voor hoge stabiliteit, zelfs
bij volledige belading

Anti-kantelbeveiliging
voor hoge stabiliteit, zelfs
bij volledige belading

Eenvoudige montage
uiterst simpele opbouw
binnen enkele minuten

The tectake 5-Tier Corner Shelf Unit, designed to fit neatly into room corners, provides practical storage and display space. It features a dark brown wood-look finish and a black metal frame, complementing various interior styles.

2. SAFETY INSTRUCTIONS

- Always follow the assembly instructions precisely. Incorrect assembly can lead to instability and injury.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Anti-Tip Protection:** This unit includes an anti-tip device. It is crucial to secure the shelf to the wall using the provided hardware to prevent tipping, especially in households with children or pets. Failure to do so can result in serious injury or death.
- Do not overload the shelves. Adhere to the maximum weight capacity specified in the 'Specifications' section.
- Distribute weight evenly on the shelves to maintain stability.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not climb on or hang from the shelf unit.

Detailed view of the sturdy wall anchoring for anti-tip protection, the height-adjustable non-slip plastic feet for stability, and the easy-care, scratch-resistant surface of the particle boards.

3. PACKAGE CONTENTS

Please check that all parts are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support.

- Corner Shelf Boards (5 pieces, varying sizes)
- Metal Frame Components (vertical supports, crossbars)
- Adjustable Plastic Feet
- Assembly Hardware (screws, bolts, Allen key)
- Anti-Tip Wall Anchoring Kit (wall plug, screw, strap)
- Assembly Manual (this document)

4. ASSEMBLY INSTRUCTIONS

Assembly is straightforward and can be completed in a few minutes. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the parts list.
2. **Attach Adjustable Feet:** Screw the adjustable plastic feet into the bottom of the metal frame supports.
3. **Assemble Frame:** Connect the metal frame components according to the diagrams, ensuring all connections are finger-tight initially.
4. **Install Shelf Boards:** Place each shelf board onto the designated frame sections, starting from the bottom. Secure each board with the provided screws. Ensure the largest shelf is at the bottom and sizes decrease towards the top.
5. **Tighten All Fasteners:** Once all shelves are in place, fully tighten all screws and bolts using the Allen key.
6. **Position and Level:** Place the assembled shelf unit in its desired corner. Adjust the plastic feet to ensure the unit is level and stable on uneven floors.
7. **Install Anti-Tip Device:** Securely attach the anti-tip strap to the top rear of the shelf unit. Mark the corresponding position on the wall, drill a hole, insert the wall plug, and fasten the strap to the wall with the screw. This step is critical for safety.

5. OPERATING INSTRUCTIONS

The tectake 5-Tier Corner Shelf Unit is designed for displaying decorative items, books, plants, and other lightweight objects. To ensure optimal use and stability:

- Place heavier items on the lower shelves to enhance stability.
- Distribute the weight evenly across each shelf.
- Do not exceed the maximum load capacity of 5 kg per shelf or 25 kg total for the unit.
- Avoid placing the unit in areas with high humidity or direct sunlight to prevent material degradation.

ABSOLUTE Allrounder

tectake
home

Deze uiterst chique kast in de hippe industriële stijl scoort met heldere lijnen, een luchtige constructie en meesterlijke stabiliteit. Dankzij de veelzijdige combinatiemogelijkheden kent dit juweeltje geen grenzen aan de plaatsingsmogelijkheden: perfect voor bij jou thuis.

The versatile corner shelf unit can be integrated into various rooms, including dining areas, living rooms, kitchens, and bedrooms, providing functional storage and display.

6. MAINTENANCE AND CARE

To keep your shelf unit in good condition, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Dusting:** Regularly dust the shelves with a dry, soft cloth.
- **Inspection:** Periodically check all connections and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Stability:** Ensure the adjustable feet are properly set to maintain the unit's stability.

7. TROUBLESHOOTING

- **Unit is wobbly:**
 - Check that all screws and bolts are fully tightened.

- Adjust the plastic feet to level the unit on uneven floors.
- Ensure the anti-tip device is securely installed and anchored to the wall.

- **Parts do not fit:**

- Review the assembly instructions to ensure parts are oriented correctly.
- Do not force parts together. If a part seems incorrect, double-check the part numbers or contact customer support.

- **Scratches on surface:**

- The particle boards are designed to be scratch-resistant. For minor scratches, furniture repair pens or waxes may be used.

8. PRODUCT SPECIFICATIONS

Detailed dimensions and technical specifications for the tectake 5-Tier Corner Shelf Unit.

Feature	Detail
