Cowjag 9343

Cowjag Laser Pointer Instruction Manual

Model: 9343

1. INTRODUCTION

Thank you for choosing the Cowjag Laser Pointer. This high-power red laser pointer is designed for various applications, including presentations, outdoor activities like hiking and astronomy, and as an interactive toy for pets. Its durable aluminum construction and convenient USB charging make it a versatile and reliable tool. Please read this manual carefully before use to ensure proper operation and safety.

2. PRODUCT FEATURES

- **High Power Output:** Provides a focused laser beam for long-range visibility, suitable for wilderness survival or hiking.
- **Durable Construction:** Made from high-quality aluminum alloy with a frosted shell, ensuring strength and durability.
- **USB Rechargeable:** Conveniently charges via any standard USB port, eliminating the need for external batteries or cables.
- **Multi-functional Design:** Can be used for presentations, astronomy, hiking, hunting, camping, and as a pet toy.
- **Portable:** Features a carefully designed hand strap for easy holding and carrying.

3. PACKAGE CONTENTS

- Cowjag Laser Pointer (Red Light)
- Integrated USB Charging Port
- Detachable Star Cap
- Lanyard

4. SETUP AND CHARGING

4.1 Initial Charge

Before first use, fully charge your Cowjag Laser Pointer. The device features an integrated USB charging port.

1. Unscrew the black cap at the end of the pointer to expose the USB plug.
2. Plug the USB connector directly into any standard USB port (e.g., computer, USB adapter, power bank, car charger).
3. A light indicator will show the charging status. Charge until the indicator shows a full charge.

Figure 1: USB Charging Method

4.2 Attaching the Lanyard

Attach the included lanyard to the designated loop at the end of the laser pointer for secure carrying and to prevent accidental drops.

5. OPERATING INSTRUCTIONS

5.1 Powering On/Off

Press and hold the power button located on the side of the laser pointer to activate the laser beam.

Release the button to turn it off.

5.2 Using the Star Cap (Kaleidoscope Pattern)

The laser pointer comes with a silver star cap that creates a kaleidoscope or star field pattern. To use this feature:

1. Ensure the silver star cap is screwed onto the front of the laser pointer.
2. Twist the textured surface of the silver star cap to adjust the pattern.

Starlight Mode

Rotate the installation of the star cap to experience the romantic starlight

Figure 2: Starlight Mode Operation

5.3 Single Beam Mode

For a focused, long-range single laser beam, remove the silver star cap. Unscrew the cap by holding its smooth surface and pulling it off. This mode is ideal for presentations, pointing at distant objects, or outdoor use.

Figure 3: Laser Pointer with Star Cap and Single Beam Mode

5.4 Multiple Uses

The Cowjag Laser Pointer is versatile for various activities:

- **Presentations:** Use the single beam to highlight key points on a screen.
- **Astronomy:** Point out constellations or celestial objects in the night sky.
- **Hiking/Camping:** Signal or point out features in the wilderness.
- **Pet Toy:** Engage your pets with the moving laser dot (use responsibly and avoid direct eye contact).

Figure 4: Versatile Applications of the Laser Pointer

6. MAINTENANCE

- **Cleaning:** Wipe the laser pointer with a soft, dry cloth. Do not use abrasive cleaners or immerse in water.
- **Charging:** To prolong battery life, charge the device before the power is completely depleted.
- **Storage:** Store the laser pointer in a cool, dry place away from direct sunlight and extreme temperatures.

7. TROUBLESHOOTING

- **Laser not turning on:** Ensure the device is fully charged. Press and hold the power button firmly.
- **Only star pattern visible, no single beam:** The silver star cap is likely attached. Unscrew it to reveal the single laser beam.
- **Charging difficulties:** Ensure the USB plug is fully inserted into a functional USB port. Some USB ports may be oriented differently, making the charging light less visible.

8. SPECIFICATIONS

Product Information

More suitable size, lighter weight, extra long range

Weight
2.5oz / 72g

Length
5.3" / 13.5cm

Range
6420 FT

Figure 5: Product Dimensions and Range

Attribute	Value
Product Dimensions	6 x 1.5 x 1.5 inches
Item Weight	2.82 ounces (72g)
Item Model Number	9343
Batteries	1 Lithium Polymer battery (included)
Date First Available	February 13, 2023
Manufacturer	Yiwu Zhangkun Electronic Commerce Co., Ltd.
