## LUDOMIDE CFL-1105-02

# LUDOMIDE Flush Mount Ceiling Fan with Lights and Remote

Model: CFL-1105-02 | Brand: LUDOMIDE

## 1. INTRODUCTION

---

This manual provides detailed instructions for the installation, operation, and maintenance of your LUDOMIDE Flush Mount Ceiling Fan with Lights. Please read this manual thoroughly before installation and retain it for future reference. This 20-inch ceiling fan features a modern design, integrated LED lighting, and convenient remote and app control.

## 2. SAFETY INFORMATION

---

**WARNING:** To reduce the risk of fire, electric shock, or personal injury, always turn off power at the main circuit breaker or fuse box before beginning installation or performing any maintenance.

- Read all instructions and safety information before installing your new fan.
- All wiring must be in accordance with national and local electrical codes. If you are unfamiliar with wiring, consult a qualified electrician.
- Ensure the installation site allows the fan blades to rotate without obstruction.
- The mounting bracket must be securely fastened to a building structure capable of supporting the fan's weight.
- Do not operate the fan with damaged wiring or components.
- Do not insert objects into the fan blades while the fan is operating.

## 3. PACKAGE CONTENTS

Verify that all components listed below are included in your package:

- 1 x Ceiling Fan with Lights
- 1 x Instruction Manual
- 1 x Mounting Hardware Kit
- 1 x Remote Control

## 4. SETUP AND INSTALLATION

Professional installation is recommended for electrical components. Ensure power is OFF at the circuit breaker before proceeding.

1. **Prepare the Mounting Location:** Ensure the electrical box is securely mounted and capable of supporting the fan's weight.
2. **Install the Mounting Bracket:** Attach the fan's mounting bracket to the electrical box using the provided hardware. Ensure it is flush and stable.
3. **Wiring Connections:** Carefully connect the fan's electrical wires to the household wiring according to local electrical codes. Use the provided S-hook to temporarily hang the fan while making connections, if available.
4. **Mount the Fan:** Once wiring is complete, secure the fan body to the mounting bracket. Ensure all screws are tightened.
5. **Remote Control Pairing:** After restoring power, pair the remote control by holding the "SET UP" button immediately after turning on the fan. Refer to the remote control diagram in Section 5 for button location.
6. **App Setup (Optional):** Download the compatible smart home app (refer to the manual or product packaging for app name). Follow the in-app instructions to connect your fan for additional control features.

## 5. OPERATING INSTRUCTIONS

Your LUDOMIDE ceiling fan can be controlled via the included remote or a compatible smartphone app.

### 5.1 Remote Control Functions

Image 5.1: Remote control layout with button descriptions.

- **Light On/Off:** Turns the LED light on or off.
- **Fan On/Off:** Turns the fan motor on or off.
- **Quick Switch for Light Colors:** Cycles through warm, natural, and white light.
- **SET UP:** Used for remote pairing (hold immediately after powering on the fan).
- **F (Forward Wind):** Activates summer mode, pushing air downwards.
- **R (Reverse Wind):** Activates winter mode, pulling air upwards.
- **6 Fan Speeds:** Buttons 1-6 adjust fan speed from lowest to highest.
- **ALL OFF:** Turns off both light and fan.
- **Night Mode:** Activates a dim light setting.
- **Color Temperature Adjustment:** Buttons with +/- symbols adjust the light color temperature.
- **2 Hours Timing:** Sets a 2-hour timer for the fan.
- **Natural Wind:** Simulates a natural breeze by varying fan speed.

## 5.2 Light Functions

The integrated 37W LED light offers versatility:

- **3 Color Lighting Modes:** Choose between Warm (3000K), Nature (4500K), and White (6000K) light.
- **Dimmable Brightness:** Adjust brightness from 10% to 100%.
- **Memory Function:** The fan remembers the last light setting when turned off with the remote, eliminating the need to reset it.

# CEILING FAN WITH LED LIGHT

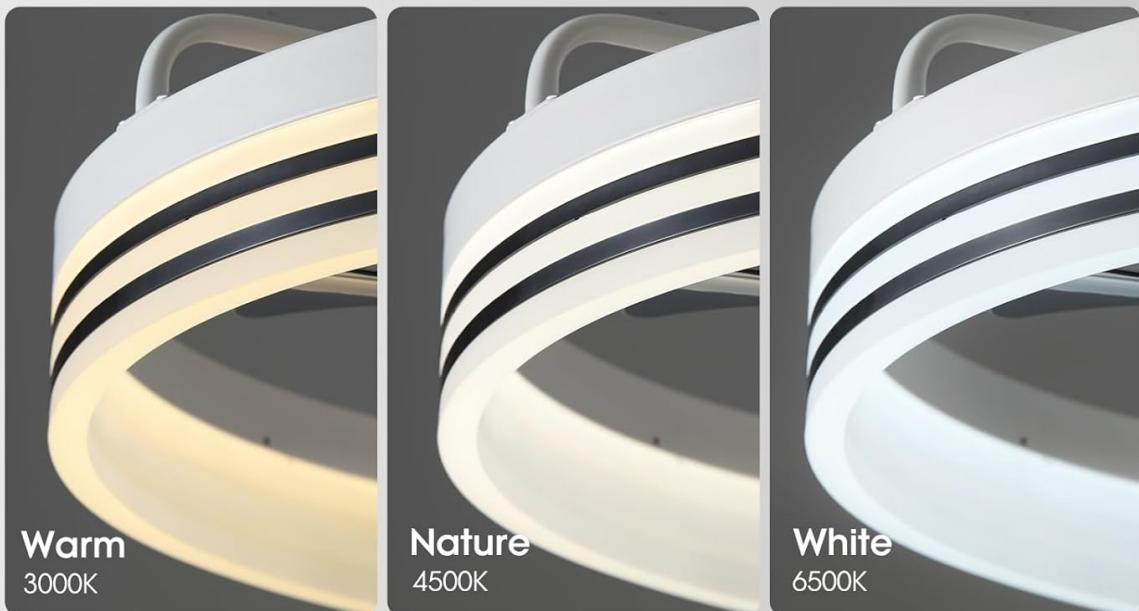

Image 5.2: Illustration of the dimmable 3-color LED light options.

## 5.3 Fan Functions

- **6 Wind Speeds:** Select from six fan speeds for optimal comfort.
- **Reversible Airflow:** Use forward wind (summer mode) to push cool air down or reverse wind (winter mode) to circulate warm air upwards.
- **Timing Function:** Set a 2-hour timer via the remote, or 1/2/4/8 hours via the app.

## REVERSE FUNCTION 6 WIND SPEEDS

**1-2 SPEED**  
Soft Wind

**3-4 SPEED**  
Natural Wind

**5-6 SPEED**  
Cool Wind

Image 5.3: Reversible wind function and fan speed settings.

## 5.4 App Control (If applicable)

If you have connected your fan to the smartphone app, you can access additional features such as extended timing options (1/2/4/8 hours) and potentially more granular control over light and fan settings.

## 6. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your ceiling fan.

- **Cleaning:** Periodically wipe the fan and light fixture with a soft, damp cloth. Do not use abrasive cleaners or solvents, as they may damage the finish.
- **Tighten Fasteners:** Check all screws and fasteners annually to ensure they are secure. Loose connections can cause noise or instability.
- **Blade Cleaning:** Gently clean the fan blades to prevent dust buildup, which can affect balance and airflow.
- **Light Source:** The LED light source is integrated. If it fails, contact customer support for assistance.

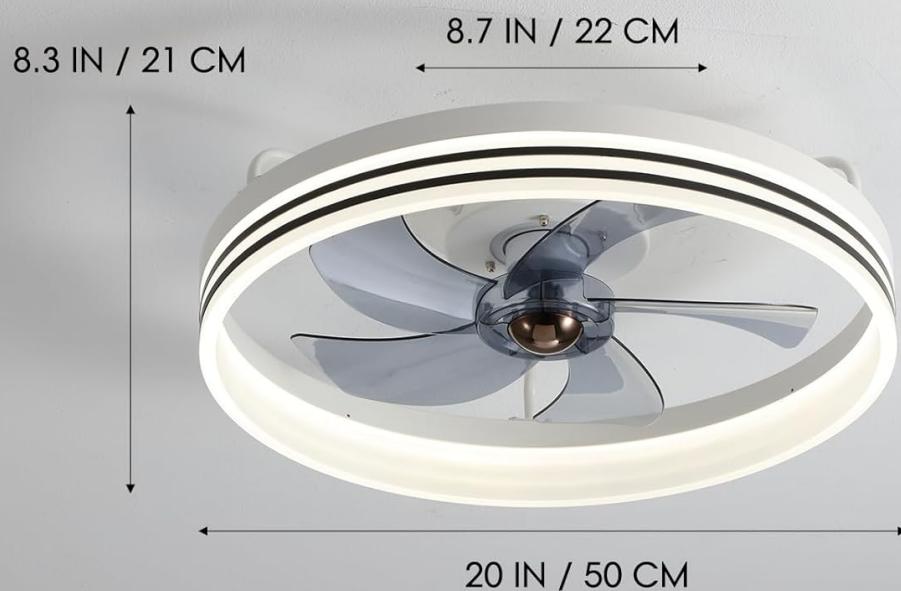

## 7. TROUBLESHOOTING

If you encounter issues with your fan, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not operate	No power; Loose wiring; Remote not paired.	Check circuit breaker; Verify wiring connections; Re-pair remote control.
Light does not work	No power; Loose wiring; LED failure.	Check circuit breaker; Verify wiring connections; Contact customer support if LED is faulty.
Fan is noisy or wobbles	Loose mounting; Unbalanced blades; Obstruction.	Ensure mounting bracket is secure; Check for loose screws; Ensure no objects are interfering with blades.
Remote control not responding	Low battery; Not paired; Interference.	Replace remote battery; Re-pair remote; Ensure no strong interference sources nearby.
App connectivity issues	Incorrect setup; Wi-Fi issues; App permissions.	Review app setup instructions; Check Wi-Fi connection; Verify app permissions on your device.

If the problem persists after attempting these solutions, please contact LUDOMIDE customer support.

## 8. SPECIFICATIONS

## PARAMETER

<b>WATTAGE :</b>	52W	<b>DIMMABLE :</b>	Yes
<b>FAN BLADE :</b>	5 Blades	<b>LIGHT :</b>	37W LED
<b>ROOM SIZE :</b>	95 -218 sqft	<b>CONTROL :</b>	Remote/App/Wall

Image 8.1: Product dimensions and key parameters.

Feature	Detail
Brand	LUDOMIDE
Model Name	Ceiling Fan (CFL-1105-02)
Color	White-1105
Material	Iron, Plastic
Product Dimensions	21" L x 21" W x 7" H (50cm Diameter, 22cm Height)
Wattage	52 watts (Fan), 37W (LED Light)
Voltage	120 Volts
Light Source Type	LED (3000K-6000K, 10%-100% Dimmable)

Feature	Detail
Control Method	Remote Control, App Control
Number of Fan Blades	5
Sound Level	Less than 35 dB
Recommended Room Size	95 - 218 sqft
Installation Type	Semi Flush Mount

## 9. WARRANTY AND SUPPORT

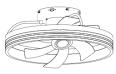

Your LUDOMIDE Ceiling Fan with Lights comes with a **1-year manufacturer's warranty**. This warranty covers defects in materials and workmanship under normal use.

For any questions, issues, or warranty claims, please contact LUDOMIDE customer service through Amazon. We are committed to providing reliable after-sales service and support.
