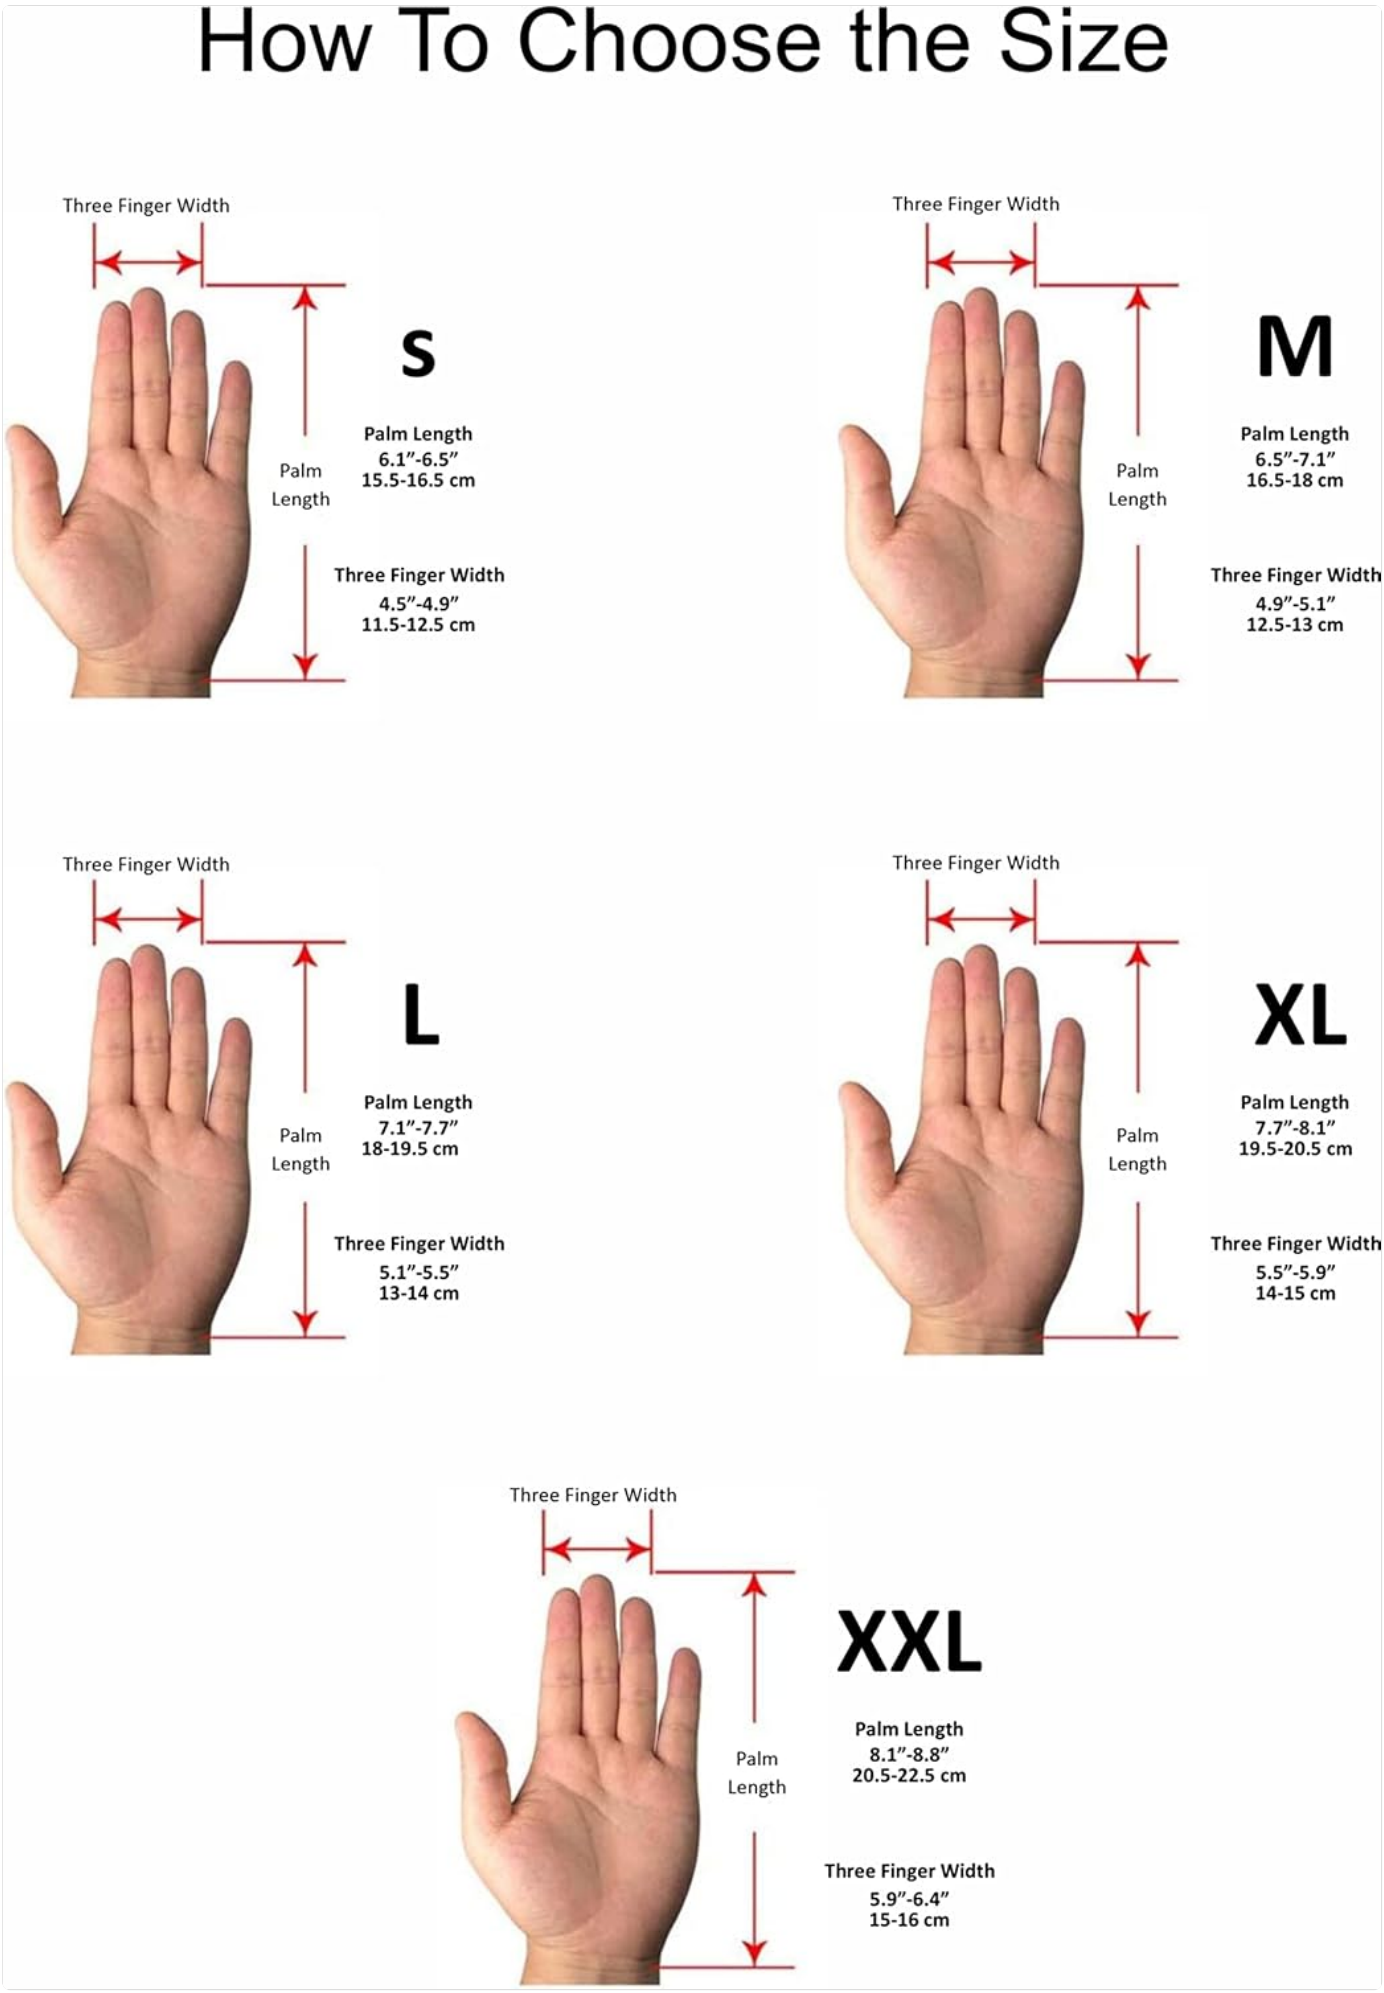

Figure 2: Detailed sizing chart illustrating how to measure palm length and three-finger width to select the correct glove size (S, M, L, XL, XXL).

Wearing the Glove:

1. Slide your hand into the glove, ensuring your index, middle, and ring fingers are comfortably seated in their respective finger stalls.
2. Wrap the adjustable hook and loop wrist strap around your wrist.
3. Secure the strap firmly but not too tight, allowing for comfortable movement and blood circulation. The strap should keep the glove snug on your hand during use.

Figure 4: The glove worn on a hand, showing the back of the hand and the wrist strap.

3. Operating Instructions

These archery gloves are designed to protect your fingers and provide a smooth release when shooting a bow. The leather material on the fingertips reduces friction and wear, allowing for a consistent and clean string release.

Usage Tips:

- Ensure the glove fits snugly but does not restrict blood flow or finger movement.
- Practice your draw and release technique with the glove to become accustomed to its feel.
- The smooth leather fingertips are intended to minimize string friction and improve shot consistency.

Figure 5: Close-up of the glove's fingertips, highlighting the durable leather construction designed for smooth string release.

4. Maintenance and Care

Proper care will extend the life of your Sarte International archery gloves.

Cleaning Instructions:

- **Hand Wash Only:** Do not machine wash or tumble dry.
- Use a damp cloth with mild soap (specifically for leather, if available) to gently wipe down the surface of the glove.
- Avoid saturating the leather with water.
- Rinse the cloth and wipe off any soap residue.
- Allow the gloves to air dry completely at room temperature, away from direct sunlight or heat sources. Do not force dry.

Storage:

Store the gloves in a cool, dry place when not in use. Avoid folding or creasing the leather excessively to maintain its shape and integrity.

5. Troubleshooting

Most issues with archery gloves relate to fit or wear. Here are some common concerns:

- **Glove feels too tight or too loose:** Refer to the sizing guide in Section 2. Ensure the adjustable wrist strap is properly secured. If the size is incorrect, consider a different size.
- **Fingertips wearing out quickly:** This can be normal with extensive use. Ensure your shooting technique minimizes excessive friction. Regular maintenance as described in Section 4 can help prolong life.
- **Discomfort during use:** Check for any creases or bunched material inside the glove. Ensure your hand is fully inserted and the glove is not twisted. Over time, the leather will conform to your hand for improved comfort.

6. Specifications

Attribute	Detail
Brand	Sarte International
Model Name	Archery gloves
Material	Cow Leather & Piping PU Leather
Color	Green
Size	Small (other sizes available)
Hand Orientation	Ambidextrous
Closure Type	Hook and Loop (Velcro)
