## Casaria B0BYDH87QJ

# CASARIA® Stackable Poly Rattan Garden Armchairs User Manual

Model: B0BYDH87QJ

## 1. INTRODUCTION

---

Thank you for choosing the CASARIA® Stackable Poly Rattan Garden Armchairs. This manual provides essential information for the safe assembly, operation, and maintenance of your new chairs. Please read these instructions carefully before use and retain them for future reference.

## 2. SAFETY WARNINGS

---

To ensure safe use and prevent injury or damage, please observe the following safety guidelines:

- **Maximum Load Capacity:** Do not exceed the maximum load capacity of **160 kg (352 lbs)** per chair. Overloading can lead to structural failure and injury.
- **Sharp Edges and Small Parts:** Exercise caution during assembly and handling. Some components may have sharp edges or contain small parts that could pose a choking hazard, especially to children.
- **Assembly:** Follow all assembly instructions carefully and ensure all fasteners are securely tightened before use. Improper assembly can compromise stability.
- **Placement:** Place chairs on a stable, level surface. Uneven surfaces can cause instability and tipping.
- **Children:** Keep children away from the assembly area. Do not allow children to climb or play on the chairs unsupervised.

## 3. SETUP AND ASSEMBLY

---

The CASARIA® garden armchairs are designed for quick and straightforward assembly. Please ensure all components are present before beginning.

### 3.1. Unpacking

Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.

### 3.2. Assembly Steps

1. Identify all chair components: chair frame, legs, cushions, and stainless steel screws.
2. Attach the legs to the chair frame using the provided stainless steel screws **Important:** Loosely fasten all screws first, ensuring they align correctly with the holes. Once all screws are in place, gradually tighten them completely. This helps prevent misalignment and stress on the frame.
3. Once the chair structure is assembled, place the 7 cm thick seat cushion onto the chair.

### 3.3. Adjusting Chair Feet

The chair feet are equipped with adjustable leveling screws to ensure stability on uneven surfaces.

- Place the assembled chair in its desired location.
- If the chair wobbles, gently lift the affected leg and turn the leveling screw clockwise to shorten it or counter-clockwise to lengthen it until the chair is stable.

## 4. OPERATING AND USAGE

---

These chairs are designed for comfortable seating in various environments.

- **Indoor and Outdoor Use:** The chairs are suitable for both indoor and outdoor environments, including gardens, patios, balconies, and dining areas.
- **Stackable Design:** For efficient storage and transport, the chairs can be easily stacked.

Image 4.1: Demonstrating the stackable feature of the chairs for compact storage.

## 5. MAINTENANCE AND CARE

---

Proper maintenance will extend the life and appearance of your CASARIA® chairs.

- **Cleaning the Chair Frame:** The poly rattan material is weather-resistant and easy to clean. Wipe the chair frame with a damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly.
- **Cushion Care:** The seat cushions feature water-repellent covers. In case of spills, liquids will bead up, allowing for easy wiping with a cloth.
- **Washing Cushion Covers:** The cushion covers are removable via a zipper and can be machine washed at **30 °C (86 °F)**. Do not bleach, tumble dry, iron, or dry clean. Allow covers to air dry completely before reattaching.

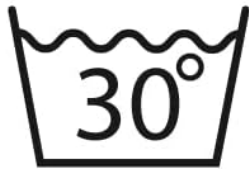

Image 5.2: Cushion thickness and washing instructions (30°C).

## 6. TROUBLESHOOTING

---

This section addresses common issues you might encounter with your chairs.

- **Chair Wobbles:**

- Ensure the chair is placed on a flat, even surface.
- Adjust the individual leveling screws on each leg until the chair is stable (refer to Section 3.3).
- Check that all assembly screws are securely tightened.

- **Screws Loosening:**

- Periodically check and re-tighten all assembly screws to maintain structural integrity.

- **Cushion Stains:**

- For minor spills, wipe immediately with a damp cloth.
- For deeper stains, remove the cushion cover and wash according to the instructions in Section

## 7. SPECIFICATIONS

Detailed technical specifications for the CASARIA® Stackable Poly Rattan Garden Armchairs:

Feature	Specification
<b>Brand</b>	CASARIA®
<b>Model</b>	B0BYDH87QJ
<b>Material (Frame)</b>	Galvanized steel with powder coating
