3. SETUP AND ASSEMBLY

Your MEIEST Mini WWII US Army Soldier figures and their accessories require assembly. The set is designed for easy assembly without the need for scissors or glue. Please follow the steps below.

What's Included:

- 6 Soldier construction action figures (unassembled).
- Multiple military weapon accessories (e.g., guns, firearms, holsters, grenades).
- Various prop accessories (e.g., heavy body armor, ballistic shields, entry tools, night vision optics, surveillance equipment).

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Note that figures and accessories come in bags and require full assembly.

2. **Separate Parts:** Individual figure components (head, torso, arms, legs) and accessories may be attached to molding frames. Gently twist or carefully cut them free.
3. **Assemble Figures:** Connect the head, torso, arms, and legs to form each soldier figure. Ensure all joints are securely fitted.
4. **Attach Accessories:** Select desired weapons and gear and attach them to the figures. Figures are designed with attachment points for various accessories.

5. MAINTENANCE

Proper care and maintenance will help preserve the quality and longevity of your MEIEST Mini WWII US Army Soldier figures.

Cleaning:

- To clean the figures, gently wipe them with a soft, slightly damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these may damage the plastic or painted details.

Storage:

- Store the figures and accessories in a cool, dry place away from direct sunlight and extreme temperatures.
- Keeping them in their original packaging or a dedicated storage container can help prevent loss of small parts and protect them from dust.

6. TROUBLESHOOTING

If you encounter any issues during assembly or play, please refer to the following common solutions.

Parts Not Fitting Securely:

- **Check Alignment:** Ensure that the parts are correctly aligned before attempting to connect them.
- **Apply Gentle Pressure:** Some connections may require firm but gentle pressure to snap into place. Avoid excessive force, which could damage the parts.
- **Inspect for Obstructions:** Check for any small plastic burrs or debris in the connection points that might prevent a secure fit.

Lost or Damaged Parts:

- Due to the small size of many components, it is recommended to assemble and play in a clear, contained area to minimize the risk of losing parts.
- For inquiries regarding replacement parts, please contact the manufacturer directly.
