

## ELECOM BM-OF04GY2

# Elecom Off-toco 3-Way PC Backpack (BM-OF04GY2)

Instruction Manual

## INTRODUCTION

This manual provides detailed instructions for the Elecom Off-toco 3-Way PC Backpack, model BM-OF04GY2. This backpack is designed for versatile use, offering multiple carrying styles and organized storage for daily essentials and a laptop.

The backpack features a bi-color design with a textured, water-repellent polyester fabric. Please note that while the fabric is water-repellent, the product is not designed to prevent water from entering the interior completely.

## KEY FEATURES AND USAGE

### 1. 3-Way Carrying Style

The backpack can be carried in three ways: as a backpack, a shoulder bag, or a handbag. The shoulder straps can be stored in a dedicated pocket on the back when not in use, allowing for a clean handbag appearance.

## 2. Laptop Storage

A dedicated compartment is provided to securely store laptops up to 13.3 inches independently from other items.

### 3. Adjustable Main Compartment

The main storage area features a zippered divider, allowing you to switch between a single large compartment and two separate compartments (duplex air chamber) based on your storage needs.

1 気室 ⇄ 2 気室

物に合わせて切替可能

#### 4. Organized Pockets

- **Top Space:** Includes convenient storage pockets and a zipper pocket for small items.
- **Right Side Storage:** Features a double-handle zipper and a magnetic flap for easy access. Ideal for clothes or pouches.
- **Left Side Storage:** Designed to independently store a folding umbrella or a plastic bottle.
- **Front Pocket:** A large L-shaped zipper pocket for quick access to notebooks and other small items.
- **Rear Hidden Pocket:** A discreet zipper pocket on the back allows you to store smartphones or wallets securely without removing the bag.

## 5. Carrying Belt for Luggage

A carrying belt on the back allows the backpack to be securely fixed to the handle of a rolling luggage or carry-on bag, making it convenient for travel.

## MAINTENANCE

- **Cleaning:** For minor dirt, wipe with a damp cloth. For stubborn stains, use a mild soap solution and gently clean the affected area. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Air dry the backpack completely in a shaded, well-ventilated area. Do not use direct heat sources like hair dryers or direct sunlight, as this may damage the fabric.
- **Water Repellency:** The outer and inner fabrics are water-repellent. However, this treatment may diminish over time with use. This product is not fully waterproof; avoid prolonged exposure to heavy rain or submerging it in water.
- **Storage:** Store the backpack in a cool, dry place away from direct sunlight when not in use.

## TROUBLESHOOTING

This section addresses common concerns. If you encounter issues not covered here, please contact customer support.

- **Zipper sticking:** Apply a small amount of zipper lubricant or graphite (from a pencil) to the zipper teeth and gently work the zipper back and forth.

- **Fabric appearance variations:** Due to the nature of the wrinkled fabric, individual variations in texture and appearance may occur. This is a characteristic of the material and not a defect.
- **Shoulder strap discomfort:** Ensure the shoulder straps are adjusted evenly to distribute weight across both shoulders. Avoid overloading the backpack.

## SPECIFICATIONS

---
