Vente-unique FIRELA

Vente-unique FIRELA Extensible Dining Table User Manual

Model: FIRELA

INTRODUCTION

Thank you for choosing the Vente-unique FIRELA Extensible Dining Table. This manual provides essential information for the safe and correct assembly, operation, and maintenance of your new dining table. Please read these instructions carefully before beginning assembly and retain them for future reference.

PRODUCT OVERVIEW

The FIRELA dining table is designed for versatility, accommodating 2 to 12 people with its extensible tabletop. It features a durable MDF top and a stylish steel base, available in a two-part or cylindrical configuration depending on the table's extension.

SAFETY INFORMATION

- Always assemble the table on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use.
- Do not exceed the maximum weight capacity of 75 kg for the tabletop and 30 kg for the extensions.
- Keep small parts away from children during assembly.
- Regularly check all connections for tightness and re-tighten if necessary.

SETUP AND ASSEMBLY

This table requires self-assembly. It is recommended that two people assemble the table to ensure safety and ease of handling.

Required Tools (Not Included):

- Screwdriver (Phillips head)
- Allen wrench (if not provided)

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent damage. Verify all components are present against the parts list (refer to packaging for specific list).
2. **Assemble Base Sections:** Attach the individual components of the steel bases according to the diagrams provided in your packaging. Ensure all screws are finger-tightened initially.
3. **Attach Bases to Tabletop:** Carefully place the tabletop upside down on the soft surface. Align the assembled base sections with the pre-drilled holes on the underside of the tabletop. Secure the bases using the provided screws and hardware.
4. **Tighten All Fasteners:** Once all parts are loosely assembled, progressively tighten all screws and bolts until secure. Do not overtighten.
5. **Insert Central Support Leg (if applicable):** For extended configurations, a central support leg may be required. Insert and secure it as per the instructions.
6. **Right the Table:** With assistance, carefully turn the table upright.

Image 2: Close-up view of the table's golden steel base and the textured black MDF tabletop, illustrating the materials.

OPERATING THE EXTENSION MECHANISM

The FIRELA dining table features a central extension system, allowing you to adjust its length to accommodate different numbers of guests.

To Extend the Table:

- 1. Unlock Tabletop:** Locate and release any locking mechanisms under the tabletop that hold the two main halves together.
- 2. Separate Table Halves:** Gently pull the two main halves of the tabletop apart. The sliding mechanism will allow them to glide smoothly.
- 3. Insert Extension Leaves:** Take one or more of the 50 cm extension leaves. Align the pins on the leaves with the corresponding holes in the tabletop halves and carefully lower them into place.
- 4. Close Table Halves:** Push the two main tabletop halves back together until they meet the inserted extension leaves. Ensure there are no gaps.
- 5. Lock Tabletop:** Engage the locking mechanisms under the tabletop to secure the extended configuration.

To Retract the Table:

- 1. Unlock Tabletop:** Release the locking mechanisms under the tabletop.
- 2. Separate Table Halves:** Gently pull the two main halves of the tabletop apart.
- 3. Remove Extension Leaves:** Carefully lift and remove the extension leaves. Store them safely to prevent damage.
- 4. Close Table Halves:** Push the two main tabletop halves back together until they meet.

5. **Lock Tabletop:** Engage the locking mechanisms to secure the compact configuration.

MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your FIRELA dining table.

- **Cleaning:** Wipe the table surface with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for wood or MDF surfaces, then wipe dry immediately.

- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or strong chemical agents, as these can damage the finish.
- **Protect from Heat and Moisture:** Always use placemats and coasters to protect the tabletop from hot dishes, spills, and moisture rings.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which can cause fading or discoloration over time.
- **Regular Checks:** Periodically check all screws and fittings and re-tighten them as needed to ensure the table remains stable.

TROUBLESHOOTING

- **Table Wobbles:** Ensure all assembly screws are fully tightened. Check that the table is on a level surface. Adjust floor glides if present.
- **Extension Mechanism Sticking:** Ensure the tracks are clean and free of debris. Apply a small amount of silicone-based lubricant to the sliding mechanism if necessary. Do not force the mechanism.
- **Gaps in Tabletop:** When extending or retracting, ensure the tabletop halves are fully pushed together and the locking mechanisms are engaged. Check that extension leaves are correctly seated.
- **Surface Scratches:** Minor scratches on the MDF surface can sometimes be minimized with furniture polish or repair kits designed for wood finishes.

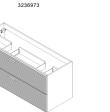

SPECIFICATIONS

Feature	Detail
Brand	Vente-unique
Model	FIRELA
Color	Black (tabletop), Gold (base)
Materials	MDF (Medium Density Fiberboard) tabletop, Steel frame
Dimensions (Compact)	L 110 cm x W 110 cm x H 76 cm
Dimensions (Extended)	L 160 cm / 210 cm / 260 cm x W 110 cm x H 76 cm
