Zerodis Garbage Disposal Air Switch User Manual

Model: Zerodisgf5xk9vsai
Brand: Zerodis

INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your Zerodis Garbage Disposal Air Switch. Please read this manual thoroughly before use to ensure proper function and safety. This air switch offers a convenient and safe alternative to traditional wall switches for activating your garbage disposal.

SAFETY INFORMATION

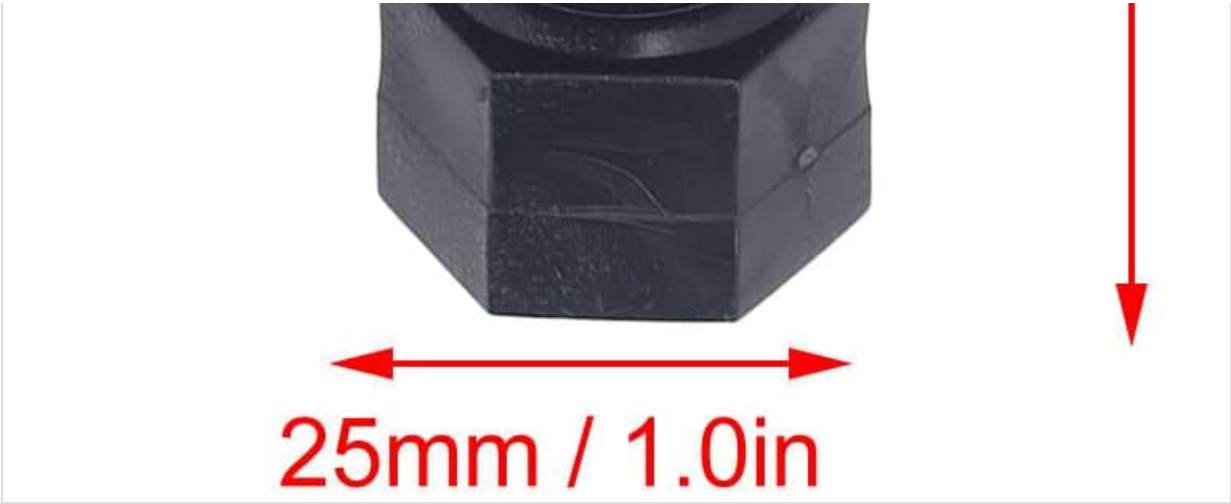

- Always disconnect power to the garbage disposal unit at the circuit breaker before attempting any installation, maintenance, or repair.
- Ensure all connections, especially the air hose, are secure to prevent leaks and ensure proper operation.
- Do not attempt to modify the air switch or its components. Use only genuine replacement parts if needed.
- This air switch is designed to be insulated and can work safely in wet environments, but direct submersion should be avoided.
- Keep out of reach of children and pets.

PACKAGE CONTENTS

Verify that all components are present in the package:

- Garbage Disposal Air Switch Button (Stainless Steel/ABS)
- 1.5m Air Hose
- Mounting Hardware (nuts, washers)

This image displays the main components included in the package: the air switch button with its threaded body and the black air hose.

SPECIFICATIONS

Feature	Detail
Package Dimensions	5.71 x 4.25 x 1.5 inches
Item Weight	2.11 ounces
ASIN	B0BZQJR5YN
Item Model Number	Zerodisgf5xk9vsai
Finish Types	Stainless
Batteries Required	No
Mounting Hole Diameter	1 inch (25mm)
Air Hose Length	1.5 meters

This diagram illustrates the key dimensions of the air switch: 90mm (3.5 inches) total height, 42mm (1.7 inches) button diameter, and 25mm (1.0 inch) mounting hole diameter.

INSTALLATION GUIDE

Follow these steps for proper installation of the air switch:

1. **Step 1: Prepare the Mounting Hole**

Ensure you have a 1-inch (25mm) diameter mounting hole available on your sink top or countertop. If not, drill a new hole in the desired location, ensuring it is clear of obstructions underneath.

Fitment:

Replacement for kitchen food waste disposal, electric water heater, crowd kitchen treasure, massage bathtub

Suitable for kitchen food garbage disposal, electric water heater, the crowd kitchen treasure, massage bathtub.

The air switch button is designed to be mounted flush with the sink or countertop surface, requiring a 1-inch diameter hole.

2. Step 2: Insert the Air Switch Button

Place the air switch button assembly through the prepared mounting hole from the top. Ensure the decorative bezel is flush with the surface.

This image shows the air switch button with its threaded shaft, ready for insertion into the mounting hole.

3. **Step 3: Secure the Button**

From underneath the sink, thread the plastic nut onto the air switch's threaded body. Tighten it securely by hand, then use a wrench if necessary, ensuring the button is stable and does not rotate.

This view highlights the black plastic nut and washer used to secure the air switch button from beneath the mounting surface.

4. Step 4: Connect the Air Hose

Attach one end of the 1.5m air hose to the small barb fitting on the underside of the air switch button. Push it firmly to ensure a tight seal.

5. Step 5: Connect to Garbage Disposal

Connect the other end of the air hose to the air switch port on your garbage disposal unit. Refer to your garbage disposal's manual for the exact location of this port. Ensure a secure connection.

Once installed, the air switch button provides a convenient and safe way to activate your garbage disposal from the countertop.

6. **Step 6: Test the System**

Once all connections are made, restore power to the garbage disposal. Press the air switch button to turn the disposal on, and press it again to turn it off. Verify proper operation.

OPERATING INSTRUCTIONS

The Zerodis Garbage Disposal Air Switch provides a simple and safe way to control your garbage disposal.

1. **To Turn On:** Press the air switch button firmly. You will hear a click, and the garbage disposal will activate.
2. **To Turn Off:** Press the air switch button firmly again. The disposal will stop operating.

The air switch features a lock function, meaning one press turns it on, and it stays on until pressed again to turn off.

The air switch is activated by a simple press, providing a convenient and safe method to control the garbage disposal.

MAINTENANCE

The Zerodis Garbage Disposal Air Switch is designed for durability and requires minimal maintenance.

- **Cleaning:** Wipe the surface of the air switch button with a damp cloth and mild detergent as needed. Avoid abrasive cleaners that could damage the finish.
- **Hose Inspection:** Periodically check the air hose for any kinks, cracks, or disconnections. Ensure it remains securely attached at both ends to maintain proper air pressure transmission.
- **Button Function:** If the button becomes stiff or unresponsive, ensure no debris is lodged around it. The internal mechanism is sealed and generally does not require lubrication.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Disposal does not turn on when button is pressed.	• No power to disposal. • Air hose disconnected or kinked. • Air switch button faulty. • Disposal jammed or overloaded.	Check disposal's power supply and reset button. Ensure air hose is securely connected and free of kinks. If problem persists, consult a qualified electrician or plumber.
Disposal does not turn off when button is pressed.	• Air switch button faulty.	Press the button firmly again. If it still doesn't turn off, disconnect power to the disposal at the circuit breaker. The air switch may need replacement.
Water leaks around the button.	• Improper sealing during installation.	Disconnect power. Re-tighten the securing nut underneath the sink, ensuring the washer is properly seated. If necessary, apply plumber's putty or silicone sealant around the top edge of the button before installation.

WARRANTY AND SUPPORT

For warranty information or technical support, please contact Zerodis customer service through the retailer where the product was purchased or visit the official Zerodis website.
