2. IMPORTANT SAFETY INFORMATION

Your child's safety is paramount. Please adhere to all safety guidelines.

- **Always supervise your child** when they are in the playpen.
- Ensure the playpen is **fully assembled and all locking mechanisms are secure** before placing a child inside.
- This product is designed for children from **6 months to 6 years old**.
- Do not exceed the maximum weight recommendation of **45.5 pounds**.
- The playpen is constructed from **non-toxic, BPA-free materials** and is US. CPSIA & ASTM APPROVED.
- The entire frame is wrapped in soft cloth to prevent exposed gaps or pinching hazards.
- The external zipper gate is designed to be opened only from the outside to prevent children from crawling out unsupervised.
- Ensure the 6 non-slip suction cups on the bottom are firmly attached to a smooth surface to enhance stability.
- Do not place the playpen near open flames, heaters, or other heat sources.

- Regularly inspect the playpen for any signs of wear, damage, or loose parts. Discontinue use if any damage is found.

4. SETUP INSTRUCTIONS

The INFANS Baby Playpen features a simple, tool-free setup. Follow these steps to assemble your playpen:

1. **Unfold the Frame:** Place the folded playpen on a flat surface. Gently pull the sides outwards to begin unfolding the main frame.
2. **Engage Locking Mechanisms:** As you unfold, ensure the corner joints click into place. Press the safe locks on the frame connectors to secure the structure.
3. **Install Top Rails:** Insert the remaining support poles into the designated sleeves along the top edges of the playpen. Ensure they are fully inserted and secure.
4. **Secure Fabric Cover:** Zip up any open fabric covers along the top rails to fully enclose the frame.
5. **Attach Pull-up Rings:** Clip the four pull-up rings onto the top rail at desired locations for your child to use.
6. **Place Ocean Balls:** Empty the 50 ocean balls into the playpen.

5. OPERATING INSTRUCTIONS

The INFANS playpen offers a secure and engaging space for your child.

- **Visible Mesh Design:** The 360° visible and breathable mesh allows your child to see their surroundings and feel connected, while also allowing you to easily monitor them.
- **External Zipper Gate:** The playpen features an external zipper gate for easy access. Always ensure the zipper is closed when your child is inside to prevent unsupervised exit.
- **Pull-up Rings:** The included pull-up rings assist toddlers in learning to stand and walk, promoting motor skill development.
- **Ocean Balls:** The 50 ocean balls provide an additional element of fun and sensory play within the safe confines of the playpen.

6. MAINTENANCE

To keep your INFANS playpen clean and hygienic:

- The 210D Oxford cloth material is wear-resistant and easy to clean.
- Wipe down the fabric and mesh surfaces with **awet cloth and mild soap**.
- Allow all parts to **air dry completely** before folding or storing.
- Do not use harsh chemicals or abrasive cleaners, as these may damage the material or pose a risk to your child.

7. STORAGE

The playpen's foldable design allows for compact storage:

1. **Remove Accessories:** Take out the ocean balls and detach the pull-up rings.

2. **Unlock Frame:** Locate the safe locks on the frame connectors and press them to release the locking mechanism.
3. **Fold Inward:** Gently push the sides of the playpen inward until it collapses into a compact, folded shape.
4. **Secure for Storage:** If available, use any integrated straps or a carry bag (not included) to keep the playpen securely folded.

Store the folded playpen in a dry, cool place away from direct sunlight and extreme temperatures.

8. TROUBLESHOOTING

If you encounter any issues with your INFANS playpen, please refer to the following common solutions:

- **Playpen does not fully unfold/fold:** Ensure all locking mechanisms are properly engaged or disengaged. Apply gentle, even pressure when unfolding or folding. Check for any fabric or components obstructing the joints.
- **Playpen feels unstable:** Verify that all frame poles are fully inserted into their connectors and that all corner locks are securely fastened. Ensure the non-slip suction cups are clean and firmly pressed onto a smooth, dry floor surface.
- **Zipper is stuck:** Do not force the zipper. Gently pull the fabric away from the zipper teeth and try to operate it slowly. Ensure no fabric is caught in the zipper mechanism.
- **Missing parts:** Refer to the 'Package Contents' section. If any parts are missing upon arrival, contact customer support immediately.
