Main Unit Controls and Ports

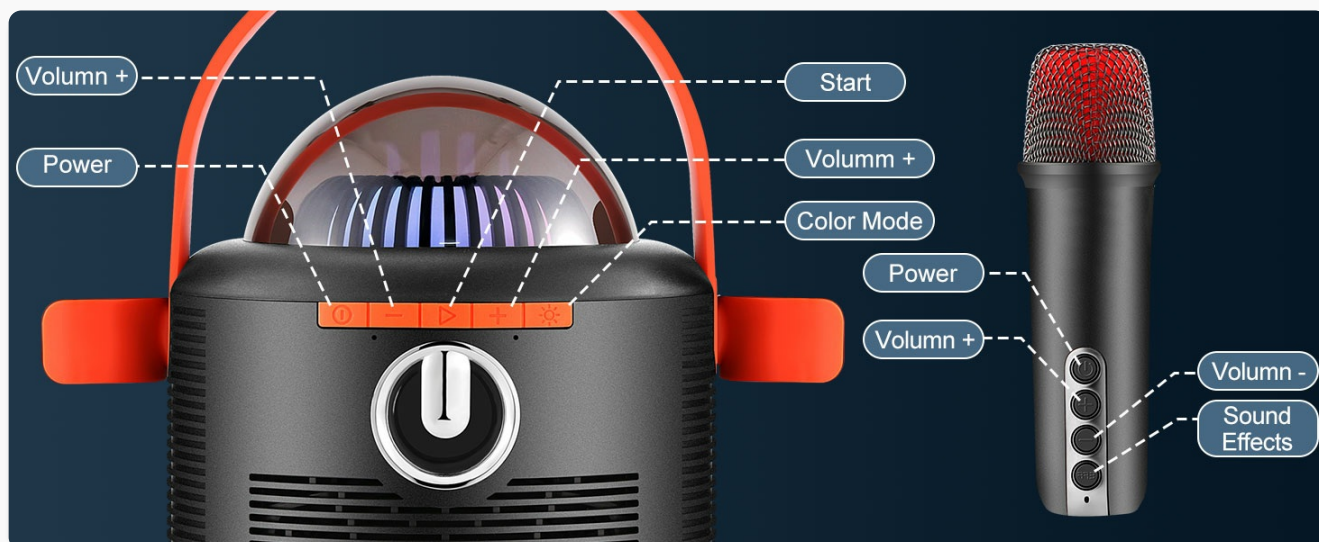

Image: A detailed diagram illustrating the buttons on the main karaoke machine unit and the wireless microphones, including power,

volume, play/pause, and sound effects.

- **Power Button:** Press and hold to turn the unit on/off. Short press to play/pause music.
- **Volume Controls (+/-):** Adjust the speaker volume.
- **Light Mode Button:** Cycle through different RGB dynamic light modes.
- **USB Port:** For USB drive playback.
- **TF Card Slot:** For TF (MicroSD) card playback.
- **AUX Input:** Connect external audio devices via a 3.5mm audio cable.
- **Charging Port:** USB-C port for charging the unit.

Wireless Microphones

- **Power Button:** Press and hold to turn the microphone on/off.
- **Volume Controls (+/-):** Adjust microphone volume.
- **Sound Effects Button (EFF):** Cycle through various voice change effects.
- **Original Sound Cancellation Button:** One-click to eliminate the original vocal track from music.

Setup

1. Charging the Device

Before first use, fully charge the karaoke machine and microphones. Connect the USB charging cable to the charging port on the main unit and a suitable USB power adapter (not included). The charging indicator will show the charging status. Repeat for the microphones.

2. Powering On

Press and hold the Power button on the main unit until the indicator light turns on. Do the same for each wireless microphone.

3. Microphone Pairing

The wireless microphones are pre-paired with the main unit. If they do not connect automatically, ensure both the main unit and microphones are powered on and within range. If issues persist, power cycle both devices.

Operating Instructions

1. Bluetooth Connection

To connect your ALPOWL Karaoke Machine to a Bluetooth-enabled device:

1. Turn on the karaoke machine. It will automatically enter Bluetooth pairing mode, indicated by a flashing light.
2. On your smartphone, tablet, or other Bluetooth device, enable Bluetooth and search for available devices.
3. Select "M17" from the list of devices to pair. A confirmation sound will indicate a successful connection.
4. You can now play music from your connected device through the karaoke machine.

Bluetooth 5.0

Compatible with
Multiple Devices/Apps

Maintenance

- **Cleaning:** Wipe the device with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the karaoke machine and microphones in a cool, dry place when not in use.
- **Battery Care:** To prolong battery life, charge the device regularly, even if not used frequently. Avoid fully discharging the battery for extended periods.

Troubleshooting

Problem	Possible Cause	Solution
Device does not power on.	Low battery; Power button not pressed correctly.	Charge the device fully. Press and hold the power button for 3-5 seconds.
Cannot connect via Bluetooth.	Bluetooth not enabled on source device; Device too far; Incorrect pairing.	Ensure Bluetooth is on and search for "M17". Move devices closer. Restart both devices and try pairing again.
No sound from speaker.	Volume too low; Incorrect input mode; Muted.	Increase speaker volume. Check if the correct input mode (Bluetooth, AUX, USB, TF) is selected. Ensure the source device is not muted.
Microphone not working.	Microphone off; Low battery; Not paired.	Turn on the microphone. Charge the microphone. Power cycle the main unit and microphone to re-establish connection.
Original sound cancellation not working.	Feature not activated; Song structure.	Press the dedicated button on the microphone. Note that the effectiveness of this feature can vary depending on the original song's mix.
