### 3.4. Power & Durability

- **USB Rechargeable:** Easily charged via the included magnetic USB cable.
- **IPX7 Waterproof:** Fully waterproof for use in aquatic environments and easy cleaning.

## 4. SETUP

### 4.1. Initial Charging

Before first use, fully charge the device. Connect the magnetic USB charging cable to the charging port on the device. The indicator light will show charging status. A full charge typically takes approximately 90 minutes and provides up to 60 minutes of use, depending on the selected modes.

## 6. MAINTENANCE

---

### 6.1. Cleaning

Always sanitize the device before and after each use. Use warm water and a mild, toy-safe soap. Rinse thoroughly and allow to air dry completely before storing.

### 6.2. Storage

Store the device in a clean, dry place away from direct sunlight and extreme temperatures. Keep it separate from other silicone products to prevent material degradation.

## 7. TROUBLESHOOTING

---

### 7.1. Device Not Powering On or Vibrating

- Ensure the device is fully charged. Connect it to the magnetic USB charger and allow sufficient time for charging.
- Verify that the power button is pressed and held for the correct duration to activate the device.

### 7.2. Remote Control or App Connectivity Issues

- Ensure the device is powered on and within range of the remote or smartphone.
- For app control, confirm Bluetooth is enabled on your smartphone and the device is correctly paired within the app.

### 7.3. Discomfort During Use

- Always use an appropriate water-based lubricant.
- Never force insertion. Start slowly and gently.
- If discomfort occurs, discontinue use immediately.
