2. SAFETY INFORMATION

To ensure safe operation, observe the following precautions:

- Keep the trimmer out of reach of children.
- Do not immerse the trimmer in water.
- Ensure the charging cable is undamaged before use.
- Do not use the trimmer if the blades are damaged.
- Avoid exposing the trimmer to extreme temperatures.

For further safety details, refer to the included safety leaflet.

3. PRODUCT FEATURES

Video 3.1: Overview of the MI Xiaomi Beard Trimmer 2C's key features and benefits.

4. GETTING STARTED

4.1. Charging the Trimmer

Before first use, fully charge the trimmer. Connect the USB Type-C charging cable to the trimmer and a compatible power source. The LED indicator will show the charging status.

- A full charge takes approximately 2 hours.
- The trimmer provides up to 90 minutes of cordless runtime.

4.2. Attaching and Removing Beard Combs

To attach a beard comb, align the comb with the trimmer head and push it gently until it clicks into place. To remove, pull the comb away from the trimmer head.

5. OPERATING INSTRUCTIONS

5.1. Power On/Off

Press the power button to turn the trimmer on or off.

5.2. Adjusting Length Settings

Rotate the integrated dial to select your desired trimming length. The trimmer offers 40 length settings for various beard styles.

LED Indicator

Image 5.1: Close-up of the dial for adjusting the 40 length settings.

5.3. Trimming

Move the trimmer against the direction of hair growth for an even trim. For precise lines, remove the comb attachment and use the bare blade.

Video 5.2: Demonstration of the trimmer's 0.5mm precision for detailed styling.

5.4. Battery Indicator

The LED lights on the trimmer indicate the remaining battery charge:

- LED 1 blinks: Less than or equal to 10% charge.
- LED 1 is on: 11% - 30% charge.
- LED 1 & 2 are on: 31% - 59% charge.
- LED 1, 2 & 3 are on: More than or equal to 60% charge.

6.2. Blade Care

The trimmer features self-sharpening stainless steel blades. For optimal performance, ensure the blades are kept clean and free of debris.

7. TRAVEL AND SAFETY FEATURES

7.1. Safety Lock

To activate the safety lock, press and hold the power button for 3 seconds. This prevents accidental activation during travel or storage. Repeat the action to deactivate the safety lock.

Safety lock

Press for 3 seconds to get into safety lock and vice-versa.
