SIMPLIHOME AXCPTSOF-PAR

SIMPLIHOME Parkside Outdoor Sofa (Model AXCPTSOF-PAR) Instruction Manual

INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your SIMPLIHOME Parkside Outdoor Sofa, Model AXCPTSOF-PAR. Please read these instructions carefully before using your new sofa to ensure its longevity and your satisfaction.

The Parkside Outdoor Sofa is designed for comfortable outdoor seating, featuring a robust solid acacia wood frame, durable PE rattan wicker, and water-resistant polyester fabric cushions.

SAFETY INFORMATION

Proposition 65 Warning: This product can expose you to chemicals including formaldehyde, phthalates, lead, and chlorinated tris, which are known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, please visit www.P65Warnings.ca.gov/furniture.

Ensure the sofa is placed on a stable, level surface. Do not exceed the maximum weight limit of 485 lbs.

PRODUCT FEATURES

- **2-Person Patio Sofa:** Contemporary-style outdoor sofa with a robust solid wood base and a center leg for added strength. Measures 32.6" D x 69.7" W x 27.2" H and supports up to 485 lbs.
- **Weather-Resistant Materials:** Sofa frame is handcrafted with solid acacia wood, a hardwood known for its resistance to natural elements. The curved back and sides feature long-lasting PE rattan wicker. Cushions are upholstered in water-resistant polyester fabric.
- **Comfortable Support:** Designed for outdoor relaxation, the back of this patio sofa curves and slopes gently to form convenient armrests. High-density foam seat cushions and fiber-filled back cushions are extra-thick and reversible.
- **Matching Pieces:** This outdoor sofa, with its Light Teak finish, Brown PE rattan wicker, and Natural color cushions, can be combined with other Parkside patio chairs (sold as a set of 2) and an outdoor coffee table to create a complete outdoor set.

SETUP

This product requires **no assembly**. Simply unbox the sofa, place the cushions onto the frame, and it is ready for use.

OPERATING INSTRUCTIONS

The SIMPLIHOME Parkside Outdoor Sofa is designed for comfortable seating in outdoor environments. Ensure the sofa is placed on a stable and level surface before use. The maximum weight capacity for this sofa is 485 pounds. Avoid standing on the sofa or using it for purposes other than seating.

MAINTENANCE AND CARE

Proper care will help maintain the appearance and extend the life of your outdoor sofa.

- **Cleaning:** Wipe the frame and wicker surfaces clean with a soft, damp cloth. For cushions, spot clean with a mild soap and water solution. Allow to air dry completely.

- **Protection:** To prolong the product's life, it is highly recommended to cover the outdoor furniture when not in use, especially during inclement weather. Store cushions indoors during the off-season or prolonged periods of non-use.
- **Wood Care:** Acacia wood is naturally weather-resistant, but regular cleaning and occasional application of a wood sealant or oil can help maintain its finish and protect against UV exposure and moisture.
- **Cushion Care:** The polyester fabric cushions are water-resistant, but not waterproof. Avoid leaving them exposed to heavy rain for extended periods. Reversible cushions allow for even wear.

TROUBLESHOOTING

Most issues with outdoor furniture can be resolved with simple adjustments or proper maintenance.

- **Wobbling:** Ensure the sofa is placed on a completely flat and stable surface. Check if any legs are uneven and adjust if possible.
- **Fading/Wear:** Exposure to direct sunlight and harsh weather can cause materials to fade or show wear over time. Utilize covers when not in use and store indoors during off-season to minimize this.
- **Cushion Discoloration:** Clean cushions regularly as per maintenance instructions. For stubborn stains, professional cleaning may be required.

SPECIFICATIONS

Parkside Outdoor Sofa AXCPTSOF-PAR

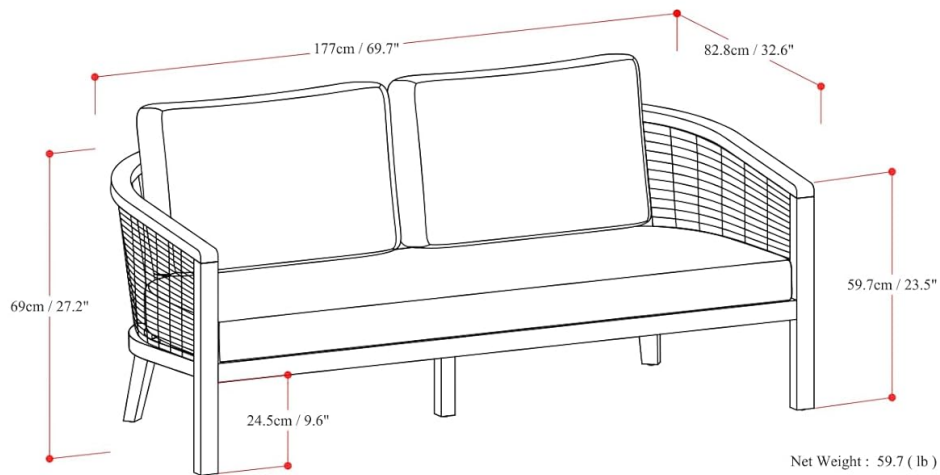

Image: Dimensional drawing of the Parkside Outdoor Sofa (Model AXCPTSOF-PAR) showing measurements in centimeters and inches.
