

## HOU Keyboard Case for iPad Pro 12.9 Inch

# HOU Keyboard Case for iPad Pro 12.9 Inch (6th/5th/4th/3rd) Generation User Manual

Model: Keyboard Case for iPad Pro 12.9 Inch

## INTRODUCTION

Thank you for choosing the HOU Keyboard Case for your iPad Pro 12.9 Inch. This manual provides detailed instructions for the proper setup, operation, and maintenance of your new keyboard case. This accessory is designed to enhance your iPad experience by providing a physical keyboard and multi-touch trackpad, transforming your tablet into a more versatile productivity tool.

This keyboard case is compatible with iPad Pro 12.9 Inch (6th, 5th, 4th, and 3rd Generations).

## PACKAGE CONTENTS

Please verify that all items are present in your package:

- HOU Keyboard Case for iPad Pro 12.9 Inch
- USB Charging Cable
- User Manual (this document)

## SETUP

### 1. Charging the Keyboard

Before initial use, fully charge the keyboard. Connect the provided USB charging cable to the charging port on the keyboard case and to a USB power adapter (not included) or a computer's USB port. The charging indicator light will illuminate during charging and turn off when fully charged.

Battery: 1 Lithium Polymer battery (included).

### 2. Attaching Your iPad

Carefully align your iPad Pro 12.9 Inch with the case. The case uses a strong magnetic connection to securely hold the iPad in place. Ensure the camera cutout and ports align correctly.

Image: HOU Keyboard Case with iPad Pro 12.9 Inch attached, shown in an open, typing position. The case is a light pink/rose gold color, and the iPad screen displays a colorful abstract image.

### 3. Bluetooth Pairing

1. Turn on the keyboard by sliding the power switch located on the side of the case. The indicator light will flash.
2. On your iPad, go to **Settings > Bluetooth**.
3. Ensure Bluetooth is turned **On**.
4. The iPad will search for discoverable devices. Select "**HOU Keyboard**" (or similar name) from the list of devices.
5. Follow any on-screen prompts to complete the pairing process. Once paired, the indicator light on the keyboard will stop flashing.

The keyboard should automatically reconnect to your iPad when both devices are powered on and Bluetooth is enabled.

## OPERATING INSTRUCTIONS

### Keyboard Functions

The keyboard features 78 keys, including standard QWERTY layout and dedicated function keys for iPad control.

- **Backlight Control:** Press the **Light Bulb** key (often combined with Fn) to cycle through backlight brightness levels or turn it off. The keyboard features a white backlight.
- **Function Keys:** The top row of keys provides quick access to iPad functions such as Home, Search, Brightness, Media Controls, and Volume.
- **Typing:** Use the keyboard as you would a standard computer keyboard for text input.

### Multi-Touch Trackpad Functions

The integrated multi-touch trackpad allows for precise navigation and gesture control on your iPad.

- **Single Finger Tap:** Left-click.
- **Two Finger Tap:** Right-click (context menu).
- **Single Finger Drag:** Move the cursor.
- **Two Finger Scroll:** Scroll up/down or left/right.
- **Pinch to Zoom:** Use two fingers to zoom in or out.
- **Swipe Up/Down with Three Fingers:** Access the App Switcher or Home Screen.
- **Swipe Left/Right with Three Fingers:** Switch between open applications.

For a complete list of iPadOS trackpad gestures, refer to your iPad's official documentation or settings.

## MAINTENANCE

---

- **Cleaning:** Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution to wipe the exterior of the case and keyboard. Avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, keep the keyboard case closed to protect the iPad screen and keyboard. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the keyboard frequently. Charge it regularly, even if not used daily.

## TROUBLESHOOTING

---

- **Keyboard not connecting via Bluetooth:**
  - a. Ensure the keyboard is charged and powered on.
  - b. Turn off and then on the keyboard's power switch.
  - c. On your iPad, go to Bluetooth settings, "Forget This Device" for the keyboard, and then re-pair it.
  - d. Restart your iPad.
- **Keys not responding:**
  - a. Check if the keyboard is properly connected via Bluetooth.
  - b. Ensure the keyboard battery is not critically low.
  - c. Restart the keyboard and iPad.
- **Trackpad not working:**
  - a. Verify Bluetooth connection.
  - b. Ensure the trackpad is clean and free of debris.
  - c. Check iPadOS settings for trackpad functionality.
- **Backlight not working:**
  - a. Press the backlight key (often Fn + Light Bulb) to cycle through brightness levels.
  - b. Ensure the keyboard has sufficient battery charge.
