AWE Tuning 1325-11012

AWE Tuning SwitchPath Remote - 1325-11012 User Manual

Model: 1325-11012

1. INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, and maintenance of your AWE Tuning SwitchPath Remote, model 1325-11012. Please read this manual thoroughly before using the device to ensure proper function and longevity.

Figure 1: The AWE Tuning SwitchPath Remote. This compact black remote features distinct "On" and "Off" buttons, highlighted in green and red respectively, and the AWE Tuning logo prominently displayed in the center. The design includes red and white accents on the left side.

2. SETUP

2.1 Unpacking

- Carefully remove the SwitchPath Remote from its packaging.
- Verify that all components are present and undamaged.

2.2 Battery Installation

The AWE Tuning SwitchPath Remote typically uses a standard coin cell battery. Follow these steps to install or replace the battery:

1. Locate the battery compartment cover on the back of the remote.
2. Using a small screwdriver or coin, gently pry open the cover.
3. Insert the new battery, ensuring the positive (+) side faces up.
4. Securely close the battery compartment cover.

2.3 Pairing (If Applicable)

Depending on your AWE Tuning exhaust system, the remote may require pairing with the control module. Refer to your exhaust system's specific installation guide for detailed pairing instructions. Generally, this involves:

- Ensuring the vehicle's ignition is off.
- Pressing a specific button sequence on the remote or control module.
- Observing an indicator light for successful pairing.

3. OPERATING INSTRUCTIONS

The AWE Tuning SwitchPath Remote provides simple control over your compatible exhaust system's valve operation.

3.1 Activating the SwitchPath System

- To activate the SwitchPath system (e.g., open exhaust valves for a louder sound profile), press the **"On"** button.
- Confirm the system's status by listening for the change in exhaust note or observing any associated indicator lights on your vehicle's dashboard (if applicable).

3.2 Deactivating the SwitchPath System

- To deactivate the SwitchPath system (e.g., close exhaust valves for a quieter sound profile), press the **"Off"** button.
- Confirm the system's status by listening for the change in exhaust note.

Note: The specific behavior of the "On" and "Off" functions may vary slightly depending on the AWE Tuning exhaust system it is paired with. Always refer to the exhaust system's manual for detailed operational characteristics.

4. MAINTENANCE

4.1 Cleaning

- Wipe the remote with a soft, dry cloth.
- Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the plastic material and electronic components.

4.2 Battery Replacement

Replace the battery when the remote's range decreases or it becomes unresponsive. Refer to Section 2.2 for battery installation instructions.

4.3 Storage

Store the remote in a cool, dry place away from direct sunlight and extreme temperatures when not in use for extended periods.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Remote not responding	Dead or low battery	Replace the battery (see Section 2.2).
Remote not responding	Remote is out of range	Move closer to the vehicle's control module.
Remote not responding	Remote is not paired	Attempt to re-pair the remote with the control module (see Section 2.3).
Intermittent operation	Interference or weak signal	Ensure no strong electronic interference sources are nearby. Check battery level.

If you continue to experience issues after attempting these troubleshooting steps, please contact AWE Tuning customer support.

6. SPECIFICATIONS

Model Name	AWE Tuning SwitchPath Remote - 1325-11012
Part Number	1325-11012
Brand	AWE Tuning
Material	plastic
Color	No Color (Black with red/white accents)
Item Weight	1 Pounds (approx. 26 Grams package weight)
Item Dimensions (LxWxH)	8.3 x 5.5 x 4.6 inches
Package Dimensions (LxWxH)	24.45 x 18.03 x 0.98 inches
Date First Available	March 21, 2023

7. WARRANTY AND SUPPORT

7.1 Warranty Information

The AWE Tuning SwitchPath Remote is covered by a manufacturer's warranty. For detailed information regarding the terms and conditions of your warranty, please refer to the warranty documentation included with your product or visit the official AWE Tuning website.
