Lexip PIXMINDS Steelplay Adventure Twinpads User Manual

Comprehensive guide for your gaming experience.

INTRODUCTION

The Lexip PIXMINDS Steelplay Adventure Twinpads are designed to enhance your gaming experience on compatible systems. These controllers offer precise input and comfortable handling for extended play sessions. This manual provides essential information for setup, operation, maintenance, and troubleshooting.

PACKAGE CONTENTS

Upon opening the package, ensure all components are present:

- Lexip PIXMINDS Steelplay Adventure Twinpads (Left and Right controllers)
- User Manual (this document)
- Required Lithium Ion batteries (pre-installed or included)

Image: The retail packaging for the Lexip PIXMINDS Steelplay Adventure Twinpads, showing the controllers and compatibility information.

SETUP

The Twinpads are compatible with Nintendo Switch™ and Nintendo Switch™ OLED models. They connect wirelessly via Bluetooth.

1. Charging the Twinpads

The Twinpads come with Lithium Ion batteries. Before first use, ensure they are fully charged. The LED indicators on the controllers will show charging status.

2. Pairing with Your Device

1. Ensure your Nintendo Switch console is powered on and updated to the latest system software.
2. From the HOME Menu, select "Controllers" > "Change Grip/Order".
3. On each Twinpad, press and hold the small pairing button located on the side or back until the player LEDs begin to flash.
4. Once the LEDs stop flashing and remain solid, the Twinpad is successfully paired.
5. Repeat for the other Twinpad.

Image: Side view of the Lexip PIXMINDS Steelplay Adventure Twinpads, highlighting the rail for attachment and potential pairing button location.

Image: Back view of the Lexip PIXMINDS Steelplay Adventure Twinpads, showing the ergonomic design and additional buttons.

OPERATING INSTRUCTIONS

Once paired, the Twinpads function as independent left and right controllers, similar to the original Joy-Con controllers. They can be used for various games that support detached controller play.

Button Layout and Functions

- **Left Twinpad:** Analog Stick, D-pad, Minus (-) Button, Screenshot Button, SL/SR Buttons (on side rail).
- **Right Twinpad:** Analog Stick, A/B/X/Y Buttons, Plus (+) Button, Home Button, SL/SR Buttons (on side rail).
- *Note: Specific button functions may vary depending on the game.*

Reconnecting

If the Twinpads disconnect or you wish to reconnect them after turning off the console, simply press any button on each Twinpad. They should automatically reconnect to the last paired console.

MAINTENANCE

Proper care will extend the lifespan of your Twinpads.

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the controllers. For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the Twinpads in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** If storing for an extended period, ensure the batteries are partially charged (around 50%) to maintain battery health. Avoid fully discharging the batteries for long periods.

TROUBLESHOOTING

If you encounter issues with your Twinpads, try the following solutions:

- **Controllers not pairing:**
 - Ensure the Twinpads are charged.
 - Verify Bluetooth is enabled on your console.
 - Try re-pairing the controllers by following the "Pairing with Your Device" steps.
 - Move closer to the console to ensure a strong Bluetooth signal.
 - Restart your Nintendo Switch console.
- **Input lag or disconnection:**
 - Ensure there are no obstructions between the controllers and the console.
 - Minimize interference from other wireless devices.
 - Check battery levels and recharge if necessary.
- **Buttons not responding:**
 - Clean around the buttons to remove any debris.
 - Ensure the controllers are properly paired and connected.
 - Test the controllers in a different game or the console's controller test menu.

SPECIFICATIONS

Feature	Detail
Model	JVASWI00101
Brand	Lexip, PIXMINDS, Steelplay
Connectivity	Bluetooth
Compatibility	Nintendo Switch™, Nintendo Switch™ OLED
Battery Type	1 Lithium Ion battery (included)
Item Weight	5.6 ounces (approx. 158.76 grams)
Package Dimensions	6.18 x 4.72 x 1.26 inches (approx. 15.7 x 12 x 3.2 cm)
Manufacturer	PIXMINDS
Release Date	January 1, 2023

WARRANTY AND SUPPORT

The Lexip PIXMINDS Steelplay Adventure Twinpads come with a **5-year warranty**, as indicated on the product packaging. To register your product and activate your warranty, please visit the official warranty registration page:

[Register Your Product for Warranty](#)
