## **2. SAFETY INFORMATION**

- Ensure all parts are securely fastened during assembly to maintain stability.
- Place the cat tree on a flat, stable surface to prevent wobbling or tipping.
- The sisal rope used for scratching posts is natural and non-toxic.
- For enhanced stability, utilize the included anti-tip kit to secure the cat tree to a wall, especially if you have active or multiple cats.
- Keep the cat tree indoors and in a dry place to preserve its materials and structural integrity.
- Regularly inspect the cat tree for any loose or damaged parts and address them promptly.

## Anti-Tip Kit

Further enhanced stability.  
Ensures a safe home.

## 5. OPERATING INSTRUCTIONS (CAT USAGE)

The MUTTROS Cat Tree provides a dynamic environment for your cats to engage in various natural behaviors:

- **Climbing and Exploration:** The 6-tier design allows cats to easily climb up and down, exploring different heights and vantage points.
- **Scratching:** Encourage your cat to use the sisal-wrapped posts to satisfy their natural urge to scratch, helping to maintain claw health and protect household furniture.
- **Resting and Napping:** Cats can relax in the cozy 2-door condo house, snuggle in the plush hammock, or observe their surroundings from the widened top perch.
- **Play:** The dangling pompom toy provides an interactive element for playful engagement.

**Easy to Clean**

**Replaceable  
Pompom**

## 6. MAINTENANCE

Regular maintenance will extend the life of your MUTTROS Cat Tree:

- **Cleaning:** The detachable top perch is machine washable and can be tumble dried. The entire cat tree, covered in faux-fur, can be easily cleaned with a vacuum cleaner to remove pet hair and debris.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight and secure.
- **Toy Replacement:** A spare pompom toy is included for replacement if the original becomes worn or detached.

# TWO Sizes Available

Large

Medium

## 7. TROUBLESHOOTING

If you encounter any issues with your cat tree, consider the following:

- **Wobbling:** Ensure the cat tree is placed on a completely flat and level surface. Re-tighten all assembly screws. If wobbling persists, ensure the anti-tip kit is correctly installed and secured to a wall stud.
- **Cat Disinterest:** Introduce catnip to the tree's surfaces or place favorite toys on different levels to encourage exploration.
- **Damaged Parts:** If any part of the cat tree becomes damaged, discontinue use and contact customer service for

replacement parts or guidance.
