Keenz XC+ EVO 4 Passenger Stroller Wagon User Manual

Model: KEENZ-XC-PLUS-EVO

1. INTRODUCTION

Thank you for choosing the Keenz XC+ EVO 4 Passenger Stroller Wagon. This manual provides essential information for the safe assembly, operation, and maintenance of your stroller wagon. Please read all instructions carefully before use and retain this manual for future reference.

Important Safety Information

- Always ensure all children are properly secured with the 5-point harness system.
- Never leave children unattended in the stroller wagon.
- Do not exceed the maximum weight capacity of 326 lbs (55 lbs per seat).
- Ensure the stroller wagon is fully locked in its open position before placing children inside.
- Engage the foot brake when parking the stroller wagon.
- This product is certified safe, meeting 16 CFR 1227 and ASTM F833-13 safety standards.

2. INCLUDED COMPONENTS

The Keenz XC+ EVO 4 Passenger Stroller Wagon includes the following main components:

- Stroller Wagon Frame
- Reclining and Removable Seats (4)
- All-Terrain Wheels (4)
- Adjustable Canopy System with Blackout Panels
- Snack Tray with Cup Holders
- Cargo Net
- User Manual

3. SETUP AND ASSEMBLY

Follow these steps to assemble your Keenz XC+ EVO Stroller Wagon:

1. **Unfolding the Frame:** Release the folding latch and carefully unfold the wagon frame until it clicks into its fully open position. Ensure all locking mechanisms are engaged.
2. **Attaching the Wheels:** Insert each wheel into its designated axle until it locks securely. Pull on the wheels to confirm they are firmly attached.
3. **Installing Seats:** Place the reclining seats into the wagon interior. Ensure they are properly aligned and secured to the frame.
4. **Attaching the Canopy:** Secure the canopy frame to the designated attachment points on the wagon. Extend the canopy fabric over the frame.
5. **Attaching Accessories:** Install the snack tray and cargo net as desired.

4. OPERATING INSTRUCTIONS

4.1 Seating and Harness System

The Keenz XC+ EVO features removable and reclining seats with 5-point adjustable harnesses for each passenger.

- **Adjusting Seats:** The seats can be adjusted to five unique configurations. Refer to the seat adjustment levers for reclining and positioning.
- **Securing Children:** Always use the 5-point harness system. Adjust the straps to fit snugly over the child's shoulders and hips, and buckle securely.

Image 4.3: Detail of the 5-point adjustable harness system and the integrated snack tray with sippy cup spot.

4.2 Adjustable Canopy

The stroller wagon includes a UV-protective canopy system with blackout panels.

- **Deploying Canopy:** Extend the canopy frame and pull the fabric taut.
- **Blackout Panels:** Utilize the blackout panels for enhanced shade and privacy.

Image 4.4: The canopy system with blackout panels, providing UV protection and shade for occupants.

4.3 Handlebar Adjustment

The dual leather handlebars can be adjusted to 10 different positions for comfortable pushing or pulling.

- Locate the adjustment buttons or levers on the handlebar mechanism.
- Press and hold the buttons/levers while adjusting the handlebar to your desired height and angle. Release to lock in place.

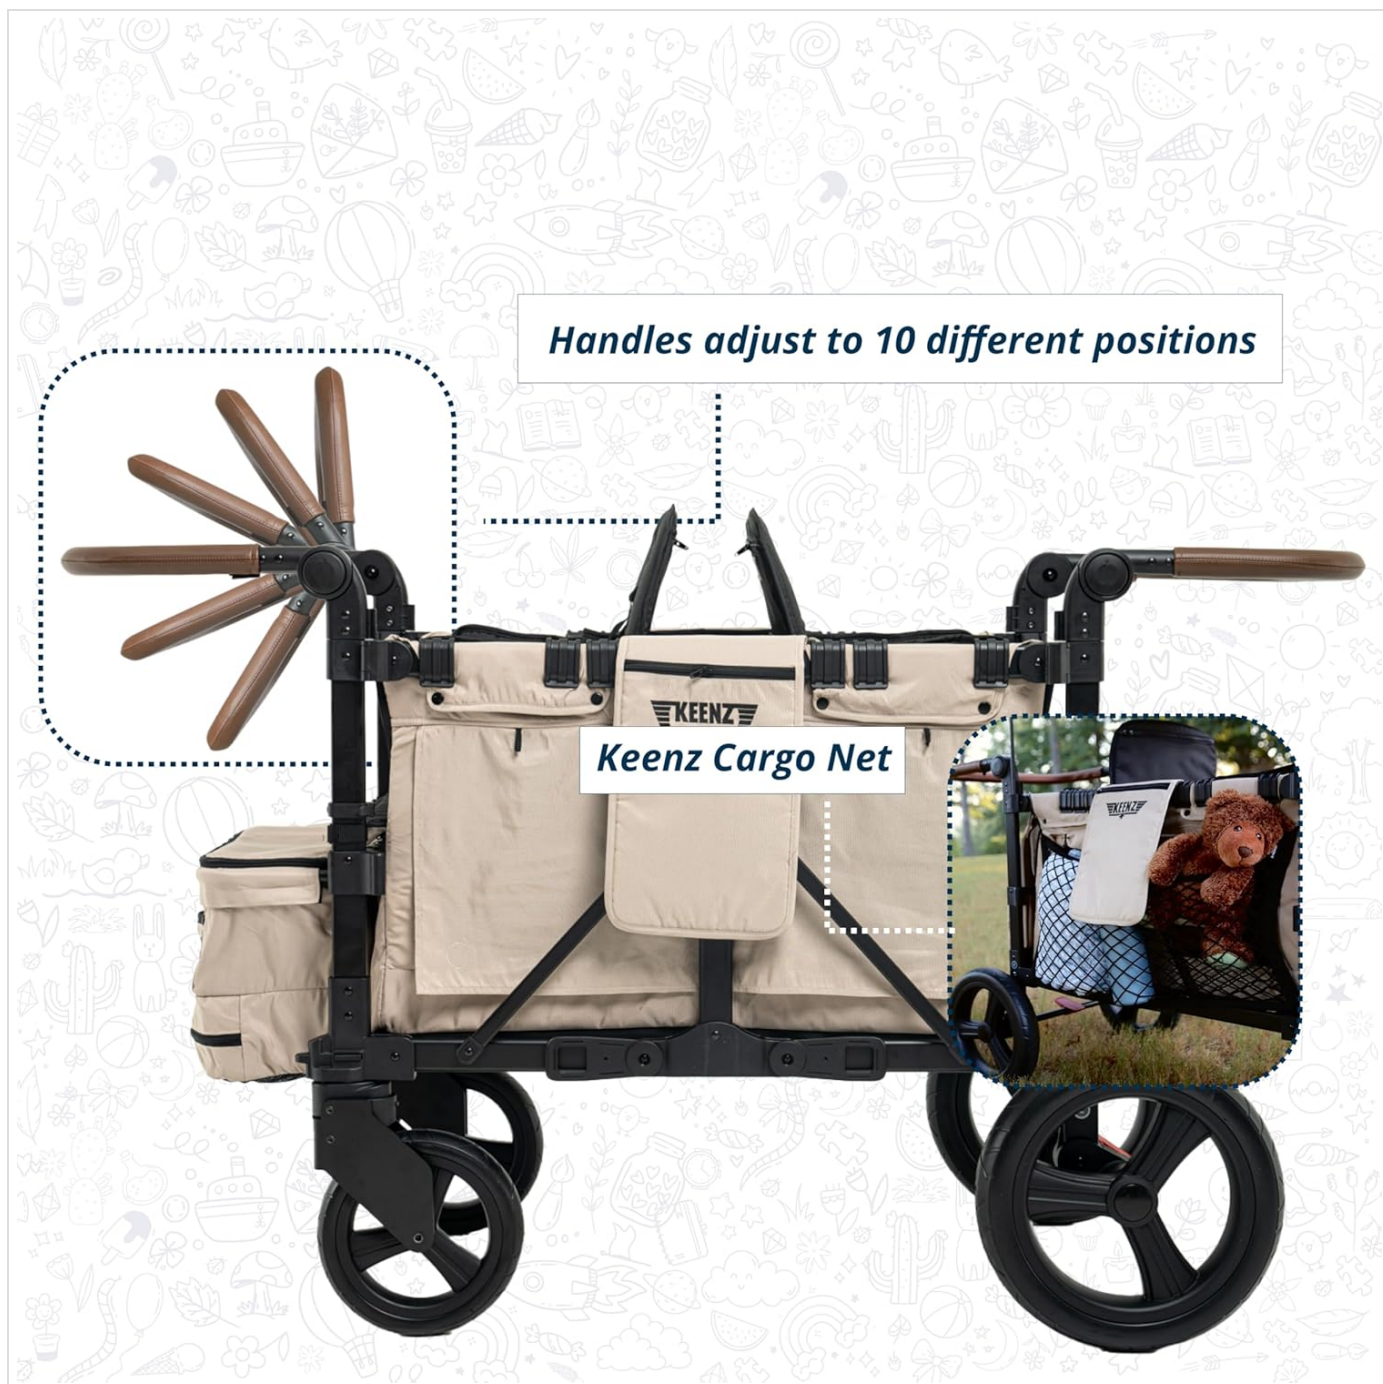

Image 4.5: Diagram illustrating the 10 adjustable positions for the stroller wagon's handlebars, enhancing ergonomic use.

4.4 Braking System

The stroller wagon is equipped with a 1-step foot brake system.

- To engage the brake, press down firmly on the red foot pedal located near the rear wheels.
- To release the brake, lift the pedal upwards.

Image 4.6: View of the durable rubber wheels and the easily accessible 1-step foot brake system.

4.5 Folding the Stroller Wagon

To fold the stroller wagon for storage or transport:

1. Remove all children and items from the wagon.
2. Collapse the canopy and remove any detachable accessories like the snack tray.
3. Follow the specific folding mechanism instructions (typically involves releasing latches and collapsing the frame).
4. Secure the folding latch to keep the wagon in its folded position.

5. MAINTENANCE AND CARE

5.1 Cleaning Instructions

- Wipe clean with a damp cloth.
- Avoid submerging any part of the stroller wagon in water.

- For fabric components, use mild soap and water, then air dry.

5.2 General Care

- Regularly check all nuts, bolts, and fasteners to ensure they are tight and secure.
- Inspect wheels for wear and tear. Clean any debris from the wheel axles.
- Store the stroller wagon in a dry place, away from direct sunlight, when not in use.

6. TROUBLESHOOTING

If you encounter issues with your Keenz XC+ EVO Stroller Wagon, consider the following:

- **Difficulty Folding/Unfolding:** Ensure all seats are in their upright position and any accessories are removed. Check for obstructions in the folding mechanism.
- **Wheels Not Rolling Smoothly:** Inspect wheels for debris (e.g., hair, dirt) and clean as necessary. Ensure wheels are properly attached.
- **Harness Malfunction:** Verify that straps are not twisted and buckles are free of debris.

For persistent issues, please refer to the support section for contact information.
