Important Safety Instructions

WARNING: Risk of electric shock. Disconnect power at the circuit breaker before installation or servicing.

- Read all instructions carefully before installation.
- All electrical connections must be in accordance with local codes and ordinances, and the National Electric Code (NEC).
- If you are unfamiliar with electrical wiring, consult a qualified electrician.
- Ensure the mounting surface can support the weight of the fixture.
- Do not install this fixture in areas with excessive vibration or high temperatures.
- Do not attempt to modify the fixture. Any modifications may void the warranty and create a safety hazard.
- This fixture is designed for indoor use in damp locations (IP44 rated). Do not immerse in water.

Package Contents

Verify that all components are present before beginning installation:

- LED Vanity Light Fixture
- Hardwired installation kit (manual, mounting hardware, back plate)

Setup (Installation)

This fixture is designed for hardwired wall mount installation. Professional installation is recommended if you are not experienced with electrical wiring.

1. **Prepare for Installation:** Turn off power at the main circuit breaker. Ensure the power is completely off before proceeding.
2. **Mount the Back Plate:** Attach the provided back plate to the junction box on your wall using the included mounting hardware. Ensure it is securely fastened.
3. **Make Electrical Connections:** Connect the fixture's wires to your household wiring. Typically, connect the black wire (live) from the fixture to the black wire from the wall, the white wire (neutral) from the fixture to the white wire from the wall, and the ground wire (green or bare copper) from the fixture to the ground wire from the wall. Secure connections with wire nuts.
4. **Attach the Fixture:** Carefully align the fixture with the mounted back plate and secure it using the provided screws. Ensure no wires are pinched during this step.
5. **Restore Power:** Once the fixture is securely installed, turn the power back on at the circuit breaker.

Operating Instructions

The SineRise LED Modern Bathroom Vanity Light Fixture is designed for simple operation.

- **Power On/Off:** Control the light fixture using a standard wall switch connected to the electrical circuit.
- **Adjustable Light Heads:** Each of the four light heads can be rotated 360 degrees. Gently adjust the individual light heads to direct illumination as desired. This feature is useful for focusing light on specific areas, such as for makeup application.
- **Non-Dimmable:** This specific model is non-dimmable. Do not connect it to a dimmer switch, as this may damage the fixture or cause improper operation.

Maintenance

To ensure the longevity and optimal performance of your SineRise LED Vanity Light Fixture, follow these maintenance guidelines:

- **Cleaning:** Turn off the power before cleaning. Use a soft, dry, or slightly damp cloth to wipe the fixture. Avoid abrasive cleaners, solvents, or polishes, as these can damage the finish and acrylic lampshade.
- **Inspection:** Periodically check for any loose connections or signs of damage. If any issues are found, disconnect power and consult a qualified electrician.
- **LED Lifespan:** The integrated LED light source is designed for long-term use and does not require bulb replacement.

Troubleshooting

If you encounter issues with your light fixture, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Light does not turn on	No power to the fixture	Check the circuit breaker and wall switch. Ensure power is on.
Loose wiring connection	Turn off power at the breaker and check all wire connections. Re-secure if loose.	
Fixture is flickering	Incompatible dimmer switch (this model is non-dimmable)	Ensure the fixture is not connected to a dimmer switch. Replace with a standard ON/OFF switch if necessary.
Loose wiring connection	Turn off power at the breaker and check all wire connections. Re-secure if loose.	
Light output is low or uneven	Dust or debris on the lampshade	Clean the acrylic lampshade with a soft, damp cloth.

If the problem persists after trying these solutions, please contact SineRise customer support.
