Booyuer FC3512

Booyuer FC3512 Friends Treehouse Building Toy Instruction Manual

Model: FC3512

Introduction

Thank you for choosing the Booyuer FC3512 Friends Treehouse Building Toy. This set provides an engaging and creative building experience, allowing you to construct a detailed treehouse with various interactive features, including slides, a swing, and LED lighting. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure a rewarding experience.

Setup and Assembly

Follow these steps to assemble your Booyuer Friends Treehouse:

1. **Unboxing:** Carefully open the packaging and remove all components. It is recommended to lay out all parts on a clean, flat surface.
2. **Component Check:** Verify that all 751 pieces, including the building blocks, animal figures, and LED light string, are present. Refer to the parts list in the included printed instruction manual for a complete inventory.
3. **Assembly:** Follow the step-by-step instructions provided in the dedicated instruction manual included in the box. Each step is illustrated to guide you through the construction process.
4. **LED Light Installation:** Once the treehouse structure is complete, carefully integrate the LED light string as indicated in the manual. Ensure the battery compartment (batteries not included) is accessible for future replacement.

Operating the Treehouse Features

The Booyuer Friends Treehouse offers several interactive elements for imaginative play:

- **LED Lighting:** Locate the battery compartment and switch for the LED lights. Insert the required batteries (not included) and use the switch to turn the lights ON or OFF, creating a warm ambiance.
- **Slides and Swing:** The treehouse features a slide and a swing. Place the animal figures or other small compatible toys on these features for interactive play.
- **Animal Figures:** The set includes various animal figures such as a monkey, rabbit, dog, and bird. These can be placed around the treehouse to enhance the forest theme and storytelling.

Maintenance

To ensure the longevity and cleanliness of your building toy:

- **Cleaning:** The building blocks are made from non-toxic, BPA-free plastic and can be easily washed. Use a damp cloth with mild soap and water to clean the blocks. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the assembled treehouse or disassembled blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **LED Light Batteries:** If the LED lights dim or stop working, replace the batteries in the designated compartment. Ensure correct polarity when inserting new batteries.

Troubleshooting

If you encounter any issues, refer to the following common solutions:

- **Missing Pieces:** If you find any pieces missing upon unboxing, please contact customer support with your product model number (FC3512) and a description of the missing parts.
- **Difficulty Assembling:** Review the included instruction manual carefully. Ensure each step is followed precisely. Sometimes, a small misplacement can affect subsequent steps.
- **LED Lights Not Working:**
  - Check if the batteries are inserted correctly with the correct polarity.
  - Ensure the batteries are fresh and not depleted.
  - Verify that the LED light string connections are secure and not damaged.
