## SAFETY INFORMATION

For your safety and to prevent damage to the product, please adhere to the following guidelines:

- Read the user manual carefully before using the massager.
- Do not use the massager if you have any medical conditions that may be aggravated by massage or heat. Consult a physician if unsure.
- Do not use the massager in wet or damp environments.
- Keep out of reach of children.
- Unplug the device when not in use and before cleaning.
- Do not attempt to disassemble or repair the unit yourself. Contact customer support for assistance.

- The device has an auto-off feature after 30 minutes to prevent overuse. Allow the device to cool down before another session.

## PRODUCT FEATURES

---

The COMFIER Back Massager is equipped with advanced features for a comprehensive massage experience:

- **8 Massage Nodes & 3 Adjustable Intensities:** Features 4 medium and 4 small deep kneading shiatsu massage nodes for comfortable and effective fatigue relief. Choose from low, medium, or high intensity settings.
- **Upgraded Design for Neck and Back:** With dimensions of 15.7×12.6×4.3 inches, this massage pillow is designed to perfectly fit the natural curves of your neck and back.
- **Detachable Flaps:** Equipped with detachable flaps to adjust massage intensity and protect the massager from dust, making it easy to clean and store.
- **2 Heating Zones & 3 Heating Levels:** Enjoy soothing heat on both your neck and back simultaneously. The heating function offers low, medium, and high levels for personalized comfort.
- **3 Massage Modes:** Offers various massage modes to suit your preference.
- **Multipurpose Use:** Can be used on various body parts including the neck, back, abdomen, arms, thighs, and calves.

## PACKAGE CONTENTS

Please check the box for the following items:

- 1 x COMFIER Back Massager with Heat
- 1 x Remote Control (attached)
- 1 x Home Power Adapter
- 1 x User Manual (this document)

## SETUP

1. Unpack all components from the packaging.
2. Place the massager on a chair, sofa, or bed, ensuring it is stable and comfortable for use.

3. Connect the power adapter to the massager's input port.
4. Plug the power adapter into a suitable electrical outlet.
5. Ensure the remote control is easily accessible.

## OPERATING INSTRUCTIONS

---

The massager is operated via the attached remote control. Familiarize yourself with the buttons:

- **Power Button:** Press to turn the massager ON/OFF.
- **Massage Intensity Button:** Cycle through 3 intensity levels (low, medium, high) for the shiatsu massage.
- **Massage Mode Button:** Switch between 3 different massage modes.
- **Heat Button:** Activate or deactivate the heating function. Cycle through 3 heating levels (low, medium, high).
- **Vibration Button:** Control the vibration massage function.

To begin a massage session:

1. Sit or lie comfortably with the massager positioned against the desired area (neck, back, etc.).
2. Press the Power Button to turn on the massager.
3. Adjust the massage intensity using the Intensity Button to your preferred level.
4. Select a massage mode using the Mode Button.
5. If desired, activate the heat function by pressing the Heat Button and select your preferred heat level.
6. The massager will automatically shut off after 30 minutes. You can manually turn it off at any time by pressing the Power Button.

## MAINTENANCE

---

Proper care will extend the life of your massager:

- **Cleaning:** Unplug the massager before cleaning. Use a soft, slightly damp cloth to wipe down the surface. Do not use abrasive cleaners or immerse the unit in water. The detachable flap can be removed for easier cleaning and to prevent dust accumulation.
- **Storage:** Store the massager in a cool, dry place away from direct sunlight and extreme temperatures. Avoid placing heavy objects on the massager.
- **Cord Care:** Do not wrap the power cord tightly around the unit. Avoid kinking or twisting the cord.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Massager does not turn on.	Power cord not properly connected; Power outlet not working.	Ensure power cord is securely plugged into the massager and a working electrical outlet. Try a different outlet.
Massage feels too strong/weak.	Intensity setting is not optimal; User position.	Adjust the massage intensity using the remote control. Adjust your body position against the massager to control pressure. Consider using the detachable flap to soften the massage.

Problem	Possible Cause	Solution
Heat function is not working.	Heat function not activated; Device overheated.	Press the Heat Button on the remote. If the device was recently used, allow it to cool down before reactivating heat.
Massager stops unexpectedly.	Auto shut-off feature activated.	The massager has a 30-minute auto shut-off for safety. This is normal operation. You can restart it after a brief cool-down period.
