LORTSYBAB 2-in-1 Baby Stroller Instruction Manual

Model: B0BYYQNFZ9

INTRODUCTION

Thank you for choosing the LORTSYBAB 2-in-1 Baby Stroller. This manual provides essential information for the safe assembly, operation, and maintenance of your stroller. Please read it thoroughly before use and retain it for future reference. This stroller is designed for infants and toddlers from 0 to 36 months old, offering versatility with its convertible bassinet and reversible seat modes.

SAFETY INFORMATION

Your child's safety is paramount. Always adhere to the following safety guidelines:

- Read all instructions carefully before using the stroller.
- Always use the 5-point safety harness to secure your child in the stroller.
- Engage the one-touch brake when the stroller is stationary.
- Use the safety wrist strap when pushing the stroller to prevent accidental rolling.
- Ensure the stroller is fully locked in its open position before placing a child inside.
- Do not overload the storage basket; refer to specifications for weight limits.
- The stroller features an anti-shock design with high-quality shock absorption springs on the front wheels and a suspension frame for the sleeping basket to protect your baby.

SETUP AND ASSEMBLY

The LORTSYBAB stroller is designed for straightforward assembly. Follow these steps to prepare your stroller for use:

Unfolding the Stroller

To unfold the stroller, release any locking mechanisms and lift the handlebar until the frame clicks into place. Ensure all parts are securely locked before use.

Folding the Stroller

The stroller features a one-hand quick folding design for convenience. Locate the folding mechanism on the handlebar and follow the steps to collapse the stroller for storage or transport.

OPERATING THE STROLLER

2-in-1 Functionality (Bassinet & Seat Mode)

The LORTSYBAB stroller converts between a bassinet mode for newborns and a seat mode for older infants and toddlers. The bassinet mode provides a flat, comfortable sleeping surface, while the seat mode allows your child to sit upright.

Reversible Seat

The seat unit can be easily reversed to allow your child to face you or face forward, observing the surroundings. This feature is ideal for bonding with newborns or allowing curious toddlers to explore.

Reversible Baby Stroller

FACE OUTSIDE

Encourage Your Baby
to Observe the Outside World

FACE INSIDE

Convenient for You to
Communicate with Your Baby

Figure 3: The reversible seat allows your baby to face you for interaction or face outwards to observe the world.

Adjustable Canopy & Backrest

The canopy features a three-section design with additional sun visors, providing adjustable protection from UV radiation and varying weather conditions. The backrest can be adjusted to multiple positions: sleeping (180°), semi-recline (135°), and sitting (100°) modes, by tightening the adjustable belt under the sleeping basket.

Figure 4: The stroller offers multiple recline positions and a multi-level adjustable canopy for optimal comfort and protection.

Wheels and Brakes

The EVA rubber wheels are durable and provide good grip, suitable for various terrains. The front wheels can rotate 360° for easy maneuverability or be locked in a fixed direction. The one-touch brake system allows for quick and secure stopping of both rear wheels.

Suspension EVA Wheels

Suitable for all types of road

One-step Brake

Figure 5: Features include suspension EVA wheels for all types of roads, 360° swivel front wheels, and a convenient one-step brake.

High Landscape Design

The high landscape design positions your baby higher, allowing them to enjoy a better view and reducing exposure to car exhaust and ground dust.

High Landscape Let Your Baby Enjoy Fresh Air

Figure 6: The high landscape design provides a better view and reduces exposure to environmental pollutants for your baby.

MAINTENANCE

Proper maintenance ensures the longevity and safety of your LORTSYBAB stroller.

Cleaning Instructions

- The footmuff is removable and washable for easy cleaning.
- For other fabric parts, spot clean with a mild detergent and warm water.
- Wipe the frame with a damp cloth. Do not use abrasive cleaners.

Removable & Washable Footmuff

Suitable for all seasons

Figure 7: The removable and washable footmuff ensures hygiene and comfort in all seasons.

Storage

- Always store the stroller in a dry place to prevent damage to materials and components.
- Avoid prolonged exposure to direct sunlight or extreme temperatures.

TROUBLESHOOTING

If you encounter any issues with your stroller, please refer to the following common solutions:

- **Stroller not unfolding/folding smoothly:** Check for any obstructions in the folding mechanism. Ensure all locks are disengaged before attempting to fold or unfold.
- **Wheels not turning freely:** Inspect wheels for debris or hair. Clean as necessary. Ensure wheel locks are disengaged.
- **Brake not engaging:** Check for obstructions around the brake mechanism. Ensure the brake pedal is fully depressed.

For persistent issues or concerns not addressed here, please contact LORTSYBAB customer support.
