

Halitaa D8H243

Halitaa D8H243 Black LED Nightstand with Charging Station User Manual

Model: D8H243 | Brand: Halitaa

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Assemble table properly for stability. Ensure all fasteners are securely tightened.
- Do not exceed the weight limit of 28.7 pounds (13 kg) on the tabletop or in drawers.
- Use for indoor purposes only. Avoid exposure to moisture or extreme temperatures.
- Keep children and pets away from the product during assembly.
- Do not attempt to modify the electrical components (charging station, LED lights).

PRODUCT OVERVIEW

The Halitaa D8H243 LED Nightstand is a versatile bedside cabinet designed for modern bedrooms. It features integrated LED lighting, a convenient charging station, and ample storage space.

Figure 1: Halitaa D8H243 Black LED Nightstand with LED lights on.

Figure 2: Product dimensions: 14.37"D x 16.54"W x 23.62"H.

Key Features:

- **Integrated Charging Station:** Equipped with two standard power outlets and two USB ports for convenient device charging.
- **LED Lighting:** Features 20 different colors of LED lighting effects, controllable via remote or a dedicated app.
- **Ample Storage:** Includes three smooth-gliding drawers and one open shelf for organized storage of personal items.
- **Durable Construction:** Made from premium engineered wood with a waterproof surface for easy cleaning and maintenance. Reinforced base enhances stability.

PACKAGE CONTENTS

Before beginning assembly, please verify that all parts and hardware are present. Refer to the included Assembly Guide for a detailed list of components.

- Nightstand panels (top, bottom, sides, back, drawer components)
- 3 Drawer handles
- Drawer slides
- Charging station unit (pre-installed or separate)

- LED light strip and controller
- Remote control for LED lights
- Assembly hardware (screws, dowels, cam locks, etc.)
- Allen Key, Screw Driver, Wrench (recommended tools)
- Assembly Guide

ASSEMBLY INSTRUCTIONS

Assembly of the Halitaa D8H243 Nightstand requires careful attention to detail. Please follow the step-by-step instructions provided in the dedicated Assembly Guide included in your package. Each accessory is labeled with a letter for easy identification.

General Assembly Steps:

1. Unpack all components and verify against the parts list in the Assembly Guide.
2. Identify and separate hardware.
3. Assemble the main frame of the nightstand.
4. Install drawer slides onto the side panels.
5. Assemble the three drawers.
6. Insert drawers into the nightstand frame.
7. Install the charging station into the designated cutout on the top panel.
8. Attach the LED light strip to the open shelf area and connect to power.
9. Ensure all connections are secure and the nightstand is stable before use.

For detailed diagrams and specific fastening instructions, refer to your Assembly Guide.

OPERATING INSTRUCTIONS

A. Charging Station

The integrated charging station provides convenient power access for your electronic devices.

Figure 3: Close-up of the charging station on the nightstand top.

1. Ensure the nightstand's power cord is securely plugged into a functional wall outlet.
2. To charge devices, plug them into the two standard AC outlets or the two USB ports located on the top surface of the nightstand.
3. The charging station is designed to provide power for typical electronic devices such as smartphones, tablets, and small appliances.

B. LED Lighting

The LED light strip offers customizable ambient lighting for your room.

RED

GREEN

BLUE

20 Different Color LED Lights

The Lights have action and static modes, you can easily adjust the speed and brightness by remote control or switch.

Figure 4: Nightstand displaying various LED light colors and remote control.

1. The LED lights are controlled by the included remote control or a compatible mobile application.
2. Use the remote to power the lights on/off, change between 20 different colors, adjust brightness, and select dynamic modes (e.g., flash, fade).
3. Refer to the LED light strip's specific instruction manual for detailed remote control functions and app pairing instructions.

MAINTENANCE

Proper care and maintenance will extend the life of your nightstand.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the

finish.

- **Spills:** Immediately wipe up any spills to prevent water damage to the engineered wood.
- **Drawer Care:** Periodically check drawer slides for smooth operation. If drawers become stiff, a small amount of silicone lubricant can be applied to the slides.
- **Electrical Components:** Ensure the charging station and LED lights are kept dry. Do not immerse in water.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain stability.

Delicate Silver Handle Design

Smooth Drawer Guide Rails

Reinforced Base More Stable

If you encounter issues with your nightstand, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
LED lights do not turn on.	Power connection loose; remote battery dead; LED strip faulty.	Check power connection to wall and LED strip. Replace remote battery. Contact customer support if still not working.
Charging station not working.	Nightstand not plugged in; device cable faulty; charging station faulty.	Ensure nightstand is plugged into a live outlet. Test with a different device/cable.
Drawers are difficult to open/close.	Drawer slides misaligned; debris in slides; overloaded drawer.	Check alignment of drawer slides. Clear any obstructions. Do not overload drawers. Apply silicone lubricant if needed.
Nightstand feels wobbly.	Loose fasteners; uneven floor.	Retighten all assembly screws. Use furniture pads or shims to level on uneven surfaces.
