Cozyman 26" Counter Height Swivel Bar Stools Instruction Manual

Model: B0BZ4CWXR6

1. INTRODUCTION

Thank you for choosing Cozyman Counter Height Swivel Bar Stools. This manual provides detailed instructions for the safe assembly, operation, maintenance, and care of your new bar stools. Please read all instructions carefully before assembly and retain this manual for future reference.

2. IMPORTANT SAFETY INFORMATION

- **Maximum Weight Recommendation:** This product has a maximum weight recommendation of 330 pounds (150 kg). Do not exceed this weight limit to prevent tipping or damage to the stool.
- Always assemble the stool according to the provided instructions to ensure stability and safety.
- Ensure all screws and bolts are tightened securely before use. Periodically check and re-tighten all fasteners.
- Do not stand on the stool.
- Keep children away from the assembly area. Small parts may pose a choking hazard.
- Use on a flat, stable surface.

3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts and hardware are present. Refer to the assembly video for a visual guide to the components.

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes 10-15 minutes per stool. Follow these steps carefully:

4.1. Step-by-Step Assembly Video

Video: Detailed assembly guide for the Cozyman 26"H Swivel Bar Stool with Back.

4.2. Written Assembly Steps

1. **Install the Legs:** Attach the four legs to the seat frame. Ensure the same numbered legs are on the diagonal, not on one side. Insert washers first, then the screws. Tighten screws to approximately 50% initially.

Image: Step-by-step visual of installing the legs to the stool base.

2. **Install the Connecting Bars:** Attach the connecting bars between the legs. The higher mounting holes of the legs are used for the connecting bars. Ensure different numbered connecting bars are adjacent to each other. Tighten these screws to approximately 50% initially.

3. **Tighten All Frame Screws:** Once all legs and connecting bars are in place, tighten all screws in the seat frame and connecting bars from 50% to 100% to ensure stability.
4. **Install the Rotary Plate:** Place the rotary plate onto the assembled base. Ensure the bottom of the rotary plate is correctly aligned with the base. Tighten the screws to approximately 50%.
5. **Install the Seat:** Align the seat with the rotary plate and attach it using the remaining screws. Tighten these screws to approximately 50%.
6. **Final Tightening:** Once the seat is attached, tighten all screws in the rotary plate and seat from 50% to 100%. Ensure all connections are firm and secure.

5. PRODUCT FEATURES

- **360° Swivel:** Quiet steel ball bearings provide a smooth swivel, allowing easy rotation without moving the stool.

360° FREE SWIVEL SEAT

6.1. Recommended Counter Height

For optimal comfort, the seat height of 26 inches is suitable for kitchen islands or counters that are 36-39 inches high. An ideal height difference between the cushion and table is approximately 12 inches.

RECOMMENDED COUNTER HEIGHT

7. CARE AND MAINTENANCE

- **Cleaning:** Wipe with a damp cloth. For faux leather, use a mild soap solution if necessary, then wipe dry. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically inspect all fasteners (screws, bolts) and re-tighten them as needed to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the faux leather.
- **Protect Floors:** Ensure the adjustable leveling feet are properly adjusted and in good condition to prevent scratches on your flooring.

8. TROUBLESHOOTING

- **Stool Wobbles:** Check that all legs are evenly placed on the floor. Adjust the leveling feet at the bottom of each leg until the stool is stable. Ensure all assembly screws are fully tightened.

- **Difficulty Swiveling:** Ensure the rotary plate was installed correctly and all screws are tightened appropriately, but not overtightened to restrict movement. The ball bearings should move freely.
- **Loose Parts:** If any parts feel loose, immediately stop using the stool and re-tighten all screws and connections according to the assembly instructions.

9. WARRANTY AND SUPPORT

For any questions, concerns, or issues regarding your Cozyman Counter Height Swivel Bar Stools, please contact Cozyman customer support. Please have your model number (B0BZ4CWXR6) and purchase information ready when contacting support.
