2. KEY FEATURES

- **Multifunctional Workstation:** Integrated double ledges allow for seamless multitasking such as cutting, washing, draining, and cooling food, saving valuable counter space.
- **Battery-free Temperature Display:** Features an innovative temperature display (in Celsius) powered by water flow, providing convenient access to water temperature without batteries.
- **Dual Water Flow Modes:** Easily switch between a relaxing waterfall mode for gentle washing and a powerful normal mode for efficient cleaning.
- **Elegant Waterfall Faucet:** Unique spout design creates a smooth water flow, ideal for washing dishes and food.
- **Versatile 3-function Spray Head:** The pull-out faucet head offers powerful spray, aerated flow, and gentle stream modes for maximum versatility and extended reach.
- **Large Capacity:** Ample space for washing and preparing food, accommodating larger cookware and utensils.

- **Durable Construction:** Made from food-grade 304 Stainless Steel with a scratch-resistant honeycomb embossed surface and nano-coated finish.

4. OPERATING INSTRUCTIONS

The Lefton KS2204-2A sink is designed for intuitive operation, enhancing your kitchen workflow.

4.1 Faucet and Water Flow Control

Use the main control knob to adjust water temperature and flow. The integrated digital display shows the current water temperature in Celsius. Switch between waterfall and normal spray modes using the dedicated buttons on the faucet panel. The pull-out spray head offers three distinct modes for various cleaning needs.

5. MAINTENANCE

Proper maintenance ensures the longevity and pristine appearance of your Lefton sink.

5.1 Cleaning Instructions

Regularly clean the sink and faucet with a soft cloth and mild soap or a non-abrasive cleaner. Rinse thoroughly with water and dry to prevent water spots. Avoid using harsh chemicals, abrasive pads, or steel wool, as these can damage the nano-coated stainless steel finish.

5.2 Preventing Scratches

While the sink features a scratch-resistant honeycomb surface, it is advisable to use the cutting board for chopping and avoid dragging sharp objects directly on the sink surface.

6. TROUBLESHOOTING

If you encounter any issues with your Lefton sink, refer to the following common troubleshooting tips:

- **Low Water Pressure:** Check if the water supply valves are fully open. Inspect the faucet aerator for mineral buildup and clean if necessary.
- **Temperature Display Not Working:** Ensure sufficient water flow, as the display is water-powered. Check for any obstructions in the water lines.
- **Drainage Issues:** Verify that the drain pipe components are correctly assembled and free from blockages. Ensure the drain basket is clear of debris.
- **Faucet Leaks:** Check all connections for tightness. If leaks persist, contact customer support.
- **Dishwasher Connection:** If connecting a dishwasher, ensure proper adapters and plumbing configurations are used, as regional standards may vary. Consult a professional plumber if unsure.

7. SPECIFICATIONS

Attribute	Detail
Brand	Lefton

Model Number	KS2204
Color	Grey (without knife holder)
Material	Food-class 304 Stainless Steel
Product Dimensions (D x W x H)	17.9"D x 29.3"W x 8.3"H (as per feature bullets) / 13.75"D x 27.75"W x 8.25"H (as per specifications)
Installation Type	Drop-in, Flushmount, Undermount
Finish Type	Brushed, Nano-coated
Item Weight	33 Pounds
Hole Count	2
Batteries Required?	No (for temperature display)
