Glitzerlife XD1212

Glitzerlife 18W LED Round Flat Ceiling Light User Manual

Model: XD1212

1. Introduction

Thank you for choosing the Glitzerlife 18W LED Round Flat Ceiling Light. This manual provides essential information for the safe and efficient installation, operation, and maintenance of your new lighting fixture. Please read these instructions carefully before installation and retain them for future reference.

2. Safety Instructions

- Always disconnect the power supply before installation, maintenance, or cleaning.
- Installation should be performed by a qualified electrician or in accordance with local electrical codes.
- Ensure the mounting surface can support the weight of the fixture.
- Do not modify the product in any way, as this may void the warranty and create safety hazards.
- Avoid looking directly into the LED light source when it is illuminated.
- This product is rated IP44, suitable for damp locations but not for direct water immersion.

3. Product Features

The Glitzerlife 18W LED Round Flat Ceiling Light offers several advanced features for a superior lighting experience:

- **Super Bright & Energy Saving:** 18W LED replaces traditional 150W bulbs, saving over 88% on electricity costs.
- **Modern Design & Cool White Light:** Ultra-thin, round design with 5000K cool white light, ideal for various modern interiors.
- **Eye Protection & Flicker-Free:** High light transmission, uniform and soft light distribution, flicker-free operation to protect eyes. CRI80+ ensures vivid and natural light.
- **IP44 Waterproof & Easy to Clean:** Dustproof and splash-proof design, preventing dust and insects from entering. Easy to wipe clean.
- **Long Lifespan:** Integrated LED bulbs with a lifespan of up to 25,000 hours.

Image Description: This image displays the Glitzerlife 18W LED Ceiling Light with its dimensions (22.3cm / 8.79inch diameter, 3.2cm / 1.26inch thickness). Key features are highlighted: 18W power, IP44 rating, 220-240V compatibility, CRI80+, energy-saving, 25000H lifespan, easy installation, and 5000K color temperature.

Image Description: The image shows the Glitzerlife LED ceiling light installed in a modern bathroom, illustrating its IP44 waterproof and dustproof capabilities. Icons indicate "Flat," "Waterproof," and "Dustproof" features.

Image Description: This image highlights the eye protection and flicker-free features of the Glitzerlife LED ceiling light. It also shows a color rendering index (CRI) comparison, emphasizing CRI 80+ for more vivid and natural light compared to lower CRI values.

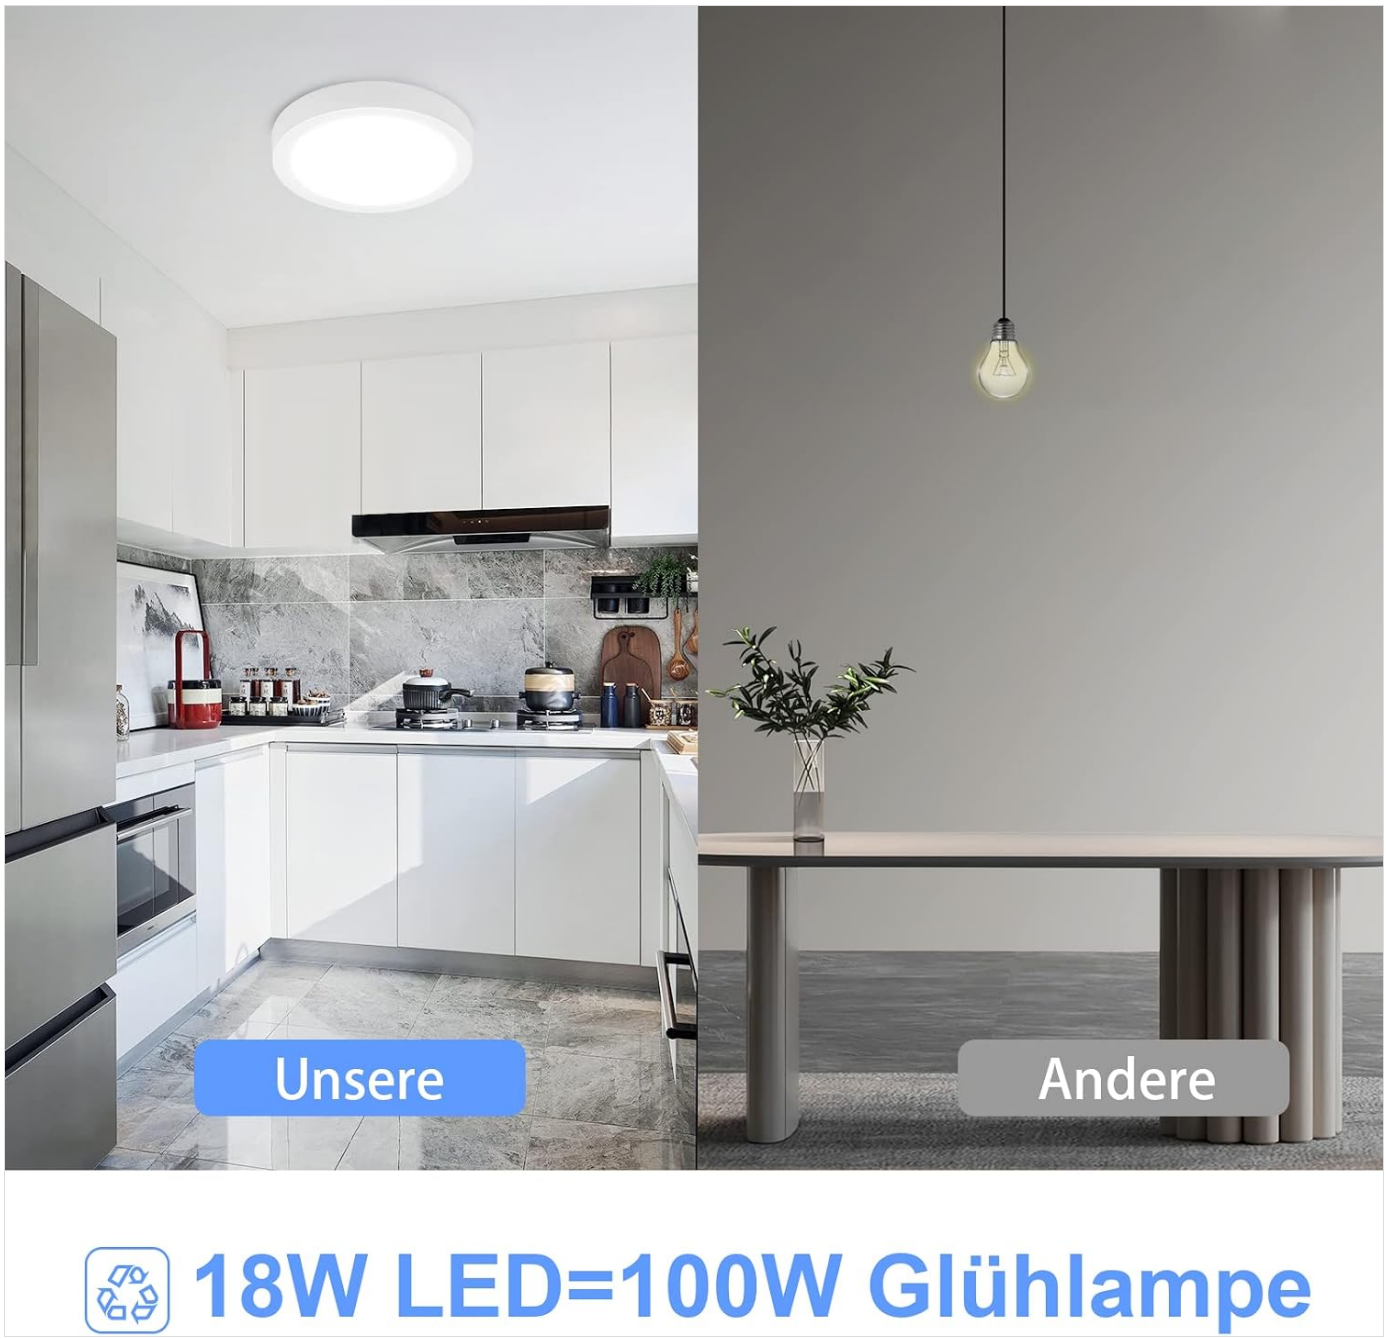

Image Description: A split image comparing the brightness of the Glitzerlife 18W LED ceiling light (left, labeled "Unsere" - Ours) in a kitchen setting against a traditional 100W incandescent bulb (right, labeled "Andere" - Other) in a dining room. This illustrates the energy efficiency where 18W LED equals 100W incandescent.

4. Package Contents

Please check the package for the following items:

- Glitzerlife 18W LED Round Flat Ceiling Light (1 unit)
- Mounting hardware (screws, wall plugs)
- Instruction Manual (this document)

5. Installation Instructions

Follow these steps for safe and proper installation of your ceiling light. Ensure the power supply is disconnected before starting.

1. **Step 1: Secure the Mounting Bracket.** Attach the mounting bracket to the ceiling using the provided screws.

Ensure it is firmly fixed.

2. **Step 2: Connect the Power Supply.** Install the power supply unit on the underside of the lamp and connect the two power cables (L/N).
3. **Step 3: Mount the Light Fixture.** Place the light fixture onto the bracket and secure it.
4. **Step 4: Test the Light.** Switch on the mains power to test the ceiling light and ensure it functions correctly.

Image Description: This image provides a four-step visual guide for installing the Glitzerlife LED ceiling light. It shows securing the bracket, connecting wires, attaching the lamp, and testing the light.

6. Operating Instructions

Once installed, the Glitzerlife LED Ceiling Light operates via a standard wall switch.

- **Turning On/Off:** Use the connected wall switch to turn the light on or off.
- **Application:** This light is suitable for various indoor spaces including living rooms, bedrooms, children's rooms, dining rooms, offices, kitchens, hallways, balconies, and basements.

Image Description: This image displays the Glitzerlife LED ceiling light installed in various rooms, including a hallway, living room, bedroom, and dining room, demonstrating its versatility for different indoor applications.

7. Maintenance

The Glitzerlife LED Ceiling Light requires minimal maintenance.

- **Cleaning:** Disconnect power before cleaning. Wipe the lampshade with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **LED Lifespan:** The integrated LED bulbs have a long lifespan and do not require replacement.

8. Troubleshooting

If you encounter issues with your ceiling light, refer to the following common problems and solutions:

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Light does not turn on.	No power supply, loose wiring, faulty switch.	Check circuit breaker. Ensure wiring connections are secure. Test the wall switch.
Light flickers.	Loose wiring, incompatible dimmer switch (if applicable).	Check wiring connections. Ensure a non-dimmable switch is used, or a compatible LED dimmer if dimming is intended.
Light is dim.	Incorrect power supply, dust accumulation.	Ensure correct voltage. Clean the lampshade.

9. Specifications

Feature	Detail
