## HOOBRO BW14MZ03

# HOOBRO Cat Tree with Scratching Posts & Litter Box Enclosure Instruction Manual

Model: BW14MZ03

## PRODUCT OVERVIEW

The HOOBRO Cat Tree with Scratching Posts and Litter Box Enclosure (Model BW14MZ03) is an all-in-one furniture piece designed to meet the diverse needs of indoor cats. This versatile unit combines multiple functionalities, including a comfortable cat house, a cozy cat hammock, elevated observation decks, durable sisal scratching posts, and engaging detachable teaser sticks. A key feature is the integrated hidden litter box enclosure, providing privacy for your cat and maintaining a tidy living space. Constructed from premium particleboard, iron, flannelette, and sisal rope, this cat tree is built for stability and long-lasting use, ensuring a safe and enjoyable environment for your feline companions.

- **All-in-One Design:** Combines play, rest, and relaxation with a cat house, hammock, observation decks, sisal posts, and teaser sticks.
- **Hidden Litter Box:** Features a louver-type breathable double-door enclosure for privacy and tidiness, suitable for a litter box or storage.
- **Multiple Resting Places:** Includes spacious observation decks with soft plush cushions and a comfortable cat hammock. An additional square cat house offers extra leisure space.
- **Natural Instincts:** Designed with durable sisal posts for climbing and scratching, and soft plush balls with removable sticks for interactive play.
- **Quality Construction:** Made from premium particleboard with firmly connected parts for sturdy construction. Includes 4 adjustable feet for stability and floor protection.

## PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact HOOBRO customer support.

- Versatile Cat Tree Components (wooden panels, scratching posts, platforms, hammock, cat house)
- Accessory Kit (screws, bolts, tools)
- Anti-Tip Kit
- Instruction Manual (this document)

## SETUP AND ASSEMBLY

---

Assembly of the HOOBRO Cat Tree requires careful attention to detail. It is recommended to have two people for assembly to ensure stability and ease of construction. Follow the step-by-step instructions provided in the included accessory kit. Ensure all connections are firm and secure before allowing your cat to use the product.

1. Unpack all components and lay them out on a clean, flat surface. Identify each part using the provided diagrams.
2. Begin by assembling the base litter box enclosure, ensuring the louvered doors are correctly aligned and functional.
3. Attach the main support posts and the lower cat house to the base.
4. Proceed to attach the various platforms, scratching posts, and the cat hammock according to the numerical sequence in the assembly guide.
5. Securely attach the detachable teaser sticks to their designated points.
6. Install the anti-tip kit to a wall stud for enhanced stability, especially if you have active or multiple cats.
7. Adjust the 4 adjustable feet at the bottom to ensure the cat tree is level and stable on your floor.

## OPERATING AND USAGE

The HOOBRO Cat Tree is designed to provide a stimulating and comfortable environment for your cats. Encourage your cats to explore all levels and features.

- **Scratching Posts:** The sisal-wrapped posts are ideal for cats to sharpen their claws, helping to protect your furniture.
- **Observation Decks:** Cats enjoy elevated positions. The multiple platforms provide excellent vantage points for observation and napping.
- **Cat Hammock:** A soft, cozy spot for your cat to relax and sleep.
- **Cat House:** The enclosed cat house offers a private and secure space for rest and retreat.
- **Teaser Sticks:** The detachable sticks with plush balls provide interactive play opportunities. You can remove them for solo play or use them to engage with your cat.

- **Litter Box Enclosure:** Place a standard litter box inside the bottom cabinet for a discreet and contained litter area. The louvered doors ensure ventilation.

## MAINTENANCE

Regular maintenance will extend the life of your HOOBRO Cat Tree and ensure a hygienic environment for your pets.

- **Cleaning the Litter Box Enclosure:** Regularly remove the litter box for cleaning. Wipe down the interior surfaces of the enclosure with a pet-safe cleaner. Ensure the area is dry before replacing the litter box.
- **Surface Cleaning:** For general cleaning of the particleboard and flannelette surfaces, use a damp cloth and mild, pet-safe detergent. Avoid harsh chemicals that could be harmful to your cat.
- **Sisal Posts:** The sisal rope is designed for scratching. Over time, it may show wear. While not explicitly stated, "Hand Wash Only" for care instructions suggests spot cleaning for fabric parts.
- **Check Connections:** Periodically check all screws and connections to ensure they remain tight and secure. Tighten as necessary to maintain stability.

## TROUBLESHOOTING

If you encounter any issues with your HOOBRO Cat Tree, please refer to the following common solutions:

Problem	Possible Cause	Solution
<b>Instability/Wobbling</b>	Loose connections; uneven floor; anti-tip kit not installed.	Ensure all screws are tightened. Adjust the leg levelers at the base. Install the anti-tip kit securely to a wall stud.
<b>Teaser Sticks Detaching</b>	Normal wear from cat play; not fully secured.	Re-insert the sticks firmly into their holes. These are designed to be detachable for interactive play. If lost, replacements may be available from the manufacturer.
<b>Cats Not Using Scratching Posts</b>	Preference for other surfaces; unfamiliarity.	Encourage use by sprinkling catnip on the sisal posts. Gently guide your cat's paws to the posts.
<b>Litter Box Odor</b>	Infrequent cleaning; inadequate ventilation.	Clean the litter box and enclosure regularly. The louvered doors provide ventilation, but ensure the room is also well-ventilated.
