

JTLB JTLBd2qsaipy8o

JTLB Pillow Speaker JTLBd2qsaipy8o User Manual

Model: JTLBd2qsaipy8o

1. INTRODUCTION

This manual provides essential instructions for the proper setup, operation, and maintenance of your JTLB Pillow Speaker, model JTLBd2qsaipy8o. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

2. PRODUCT OVERVIEW

The JTLB Pillow Speaker is a compact, wired audio device designed to provide personal sound without disturbing others. It features a standard 3.5mm audio jack for broad compatibility with various audio sources.

SMALL SIZE AND LIGHT WEIGHT, EASY TO CARRY

Figure 2.2: The JTLB Pillow Speaker, illustrating its compact and lightweight nature, making it easy to carry and position.

3. SETUP

Follow these steps to set up your JTLB Pillow Speaker:

1. **Identify Audio Source:** Ensure your audio device (e.g., MP3 player, smartphone, portable CD player) has a standard 3.5mm audio output jack.
2. **Connect Speaker:** Insert the 3.5mm audio plug from the pillow speaker firmly into the audio output jack of your device.
3. **Position Speaker:** Place the speaker beside or under your pillow. For optimal sound, experiment with different positions to find what works best for you.

4. OPERATING INSTRUCTIONS

Once connected, operating the JTLB Pillow Speaker is straightforward:

1. **Power On Audio Device:** Turn on your audio source device and begin playing your desired audio content (music, audiobook, etc.).
2. **Adjust Volume:** Control the audio volume directly from your connected audio source device. The pillow speaker does not have its own volume controls.
3. **Enjoy:** The speaker will transmit sound directly to your ear area, allowing for personal listening without disturbing others.

5. MAINTENANCE

To ensure the longevity and proper functioning of your pillow speaker, observe the following maintenance guidelines:

- **Cleaning:** Wipe the speaker surface with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.
- **Storage:** Store the speaker in a cool, dry place when not in use. Avoid extreme temperatures.
- **Handling:** Do not pull on the cable excessively or bend the 3.5mm plug at sharp angles, as this can damage the internal wiring.
- **Water Exposure:** This product is not waterproof. Avoid exposure to water or high humidity.

6. TROUBLESHOOTING

If you encounter issues with your JTLB Pillow Speaker, refer to the following common problems and solutions:

- **No Sound:**
 - Ensure the 3.5mm plug is fully inserted into your audio device.
 - Check the volume level on your audio device; increase it if necessary.
 - Verify that your audio device is powered on and playing audio.
 - Test the speaker with a different audio device to rule out a device-specific issue.
- **Poor Sound Quality (Distortion, Low Volume):**
 - Ensure the 3.5mm connection is secure and free from debris.
 - Adjust the volume on your audio device.
 - Check the audio source file or streaming quality.
 - Ensure the speaker is not covered or obstructed, which could muffle the sound.
