Feonase BED704

Feonase Full Size Bed Frame Instruction Manual

Model: BED704 | Brand: Feonase

1. INTRODUCTION AND SAFETY INFORMATION

Thank you for choosing the Feonase Full Size Bed Frame. This manual provides essential information for the safe and proper assembly, use, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Important Safety Guidelines:

- Proper assembly is required to ensure safety. Follow all steps precisely.
- Do not exceed the maximum weight limit of 1,000 pounds (approximately 453 kg).
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Regularly check all bolts and connections to ensure they remain tight.
- Avoid standing or jumping on the bed frame.
- The rounded frame edges are designed to lessen the chance of injuries, but caution should always be exercised.

The Feonase Full Size Bed Frame is designed for durability and comfort, featuring a minimalist design with a faux leather headboard and strong metal slats for noise-free support and ample under-bed storage.

2. PARTS LIST

Before assembly, verify that all components are present and undamaged. Each part is labeled for easy identification. If any parts are missing or damaged, please contact customer support.

- A. Headboard:** 1 piece (Upholstered faux leather)
- B. Footboard:** 1 piece (Upholstered faux leather)
- C. Side Rails:** 2 pieces (Metal)
- D. Center Support Beam:** 1 piece (Metal)
- E. Metal Slats:** 14 pieces (Reinforced metal)
- F. Support Legs:** Multiple (Metal, with anti-scratch pads)
- G. Hardware Pack:** Bolts, nuts, washers, Allen wrench (All necessary tools included)

3. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward and can typically be completed by one adult or teenager in approximately 30 minutes. Follow these steps carefully:

1. **Unpack and Identify:** Unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the labels and the parts list above.
2. **Attach Side Rails to Headboard and Footboard:** Connect the side rails (C) to the headboard (A) and footboard (B) using the provided bolts and the Allen wrench. Ensure all connections are secure but do not fully tighten until all major components are in place.

3. **Install Center Support Beam:** Attach the center support beam (D) to the designated points on the headboard and footboard. This beam provides crucial central stability.
4. **Place Metal Slats:** Lay the metal slats (E) across the side rails. The slats are designed to fit securely into the frame, providing robust support for your mattress without the need for a box spring. Ensure they are evenly spaced and locked into position.
5. **Attach Support Legs:** Screw in the adjustable support legs (F) to the center beam and any other designated points on the frame. Adjust them to ensure the bed frame is level and stable on your floor.
6. **Final Tightening:** Once all components are assembled and aligned, go back and fully tighten all bolts and connections. This ensures the frame's stability and noise-free operation.

4. OPERATING AND USAGE

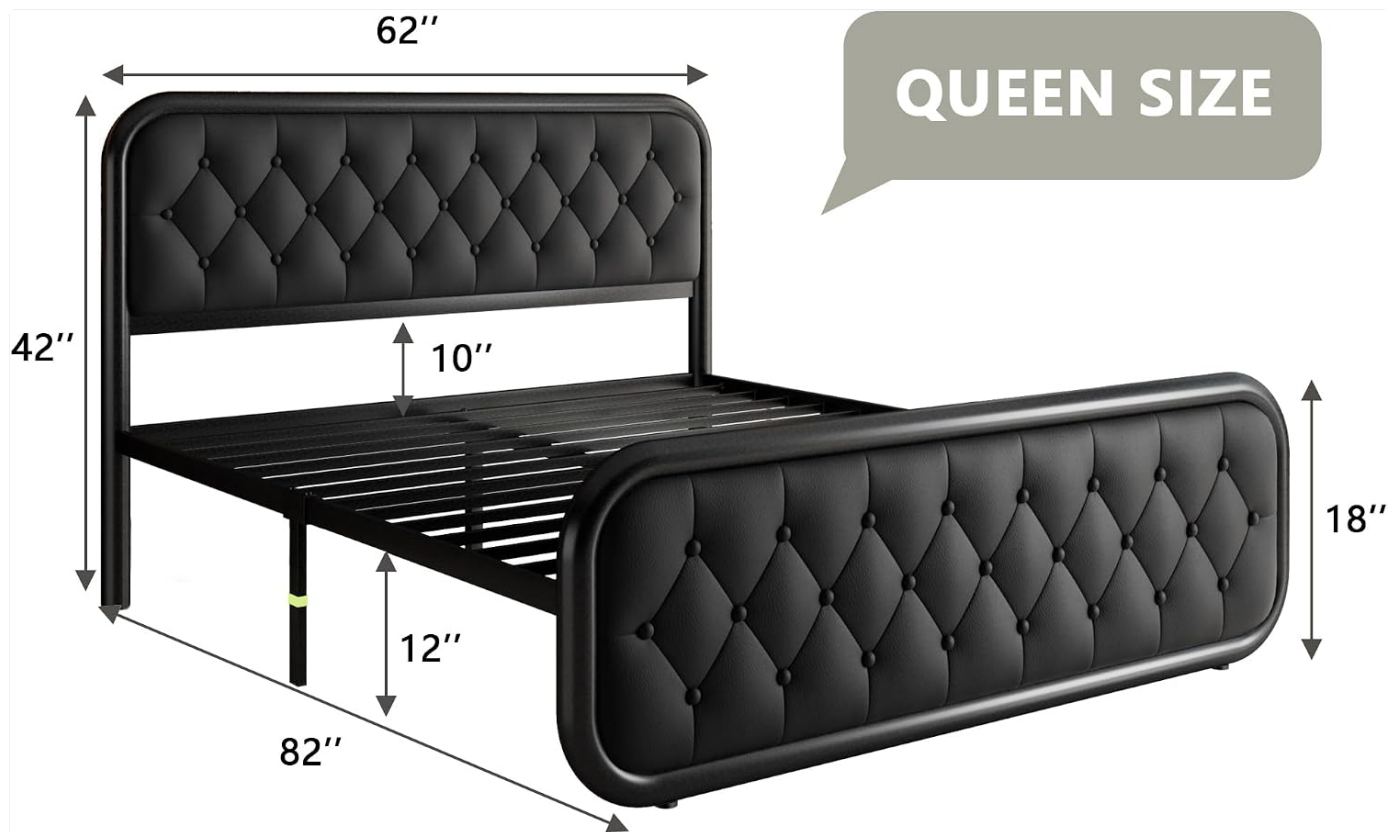

The Feonase bed frame is designed to provide a stable and comfortable foundation for your mattress. It does not require a box spring.

Key Features for Optimal Use:

- **Mattress Compatibility:** This full-size bed frame is compatible with full-size mattresses. Recommended mattress thickness is 8-12 inches.
- **Noise-Free Design:** The strong metal slats and secure connections are engineered to minimize noise, providing a quiet sleeping environment.
- **Under-Bed Storage:** With 12.2 inches of clearance from the ground, the frame offers ample space for convenient storage of various items, helping to declutter your living space.
- **Sturdy Construction:** The 14 reinforced heavy-duty metal slats and robust frame provide enhanced support and stability, capable of holding up to 1,000 pounds.
- **Comfortable Headboard:** The high-density foam padding of the faux leather headboard offers comfortable backrest support for reading or relaxing.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Feonase bed frame.

- **Cleaning:** Wipe the faux leather headboard and metal frame with a dry cloth. For minor spills on the faux leather, a damp cloth can be used, followed by drying immediately. Avoid harsh chemicals or abrasive cleaners.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they are tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Protecting Floors:** The frame includes anti-scratch pads on the support legs. Ensure these pads are intact to protect your flooring.
- **Weight Distribution:** Distribute weight evenly across the bed frame to prevent undue stress on any single point.

6. TROUBLESHOOTING

If you encounter any issues with your Feonase bed frame, refer to the following common problems and solutions:

- **Squeaking Noises:**

- Ensure all bolts and connections are fully tightened. Loose connections are the most common cause of squeaking.
- Check that the metal slats are properly seated in their designated slots and are not rubbing against the frame.

- **Bed Frame Feels Unstable/Wobbly:**

- Verify that all support legs are making firm contact with the floor and are adjusted to the same height.

- Re-check all assembly steps to ensure no parts were missed or incorrectly installed.
- Confirm that the total weight on the bed (including mattress and occupants) does not exceed the 1,000-pound limit.

- **Mattress Sliding:**

- Ensure the mattress is centered on the frame.
- The high footboard is designed to help keep the mattress in place. If sliding persists, a non-slip mattress pad can be placed between the mattress and the slats.

- **Missing or Damaged Parts:**

- If you find any parts missing or damaged upon unboxing, or if a screw or nut is lost during assembly, please contact Feonase customer support for assistance.

7. SPECIFICATIONS

Feature	Detail
Brand	Feonase
Model Number	BED704
Size	Full
Color	Black
Product Dimensions	77"L x 56"W x 42"H
Material	Faux Leather, Metal
