FABATO FA3258-BLK

# FABATO 8-Drawer Dresser (Model FA3258-BLK) Instruction Manual

Model: FA3258-BLK

1. PRODUCT OVERVIEW

The FABATO 8-Drawer Dresser is a versatile storage unit designed for organizing clothing, accessories, and other household items. It features eight separate fabric drawers, a sturdy steel frame, and a durable wooden top surface. Its compact design makes it suitable for various rooms, including bedrooms, living rooms, closets, nurseries, and offices.

Image 1: Front view of the assembled FABATO 8-Drawer Dresser.

## 2. SAFETY INFORMATION

- Always use the provided anti-tipping accessories to secure the dresser to a wall. This prevents accidental tipping, especially in households with children or pets.
- Do not allow children to climb on the dresser or drawers.
- Do not overload drawers. Distribute weight evenly to maintain stability.
- Place the dresser on a level surface. Use the adjustable feet to stabilize the unit on uneven floors.

- Keep small parts and assembly tools away from children during assembly.

### 3. PACKAGE CONTENTS

Before assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

Image 2: Detailed view of all components and hardware included in the package. Note: The image displays parts for a 9-drawer model, but the general components are similar.

#### Components List:

- Steel Frame Components (various sizes for sides, back, and supports)
- Wooden Top Board
- Fabric Drawers (8 units)
- Drawer Knobs
- Adjustable Feet

- Anti-Tipping Hardware (wall anchors, screws)
- Assembly Screws (various sizes)
- Assembly Tools (Allen wrench, screwdriver)

## 4. ASSEMBLY INSTRUCTIONS

---

Follow these steps carefully to assemble your FABATO 8-Drawer Dresser. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

### Visual Assembly Guide:

Video 1: Assembly guide for a similar FABATO dresser. The general steps and component types are applicable to the 8-drawer model.

### Step-by-Step Assembly:

1. **Assemble the Base Frame:** Connect the bottom horizontal bars to the vertical side frames using the specified screws. Ensure all connections are secure.
2. **Attach Middle Supports:** Install the middle support bars and crossbars to create the internal structure for the drawers. Pay attention to the orientation of each piece.
3. **Install Top Frame:** Secure the top horizontal bars to the vertical side frames.
4. **Attach Back Crossbars:** Install the X-shaped back crossbars to enhance stability. Ensure they are tightened properly.
5. **Place Wooden Top:** Carefully position the wooden top board onto the assembled frame and secure it with the appropriate screws.
6. **Install Adjustable Feet:** Screw the adjustable feet into the bottom of the frame. Adjust them as needed to level the dresser on your floor.
7. **Prepare Fabric Drawers:** Unfold each fabric drawer and insert the bottom panel to create a rigid structure. Attach the drawer knobs to the front of each drawer.
8. **Insert Drawers:** Slide the assembled fabric drawers into their respective compartments in the frame.
9. **Install Anti-Tipping Device:** Secure the anti-tipping strap to the top back of the dresser and then to a wall stud using the provided hardware. This is a critical safety step.

## 5. OPERATING INSTRUCTIONS

---

### Using the Drawers:

- To open a drawer, gently pull the knob. To close, push the drawer back into its compartment until it is fully seated.
- Avoid forcing drawers open or closed.
- The fabric drawers are designed for lightweight items such as clothing, linens, and small accessories. Do not place heavy objects in the drawers as this may cause damage or instability.

### Top Surface Usage:

- The wooden top surface can hold decorative items, lamps, or small electronics.
- Do not exceed the recommended weight capacity for the top surface to prevent damage or tipping.

## 6. MAINTENANCE

---

### Cleaning:

- **Fabric Drawers:** Wipe with a damp cloth and mild soap if necessary. Allow to air dry completely. Do not machine wash or

tumble dry.

- **Wooden Top & Steel Frame:** Wipe with a soft, dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.

**General Care:**

- Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- Ensure the adjustable feet are properly set to keep the dresser stable.
- Avoid exposing the dresser to direct sunlight or extreme humidity, which can affect the materials.

**7. TROUBLESHOOTING**

**Common Issues and Solutions:**

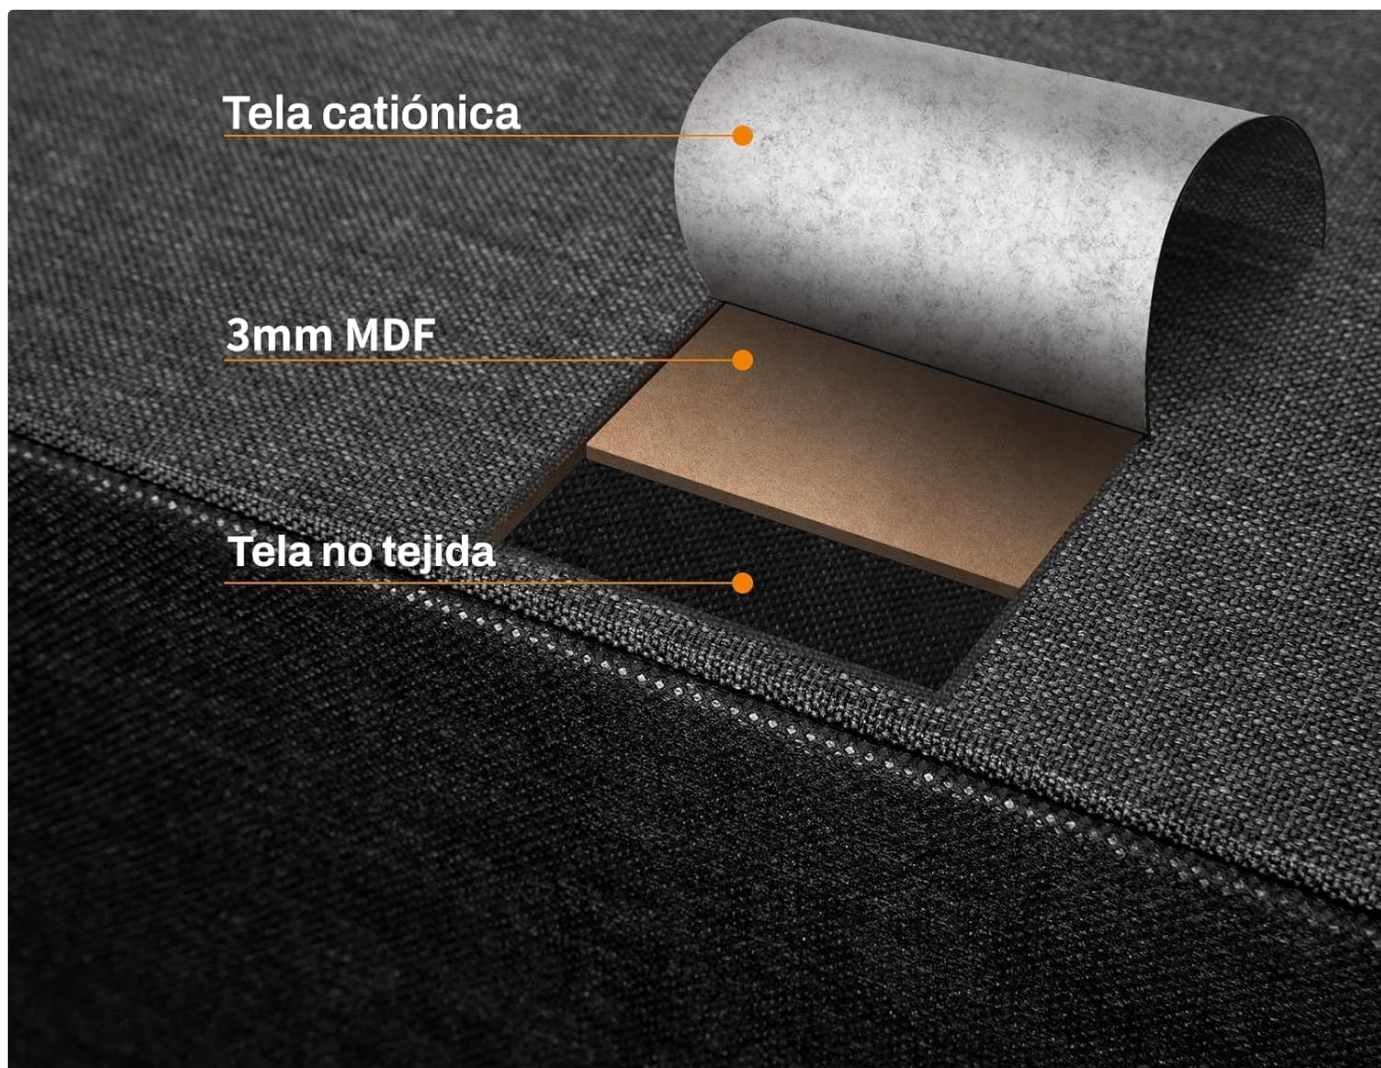

- **Dresser is wobbly:**  
Solution: Check that all screws are securely tightened. Adjust the leveling feet on the bottom of the frame to ensure all four corners are making firm contact with the floor. Ensure the anti-tipping device is properly installed.
- **Drawers do not slide smoothly:**  
Solution: Ensure the drawers are correctly assembled and the bottom panel is fully inserted. Check for any obstructions within the drawer compartments. Ensure the dresser frame is not warped or uneven.
- **Missing parts:**  
Solution: Refer to the 'Package Contents' section and contact FABATO customer support with your purchase details and the specific missing part number.
