ZAPUVO H77

ZAPUVO Wireless Bluetooth Speaker with Phone Stand

Model: H77

1. INTRODUCTION

Thank you for purchasing the ZAPUVO Wireless Bluetooth Speaker with Phone Stand. This versatile 2-in-1 device combines a high-quality portable Bluetooth speaker with a convenient, adjustable phone stand. Designed for ease of use and superior audio experience, it is perfect for indoor and outdoor use, whether you're at your desk, in the kitchen, or enjoying the outdoors. Please read this manual carefully to ensure proper setup, operation, and maintenance of your new device.

2. WHAT'S IN THE BOX

- 1 x Phone Stand with Bluetooth Speaker
- 1 x Type-C Charging Cable
- 1 x User Manual

3. PRODUCT FEATURES

3.1 2-in-1 Portable Design

The ZAPUVO H77 features a unique detachable design, allowing the phone stand and Bluetooth speaker to be used together or separately. The phone stand magnetically attaches to the speaker base, providing a stable viewing platform for your smartphone or tablet.

3.4 Long Battery Life

Equipped with a built-in 2400mAh battery, the speaker provides up to 7 hours of continuous playtime on a single charge, ensuring extended listening sessions without interruption.

3.5 Universal Compatibility

The phone stand is compatible with most smartphones, tablets, and e-readers, including various iPhone and Samsung Galaxy models, iPads, and Google Nexus devices.

3.6 White Noise Functionality

The speaker includes 10 different white noise sound settings, such as ocean, rain, heartbeat, brook, fan, wind, bird, thunderstorm, piano, and campfire, to help you relax and sleep better.

4. SETUP

4.1 Charging the Device

Before first use, fully charge your ZAPUVO speaker. Connect the provided Type-C charging cable to the charging port on the side of the speaker and the other end to a USB power adapter (not included) or a computer USB port. The LED indicator will show charging status.

4.2 Assembly

The phone stand magnetically attaches to the top of the speaker. Simply align the stand with the speaker's top surface until it clicks into place. To detach, gently pull the stand upwards.

4.3 Bluetooth Pairing

1. Ensure the speaker is charged.
2. Slide the power switch on the side to the 'ON' position. The speaker will announce "Power on" and enter Bluetooth pairing mode, indicated by a flashing blue light.
3. On your mobile device, go to Bluetooth settings and search for available devices.
4. Select 'H77' (or 'F20' as seen in some pairing examples) from the list to connect. The speaker will

announce "Bluetooth mode" upon successful pairing.

5. You are now ready to play audio through your ZAPUVO speaker.

Video: Demonstrates the unboxing, assembly, and basic Bluetooth pairing process of the ZAPUVO speaker and phone stand.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

To power on, slide the power switch to 'ON'. To power off, slide the switch to 'OFF'.

5.2 Volume Control

Use the '+' and '-' buttons on the speaker to adjust the volume. Long press for continuous volume adjustment, short press for incremental changes.

5.3 Track Control

Use the 'Previous Track' and 'Next Track' buttons (often integrated with volume controls, requiring a short press) to navigate through your audio tracks.

5.4 Play/Pause

Press the 'Play/Pause' button to pause or resume audio playback.

5.5 Mode Switching

Press the 'Mode' button to switch between Bluetooth mode, Micro SD card playback, and USB playback (if supported and connected).

5.6 Using the Phone Stand

Extend the phone cradle supports and place your device securely. Adjust the stand's angle and height as needed for comfortable viewing. The stand can hold devices in both portrait and landscape orientations.

Image: The ZAPUVO speaker with a smartphone securely placed on its adjustable stand, ideal for media consumption.

6. MAINTENANCE

6.1 Cleaning

Wipe the device with a soft, dry cloth. Do not use abrasive cleaners or solvents. Avoid exposing the device to excessive moisture.

6.2 Storage

Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures when not in use for extended periods.

7. TROUBLESHOOTING

- **Device not powering on:** Ensure the device is fully charged. If it still doesn't power on, try connecting it to a different power source.
- **Unable to pair Bluetooth:** Make sure the speaker is in pairing mode (flashing blue light). Ensure Bluetooth is enabled on your device and it's within range. Try restarting both the speaker and your device.
- **No sound:** Check the volume levels on both the speaker and your connected device. Ensure the correct mode is selected (Bluetooth, SD, or USB).
- **Poor sound quality:** Ensure your device is within Bluetooth range. Move away from potential interference sources. Check the audio source quality.

8. SPECIFICATIONS

Product Dimensions	7.48 x 3.24 x 1.75 inches
Item Weight	11 ounces
Model Number	H77
Battery Type	2 Lithium Ion batteries (included)
Battery Capacity	2400mAh
