Intex 64953E

Intex King Air Mattress User Manual

Model: 64953E | Brand: Intex

INTRODUCTION

Thank you for choosing the Intex King Air Mattress, Dura-Beam Deluxe 22" Dual Zone Inflatable Bed with Built-in Pump. This manual provides essential information for the safe and efficient use, setup, operation, and maintenance of your air mattress. Please read all instructions carefully before use and retain this manual for future reference.

SAFETY INFORMATION

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, visit www.P65Warnings.ca.gov.

- Do not use this air mattress near open flames or heaters.
- Keep sharp objects away from the mattress surface.
- Ensure the mattress is placed on a flat, clear surface free of debris.
- Maximum weight capacity for the King size is 600 lbs (272 kg). Do not exceed this limit.
- Always supervise children around the air mattress.

PACKAGE CONTENTS

Verify that all components are present:

- Intex King Air Mattress with Built-in Pump
- Storage Bag
- Repair Patch
- User Manual (this document)

SETUP

1. Unpacking and Placement

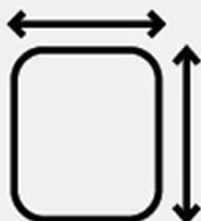

Carefully remove the air mattress from its storage bag and unroll it on a clean, level surface. Ensure there are no sharp objects underneath that could puncture the mattress.
