SETUP INSTRUCTIONS

1. Installing Your Tablet

1. Carefully place your Samsung Galaxy Tab into the protective case. Ensure all ports and buttons align correctly with the case cutouts.
2. The case features a flexible rotating shaft design. Adjust the tablet to your desired viewing angle.

This image demonstrates the process of inserting the tablet into the keyboard case.

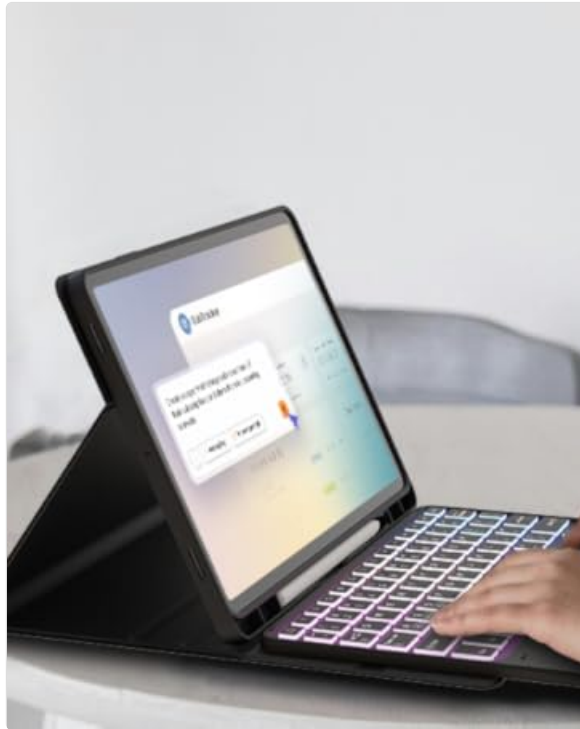

This image illustrates the flexible rotating shaft design, allowing for multiple viewing angles.

2. Bluetooth Pairing

1. Ensure the keyboard is charged using the provided USB cable.
2. Turn on the keyboard using the power switch located on the side.
3. On your Samsung Galaxy Tab, go to **Settings > Connections > Bluetooth**. Turn Bluetooth on.
4. The tablet will search for available devices. Select "BT 5.1 Keyboard" from the list.
5. Confirm the pairing request on your tablet. Once connected, the keyboard is ready for use.

Your browser does not support the video tag.
