## PETLIBRO PLAF103

# PETLIBRO Automatic Pet Feeder Instruction Manual

Model: PLAF103 | Brand: PETLIBRO

## 1. INTRODUCTION AND OVERVIEW

The PETLIBRO Automatic Pet Feeder is designed to provide convenient and reliable feeding for your cats, dogs, and small animals. With advanced 5GHz and 2.4GHz WiFi connectivity, you can manage your pet's meal schedule from anywhere using the PETLIBRO App on your iOS or Android smartphone. This feeder ensures freshness with its innovative sealing system and offers personalized features to keep your pet happy and healthy.

## 2. PRODUCT COMPONENTS

Your PETLIBRO Automatic Pet Feeder package includes the following:

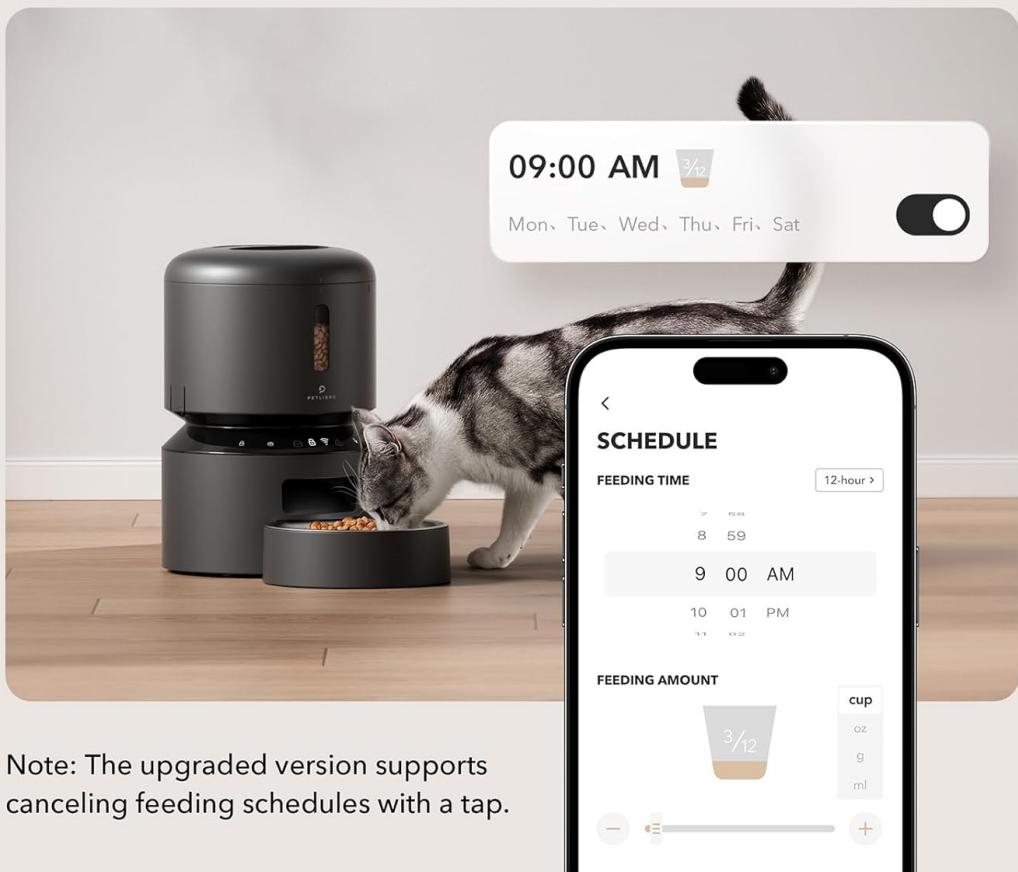

- Feeder Unit (Main Body)
- Stainless Steel Bowl
- Bowl Holder
- Power Adapter
- Quick Start Guide
- User Manual
- Desiccant Bag

# Remote Customized Feeding Times & Amount

Help pets eat regularly and maintain gut health

Note: The upgraded version supports canceling feeding schedules with a tap.

*Image: All components of the PETLIBRO Automatic Pet Feeder, including the main unit, stainless steel bowl, and power adapter.*

## 3. SETUP

- Unpack Components:** Carefully remove all items from the packaging. The main feeder unit may contain the bowl and accessories inside. Pull up along the notches to lift the food tank from the base.
- Assemble Bowl:** Place the stainless steel bowl into the bowl holder. Slide the assembled bowl and holder onto the designated slot at the front of the feeder base.
- Install Desiccant Bag:** Open the lid of the food tank. Locate the desiccant bag compartment on the underside of the lid. Insert the provided desiccant bag to maintain food freshness.
- Add Dry Pet Food:** Pour dry kibble into the food tank. Ensure the kibble diameter is between 2-15mm for optimal dispensing. Do not use wet pet food.
- Secure Lid:** Fasten the top lid by aligning the mark on the lid with the left rotating sign and twisting to lock.
- Connect Power:** Plug the power adapter into the feeder's power port and then into a wall outlet. The feeder can also operate on D-size batteries (not included) for backup during power outages.
- Download App:** Download the 'PETLIBRO' app from the App Store (iOS) or Google Play Store (Android). Scan the QR code provided in the Quick Start Guide or search for 'PETLIBRO' (not 'PETLIBRO Lite').

8. **Connect Feeder to App:** Open the app and turn on Bluetooth on your phone. Select the 'Granary Feeder' by tapping the '+' sign. Enter your Wi-Fi name and password to add the device. The feeder supports both 2.4GHz and 5GHz Wi-Fi networks.

## 4. OPERATING INSTRUCTIONS

### Scheduling Meals

The PETLIBRO App allows you to easily schedule your pet's meals:

- **Set Meal Times:** Schedule up to 10 meals per day.
- **Adjust Portions:** Customize each meal with 1-48 portions (1/12 cup per portion).
- **Monitor Feeding Records:** Check daily food intake and meal times through the app's log feature.

### Manual Feeding

You can manually dispense food at any time by using the app's 'Feed Now' function or by pressing the manual feed button on the device.

### Personalized Meal Calls

Record a voice message of up to 10 seconds that plays for each feeding. You can set the number of times the meal call plays and adjust the volume to your preference. Up to 10 customized meal calls can be created.

### Smart Notifications and Indicators

The feeder provides real-time alerts to your phone and via device indicators:

- **Low Food:** Notification and red light when the food tank is empty.
- **Food Jam:** Notification and red light if food gets jammed. The infrared sensor stops dispensing if the outlet is blocked.
- **Low Battery:** Notification and red light when battery is low.

### Power Outage Functionality

When the power adapter and batteries are used together, food will still be dispensed as planned during a power outage, ensuring your pet never misses a meal.

## 5. APP FEATURES

The PETLIBRO App is your central hub for managing the feeder:

- **Remote Control:** Program and adjust feeding schedules from anywhere.
- **Feeding Logs:** Access detailed records of dispensed meals.
- **Pause Feeding:** Temporarily disable the feeding schedule with a single tap, which will resume automatically the next day.
- **Device Sharing:** Share control of the feeder with up to 5 users, allowing multiple family members to manage feeding plans and record meal calls.

## 6. MAINTENANCE AND CLEANING

Proper maintenance ensures the longevity and hygiene of your feeder:

- **Bowl Cleaning:** The stainless steel bowl is food-grade and can be detached for easy cleaning. Hand wash only.
- **Feeder Base:** *Do not wash the feeder base.* Wipe it clean with a damp cloth.
- **Desiccant Bag:** Replace the built-in desiccant bag every half a month to maintain food freshness.
- **General Care:** Keep the feeder in a dry place. Ensure all parts are completely dry before reassembly and use.

### Detachable Design For Thorough Cleaning

Cleaning is the first step for fresh and clean food

Note: Use the feeder after it's dry. The feeder base is not washable.

*Image: The detachable design of the feeder allows for thorough cleaning of the food tank and bowl.*

## 7. TROUBLESHOOTING

If you encounter issues with your PETLIBRO Automatic Pet Feeder, consider the following:

- **Connectivity Issues:** Ensure your Wi-Fi network is stable and the feeder is within range. Verify that you are

connecting to a 5GHz or 2.4GHz network.

- **Food Not Dispensing:** Check for food jams at the outlet. The infrared sensor will stop dispensing if blocked. Ensure the food tank is not empty.
- **App Notifications:** Pay attention to smart notifications on your phone for alerts regarding low food, jams, or low battery.
- **Power Issues:** If using batteries, ensure they are D-size and properly installed. Replace them if the low battery indicator is on.

## 8. SPECIFICATIONS

<b>Model Name</b>	automatic cat food dispenser
<b>Item Model Number</b>	PLAF103
<b>Color</b>	Black
<b>Size</b>	3L-with WiFi
<b>Material</b>	Stainless Steel
