Dowinx LS-6657D

Dowinx Gaming Chair LS-6657D Instruction Manual

Model: LS-6657D | Brand: Dowinx

1. INTRODUCTION

Thank you for choosing the Dowinx Gaming Chair LS-6657D. This manual provides essential information for the safe assembly, operation, and maintenance of your new chair. Designed for comfort and ergonomic support, this chair is suitable for extended periods of gaming, office work, or leisure. Please read these instructions thoroughly before assembly and retain them for future reference.

2. PRODUCT FEATURES

- **Ultra Soft and Comfy Seat Cushion:** Features independently pocketed springs for even weight distribution and ergonomic spine support.
- **Comfy Headrest and Massage Lumbar Support:** Adjustable headrest and USB-powered massage lumbar support for fatigue relief and relaxation.
- **Versatile Design:** Backrest reclines from 90° to 135°, 360° smooth-rolling silent casters for effortless mobility, and a retractable footrest.
- **Larger Seating Area:** Offers a more spacious seating area, approximately 10cm wider than typical gaming chairs.
- **Highly Breathable PU Leather:** Upgraded PU leather with 33 times better heat dissipation performance than traditional PU.
- **Durable Construction:** Frame made of FSC-Certified wood.

3. SAFETY INFORMATION

- Maximum weight capacity: 350 pounds.
- Proper assembly is required. Follow all instructions carefully.
- Use the chair on stable and level surfaces only.
- Exercise caution when using the chair around electrical equipment, especially with the USB-powered massage function.
- Ensure arm support needs are considered for optimal comfort and safety.

4. PACKAGE CONTENTS

Before beginning assembly, please ensure all parts are present and undamaged. Refer to the included parts list in your package for a complete overview. Key components typically include:

- Backrest
- Seat Cushion with Footrest mechanism
- Armrests (2)
- Star Base
- Casters (5)
- Gas Lift Cylinder with Cover
- Mechanism Plate
- Headrest Pillow
- Lumbar Support Pillow (with USB cable)
- Assembly Hardware (screws, washers, Allen wrench)
- User Manual

UNIQUE GAMING CHAIR KEEP EXPLORING

Using “sit in the right way” as one of our company motto, we shall keep on creating our customers an impossibly comfortable living and working environment by bringing aesthetics and practicality together on our products.

5. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Dowinx Gaming Chair. It is recommended to have a clear, flat workspace.

1. Assemble the Chair Base:

Insert the five casters into the holes at the end of each leg of the star base. Then, insert the gas lift cylinder into the center hole of the star base. Place the gas lift cover over the cylinder.

This brilliant office chair will help you improve your posture as well. It is durable and will last you a long time, allowing you to work while being comfortable.

Image: Diagram illustrating the assembly of the chair's star base, casters, and gas lift cylinder.

2. Attach the Mechanism Plate to the Seat:

Align the mechanism plate with the screw holes on the underside of the seat cushion. Secure it using the provided bolts and the Allen wrench. Ensure the front of the mechanism faces the front of the seat.

3. Attach Armrests to the Seat:

Attach the armrests to the sides of the seat cushion using the designated bolts. Ensure they are securely fastened.

4. Attach the Backrest to the Seat:

Align the backrest with the metal brackets on the sides of the seat cushion. Secure it using the remaining bolts.

5. Connect the Assembled Seat to the Base:

Carefully place the assembled seat (with attached backrest and armrests) onto the gas lift cylinder on the star base. Press down firmly to ensure a secure connection.

6. Attach Headrest and Lumbar Support Pillows:

Attach the headrest pillow to the top of the backrest using its straps. Position the lumbar support pillow on the lower back of the chair, securing it with its straps. Connect the USB cable from the lumbar support to a power source (e.g., a power bank or computer USB port) for the massage function.

6. OPERATING INSTRUCTIONS

Your Dowinx Gaming Chair offers several adjustable features for personalized comfort:

- **Height Adjustment:** Use the lever located on the right side, beneath the seat, to adjust the chair's height. Lift the lever while seated to lower, or lift the lever while standing to raise.
- **Backrest Recline:** Use the recline lever on the left side of the seat. Pull the lever up to unlock the backrest, recline to your desired angle (90° to 135°), and push the lever down to lock it in place.
- **Footrest Operation:** Pull the retractable footrest out from under the seat when desired. Flip the padded section up for support. Push it back under the seat when not in use.

Image: The chair fully reclined with the footrest extended, demonstrating a relaxed position.

- **Lumbar Massage Function:** Connect the USB cable from the lumbar support pillow to a 5V power source (e.g., power bank, computer USB port). The lumbar support will provide soothing vibrations.
- **360° Swivel:** The chair is designed to swivel 360 degrees for easy movement and access to your surroundings.

7. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Dowinx Gaming Chair, follow these simple care instructions:

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the PU leather.
- **Regular Checks:** Periodically check all bolts and screws to ensure they are tight. Re-tighten if necessary to maintain stability and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack.

8. TROUBLESHOOTING

If you encounter any issues with your Dowinx Gaming Chair, please refer to the following common solutions:

- **Chair is Wobbly:** Check all assembly bolts and screws. Ensure they are tightened securely. Verify the gas lift cylinder is properly seated in the base.
- **Height Adjustment Not Working:** Ensure the height adjustment lever is fully engaged or disengaged. Check for any obstructions around the gas lift cylinder.
- **Recline Function Not Working:** Ensure the recline lever is functioning correctly and not obstructed. Avoid applying excessive force.
- **Footrest Sticks:** Ensure the footrest mechanism is clean and free of debris. Apply a small amount of silicone lubricant if necessary.
- **Massage Function Not Working:** Verify the USB cable is securely connected to both the lumbar support and a working 5V power source.
