

CAPHAUS HDFT BP

CAPHAUS 6 Feet Artificial Bird of Paradise Instruction Manual

INTRODUCTION

Welcome to your new CAPHAUS Artificial Bird of Paradise plant. This manual provides essential information for the assembly, placement, and care of your new decor item. Designed for both indoor and outdoor use, this lifelike plant offers a maintenance-free solution to enhance any space with natural beauty.

PRODUCT FEATURES

- **Lifelike Design:** Features 13 realistic trunks and leaves crafted with attention to detail, standing 72 inches (6 feet) tall from the included planter.
- **Durable & UV Resistant:** High-quality, UV-resistant plastic leaves designed to withstand outdoor weather conditions, maintaining vibrant color.
- **Maintenance-Free:** Requires no watering, pruning, or soil, offering the aesthetic of a real plant without the upkeep.
- **Flexible Decor:** Ideal for various settings including living rooms, offices, bedrooms, balconies, patios, and commercial spaces.
- **Easy Assembly:** Individual plant and dried moss components are designed for easy assembly.

SETUP AND ASSEMBLY

Your CAPHAUS Artificial Bird of Paradise plant is designed for straightforward assembly. Follow these steps to set up your plant:

1. **Unpack Components:** Carefully remove all parts from the packaging. You will find the main plant structure with trunks and individual leaf blades.
2. **Insert Leaf Blades:** Align each leaf blade with the designated holes on the trunks and gently insert them. Refer to the visual guide for proper alignment.
3. **Shape the Leaves:** The leaves are designed to be adjustable. Gently bend and arrange the branches and leaves to achieve your desired natural shape. If leaves appear bent or creased from packaging, gently use a hair dryer on a low heat setting to reshape them.
4. **Place Dried Moss:** Arrange the dried moss around the base of the plant in the planter for a realistic finish.
5. **Final Placement:** Position your assembled plant in its desired location.

STEP 1

Find the Trunks and Branches

STEP 2

Align the Leaf Blade with the Hole and Insert it

STEP 3

Bend Down Branches

STEP 4

Place in Setting and Admire

PLACEMENT AND USAGE

The CAPHAUS Artificial Bird of Paradise plant is versatile and can enhance various indoor and outdoor environments. Consider the following for optimal display:

- **Indoor Spaces:** Perfect for adding a touch of greenery to living rooms, offices, bedrooms, or hallways. Its realistic appearance complements modern and tropical decor themes.
- **Outdoor Areas:** Thanks to its UV-resistant leaves, the plant is suitable for covered outdoor spaces like balconies, patios, or terraces, where it can withstand weather conditions without fading.
- **Enhancing Decor:** Use the plant to fill empty corners, create a focal point, or complement existing furniture and decor.

MAINTENANCE

One of the primary benefits of your artificial plant is its minimal maintenance requirements:

- **Cleaning:** Simply wipe the leaves with a soft, damp cloth to remove dust and maintain their vibrant appearance.
- **No Watering:** This plant does not require water or sunlight.
- **Durability:** The plant is designed for long-lasting use and is resistant to fading and damage from typical environmental factors.

TROUBLESHOOTING

While your artificial plant is designed for durability, here are some common considerations:

- **Deformed Leaves:** If leaves appear bent or creased from packaging, gently use a hair dryer on a low heat setting to reshape them.
- **Stability:** Ensure the plant is placed on a flat, stable surface. If additional stability is needed, consider placing the included planter within a heavier decorative pot.
