Ingenuity My Size Potty Pro Toddler Training Toilet Instruction Manual

Model: 11124

INTRODUCTION

The Ingenuity My Size Potty Pro is a realistic 2-in-1 training toilet designed to assist toddlers in the potty training process. This unit features a lifelike flushing sound, a removable potty topper for use on an adult toilet, and a built-in storage compartment. It is suitable for children aged 18 months and up, with a maximum weight capacity of 50 pounds.

SAFETY INFORMATION

- Always supervise children during use.
- Ensure all components are securely assembled before each use.
- Do not leave children unattended near the product.
- This product is not a toy.
- Maximum weight recommendation: 50 pounds.

SETUP

The My Size Potty Pro comes with several snap-together components for easy assembly.

1. **Base Assembly:** Connect the main base components by aligning the tabs and pressing firmly until they click into place.
2. **Tank Installation:** Attach the toilet tank to the rear of the base. Ensure it is securely seated.
3. **Battery Installation:** The flushing sound feature requires 2 AAA batteries (included). Locate the battery compartment on the underside of the tank lid. Insert the batteries, ensuring correct polarity, and replace the lid.
4. **Seat and Bowl Placement:** Place the removable inner bowl into the main seat opening. Then, position the soft potty seat on top of the inner bowl.

OPERATING INSTRUCTIONS

Using the My Size Potty Pro is designed to be intuitive for toddlers, mimicking an adult toilet experience.

- **Using the Potty:** Encourage your child to sit on the potty as they would a regular toilet. The integrated splash guard helps prevent messes.
- **Flushing Sound:** After use, your child can press the chrome-style handle on the side of the tank to activate a realistic flushing sound, providing positive reinforcement.
- **Removable Potty Topper:** The soft potty seat can be detached and placed directly onto a standard adult toilet seat, aiding in the transition to a full-sized toilet.
- **Storage Compartment:** The tank features a built-in storage compartment, ideal for holding wipes, books, or other small items to keep within reach during potty training.

MAINTENANCE

Regular cleaning is essential for hygiene and product longevity.

- **Cleaning the Bowl:** The inner bowl is removable for easy cleaning. After each use, remove the bowl, empty its contents into an adult toilet, and wash with mild soap and water. Rinse thoroughly and dry before reinserting.
- **Cleaning the Unit:** Wipe the entire potty unit with a damp cloth and mild soap as needed. Avoid abrasive cleaners.
- **Battery Replacement:** If the flushing sound becomes faint or stops working, replace the 2 AAA batteries in the tank lid compartment.

TROUBLESHOOTING

- **Flushing Sound Not Working:** Check if the 2 AAA batteries are correctly installed and not depleted. Replace if necessary.
- **Unit Instability:** Ensure all snap-together components are fully engaged and securely fastened. Verify the potty is placed on a flat, stable surface.
- **Leaks:** Confirm the inner bowl is correctly seated within the main unit. The integrated splash guard should be properly positioned.
