T4TREAM Farmhouse 7-Drawer Dresser and TV Stand Instruction Manual

Model: BDC7DRSC-ROWAW

Introduction

Thank you for choosing the T4TREAM Farmhouse 7-Drawer Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

Safety Information

General safety precautions apply. Always follow assembly instructions carefully. Keep the product away from heat sources and do not overload the drawers. Wipe with a damp cloth for cleaning.
Anti-Tipping Device: This dresser is equipped with an anti-tipping device to ensure stability and safety. It is crucial to install this device as instructed to prevent accidental tipping, especially in households with children. Failure to install the anti-tipping device can result in serious injury.

Assembly Instructions

Your T4TREAM dresser comes with detailed installation instructions, with all parts and accessories coded for easy identification. Precise holes ensure accurate and faster assembly. Please follow the step-by-step guide provided in the packaging.

1. **Unpack and Verify:** Carefully unpack all components and compare them against the parts list in your instruction manual to ensure all pieces are present and undamaged.
2. **Prepare Your Workspace:** Choose a clean, flat, and spacious area for assembly. Lay down a blanket or cardboard to protect the furniture pieces and your floor.
3. **Assemble the Frame:** Follow the instructions to connect the main frame components. Ensure all connections are secure before proceeding.
4. **Install Drawer Slides:** Attach the drawer slides to the dresser frame and to the drawer sides as indicated in the manual. Ensure they are aligned correctly for smooth operation.
5. **Assemble Drawers:** Construct each drawer according to the instructions, ensuring the bottom panel is securely in place and the handles are attached.

6. **Insert Drawers:** Carefully slide the assembled drawers into their respective slots on the dresser frame.
7. **Attach Anti-Tipping Device:** This is a critical safety step. Securely attach the anti-tipping device to the dresser and to a wall stud as per the detailed instructions.
8. **Final Checks:** Verify that all screws are tightened, drawers open and close smoothly, and the dresser is stable.

Note: Assembly typically requires basic household tools (e.g., screwdriver, hammer) which may or may not be included. Refer to your specific manual for required tools.

Operating Instructions

The T4TREAM Farmhouse 7-Drawer Dresser is designed for straightforward use.

- **Opening/Closing Drawers:** Use the metal handles to gently pull drawers open and push them closed. The ball-bearing slides ensure smooth movement. Avoid forcing drawers.
- **Weight Capacity:** The dresser top has a weight capacity of 150 lbs. Individual drawers have a weight capacity of 30-50 lbs. Do not exceed these limits to maintain structural integrity and safety.
- **TV Stand Use:** When using as a TV stand, ensure the television's base fits securely on the top surface and does not overhang. Always place the TV centrally to distribute weight evenly.

Care and Maintenance

Proper care will extend the life and appearance of your T4TREAM dresser.

- **Cleaning:** Wipe the surface with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.
- **Heat and Moisture:** Protect the surface from direct heat and excessive moisture. Use coasters under drinks and heat pads under hot items.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Moving the Dresser:** When moving the dresser, always empty the drawers first. Lift the unit rather than dragging it to prevent damage to the legs and frame.
