Gizoon 5-Piece Set

Gizoon 5 Piece Glass Dining Table Set Instruction Manual

Model: 5-Piece Set

Introduction

This manual provides detailed instructions for the assembly, operation, maintenance, and care of your new Gizoon 5 Piece Glass Dining Table Set. Please read all instructions carefully before assembly and use to ensure safe and proper functionality. Keep this manual for future reference.

Safety Information

- Handle glass components with extreme care to avoid breakage and injury.
- Follow all assembly instructions precisely to prevent tipping or instability.
- Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten as necessary.
- Do not stand on the table or chairs.
- Keep small parts away from children during assembly.

Package Contents

Your Gizoon 5 Piece Glass Dining Table Set is delivered in two separate packages: one for the table and one for the chairs. Please ensure you have received both packages before beginning assembly.

Image: The dining set components are shipped in two distinct boxes, one for the table and one for the chairs.

The set includes:

- 1 x Glass Dining Table
- 4 x PU Leather Dining Chairs
- All necessary hardware and tools for assembly (Allen wrench, screwdriver).

Assembly Instructions

Assembly is required for this product. It is recommended that 2-3 people assist with assembly, which typically takes 3-4 hours, though time may vary by experience. Please take inventory of all components before starting and wear gloves to prevent injury.

Table Assembly

1. Unpack all table components and lay them out on a clean, soft surface to prevent scratches.
2. Attach the table legs to the table frame using the provided screws and Allen wrench. Ensure all connections are firm.
3. Secure the intermediate connecting rod to the table frame for enhanced stability.

Image: The table frame with its intermediate connecting rod, designed for increased stability.

4. Carefully place the glass tabletop onto the assembled frame. Ensure it is centered and sits securely.

Chair Assembly

1. Unpack all chair components. Each chair includes a seat, backrest, and four metal legs.
2. Attach the chair legs to the seat frame using the provided hardware.
3. Attach the backrest to the seat frame. Note: Some users have found that a power drill can be helpful for attaching the seat to the chair frame, as pre-drilled holes may not always be present or fully defined.
4. Ensure all connections are tight and the chair is stable before use.

Product Features

- **Sturdy and Durable Construction:** The dining set features a fiberglass tabletop and a robust iron frame, designed for long-term use.
- **Easy Maintenance:** The smooth glass tabletop is simple to clean; spills can be wiped away with water to maintain its appearance.
- **Comfortable Seating:** The chairs include cushioned seats upholstered in PU leather and feature a streamlined backrest for ergonomic support.
- **Versatile Design:** With a simple and elegant aesthetic, this set integrates easily into various interior styles, suitable for dining rooms, kitchens, or living areas.
- **Space-Saving Design:** Chairs can be tucked neatly under the table after use, making this set an efficient choice for smaller apartments or compact dining spaces.

Care and Maintenance

- **Cleaning:** Wipe the table and chairs with a dry cloth. For spills on the glass tabletop, use a damp cloth with clean water. Avoid abrasive cleaners that may damage the surface.
- **Protection:** Use placemats or coasters to protect the glass surface from scratches and heat.
- **Inspection:** Periodically inspect all connections and tighten any loose screws to maintain stability.

Specifications

Feature	Detail
Brand	Gizoon

Model	5-Piece Set
Material	Metal frame, Glass tabletop, PU Leather chairs
Table Dimensions (L x W x H)	47.2 x 27.6 x 29.5 inches
Chair Dimensions (H x W x L)	38.2 x 19.7 x 16.1 inches
Item Weight	103.6 pounds
Table Weight Capacity	Up to 250 lbs
Chair Weight Capacity	Up to 330 lbs
Color	Black
Assembly Required	Yes

Troubleshooting

- **Uneven Tabletop:** If the glass tabletop appears uneven after assembly, double-check that all table legs are securely and evenly tightened. Ensure the intermediate connecting rod is properly installed and flush with the frame.
- **Difficulty with Chair Assembly:** If you encounter difficulty screwing the seat to the chair frame, it may be due to the absence of pre-drilled holes or insufficient pilot holes. A power drill with an appropriate bit can be used to create or deepen pilot holes, making the process easier. Exercise caution if using power tools.
- **Wobbling Chairs:** Ensure all leg screws are fully tightened. If wobbling persists, check that the chair legs are assembled correctly and are not reversed.

Warranty and Support

For any questions regarding assembly, missing parts, or product issues, please contact Gizoon customer support. Refer to your purchase documentation for specific warranty details.
