TT-HE017-WM, TT-TF007, TT-TF008

Generic Remote Control User Manual

FOR TAOTRONICS TT-HE017-WM, TT-TF007, TT-TF008 EVAPORATIVE AIR COOLER TOWER FANS

This manual provides essential instructions for the setup and operation of your replacement remote control.

1. Product Overview

This is a replacement infrared (IR) remote control designed for specific TaoTronics evaporative air cooler and tower fan models. It is important to verify compatibility with your device before use.

1.1. Compatibility

This remote control is compatible with the following TaoTronics models:

- TT-HE017-WM
- TT-TF007
- TT-TF008

Important: If your specific model number is not listed above, this remote control may not function correctly with your device. Please confirm compatibility before proceeding.

1.2. What's in the Box

The package includes:

- 1 x Remote Control

Batteries are not included and must be purchased separately.

2. Setup Instructions

2.1. Battery Installation

The remote control requires 2 AAA batteries (not included).

1. Locate the battery compartment on the back of the remote control.
2. Gently slide open the battery compartment cover.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Close the battery compartment cover until it clicks securely into place.

Note: Ensure batteries are inserted correctly. Incorrect insertion can prevent the remote from

functioning.

Figure 1: Remote control with battery tray removed for battery insertion.

Figure 2: Rear view of the remote control, indicating the battery compartment location.

3. Operating the Remote Control

Once batteries are installed, the remote control is ready for use. Point the remote directly at the infrared receiver on your TaoTronics air cooler or tower fan.

3.1. Basic Functions

The remote control typically includes buttons for the following functions:

- **Power Button:** Turns the device on or off.
- **Mode Button:** Cycles through different operating modes (e.g., fan, evaporative cooling, misting).
- **Fan Speed Buttons:** Adjusts the fan speed (e.g., increase/decrease arrows).
- **Timer Button:** Sets or cancels the device's timer function.

- **Oscillation Button:** Activates or deactivates the oscillation feature.

Figure 3: Front view of the remote control with clearly labeled buttons.

Important Note: As a replacement item, this remote control may not support all functions available on the original remote or may have slightly different button layouts. Some advanced features of your device might not be accessible via this replacement remote.

4. Care and Maintenance

4.1. Cleaning

Wipe the remote control with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.

4.2. Battery Replacement

Replace batteries when the remote control's range decreases or it stops responding. Always replace both batteries at the same time with new ones of the same type (AAA).

4.3. Storage

If the remote control will not be used for an extended period, remove the batteries to prevent leakage and damage.

5. Troubleshooting

5.1. Remote Control Not Responding

- **Check Batteries:** Ensure batteries are inserted correctly with the correct polarity (+/-). Replace old batteries with new AAA batteries.
- **Line of Sight:** Make sure there are no obstructions between the remote control and the device's IR receiver.
- **Distance:** Operate the remote within the recommended range of your device.
- **Compatibility:** Reconfirm that your device model is listed as compatible with this remote control.

5.2. Some Functions Do Not Work

- **Replacement Limitations:** This is a replacement remote. It may not support all functions of the original remote. Refer to your device's original manual for specific function availability.

6. Product Specifications

Feature	Detail
Compatible Devices	TaoTronics TT-HE017-WM, TT-TF007, TT-TF008
Connectivity Technology	Infrared (IR)
Power Source	2 x AAA Batteries (not included)
Item Weight	1.6 ounces (approx. 45 grams)
Package Dimensions	5 x 3 x 2 inches (approx. 12.7 x 7.6 x 5.1 cm)
Manufacturer	SZHKHXD
Brand	Generic

7. Warranty and Support

As a generic replacement product, specific warranty information may vary. Please refer to the seller's return policy or contact the seller directly for support regarding this remote control. For issues related to your TaoTronics air cooler or tower fan, please consult its original user manual or contact TaoTronics customer support.
