Before starting, please ensure all the following components are present in your game box:

- **45 Princess Cards:** Featuring various Disney Princesses.
- **10 Power Cards:** Special action cards to influence gameplay.
- **1 Collectible 3D Princess Figure:** A small figure of a Disney Princess (e.g., Ariel).

3. SETUP

1. **Prepare the Deck:** Shuffle all 45 Princess Cards and 10 Power Cards together to form a single deck.
2. **Deal Cards:** Deal 5 cards face down to each player. Players should keep their cards secret.
3. **Form the Draw Pile:** Place the remaining cards face down in the center of the playing area to create the draw pile.

4. **Start the Discard Pile:** Turn over the top card of the draw pile and place it face up next to the draw pile to start the discard pile.
5. **Place the 3D Figure:** Place the collectible 3D Princess figure near the playing area. This figure is used with certain power cards.

4. HOW TO PLAY

The objective of the Novelty Disney Princess Card Game is to be the first player to collect three sets of three cards (three cards of the same number or three cards of the same color). The game is designed for 2-4 players.

4.1. Game Flow

1. **Starting Player:** The youngest player goes first, and play proceeds clockwise.
2. **Player's Turn:** On your turn, you must perform one of the following actions:
 - **Draw a Card:** Draw the top card from the draw pile.
 - **Take Discard Pile Card:** If the color of the top card on the discard pile matches a card in your hand, you may take that card.
3. **Play a Card:** After drawing, you must play one card from your hand onto the discard pile.
4. **Use Power Cards:** Power cards can be played at specific times as indicated on the card. These cards introduce special actions like skipping a turn, reversing play direction, or forcing another player to draw cards.
5. **Forming Sets:** As you collect cards, try to form sets of three. A set can be three cards with the same number or three cards of the same color.

4.2. Winning the Game

The first player to successfully collect and declare three sets of three cards wins the game. When you have three sets, announce your win to end the round.
