## Ceenwes B0C13PFB11

# Ceenwes Ultra-Sharp Blade and Powerful Motor Dog Clippers Instruction Manual

Model: B0C13PFB11

## INTRODUCTION

Welcome to your new Ceenwes Dog Clippers. This manual provides essential information for the safe and effective use, maintenance, and care of your grooming tool. Please read thoroughly before first use to ensure optimal performance and safety for your pet.

## PRODUCT OVERVIEW & WHAT'S INCLUDED

Your Ceenwes Dog Clippers kit is designed for efficient and quiet pet grooming, offering a comprehensive solution for maintaining your pet's coat.

### Key Features:

- Ultra-sharp Blade and Powerful Motor:** Features upgraded stainless steel and ceramic sharp blades with a powerful motor for smooth grooming.
- Low Noise Operation:** Operates at less than 60 dB, designed to keep pets calm during grooming.
- 5 Sizes Fine Tuning Knob:** Adjustable knob (0.8/1.1/1.4/1.7/2.0 mm) for versatile hair lengths.
- USB Chargeable & Cordless:** Equipped with a Li-ion battery, offering 4 hours of working time after 3 hours of charging. Includes 1 USB cable and 1 adapter.

### Included Components:

- 1 Ceenwes Dog Clipper
- 1 Stainless Steel Scissor
- 1 Stainless Steel Comb

- 4 Guide Guards (3/6/9/12mm)
- 1 USB Cable
- 1 Adapter
- 1 Cleaning Brush
- 1 Small Bottle of Oil

The complete Ceenwes Dog Clippers kit, including the main clipper, various guide combs, scissors, comb, charging cable, adapter, cleaning brush, and oil.

## SETUP

### 1. Charging the Clippers

1. Connect the provided USB cable to the clipper and the adapter.
2. Plug the adapter into a power outlet.
3. Allow approximately 3 hours for a full charge, which provides up to 4 hours of cordless operation.

## 2. Attaching Guide Guards

1. Select the desired guide guard (3mm, 6mm, 9mm, or 12mm) based on the preferred hair length.
2. Align the guide guard with the clipper blade.
3. Slide the attachment comb onto the teeth of the blade until it clicks securely into place.
4. To remove, push the comb upward from the blade.

## OPERATING INSTRUCTIONS

### General Grooming Steps:

1. Ensure your pet's coat is clean and dry before grooming.
2. Charge the trimmer using the provided USB cable and adapter.
3. Attach the appropriate guard length to the trimmer based on the desired hair length.
4. Turn on the trimmer and gently guide it over the pet's coat in the direction of hair growth.
5. Use the stainless steel scissors to trim around sensitive areas or for detailed work.
6. Use the stainless steel comb to detangle and smooth the pet's coat before and during trimming.

### Fine Tuning Knob:

The clipper features a 5-size fine tuning knob (0.8/1.1/1.4/1.7/2.0 mm) located on the clipper body. Rotate this knob to precisely adjust the blade length for different grooming needs without changing the guide comb.

### Low Noise Operation:

The Ceenwes clippers are engineered to operate with noise levels below 60 dB. This low-noise design helps reduce anxiety and stress for pets during grooming sessions, making the experience more comfortable for them.

### Cordless Convenience:

With its built-in Li-ion battery, the clippers provide up to 4 hours of cordless operation on a single 3-hour charge. This allows for greater flexibility and maneuverability during grooming, without the restriction of a power cord.

## MAINTENANCE

1. Clean the trimmer and other components thoroughly after each use to maintain hygiene and performance.
2. Use the provided cleaning brush to remove any hair from the blades.
3. Apply a few drops of the included oil to the blades regularly to ensure smooth operation and prolong their lifespan.
4. Store the kit in a safe, dry place, keeping it out of reach of children.

## SAFETY INFORMATION

- Handle with care to avoid injury to yourself or your pet.
- Keep away from water when in use or charging to prevent electrical hazards.
- Use caution when trimming sensitive areas of your pet.
- Not for use on humans.
- Keep out of reach of children.

## SPECIFICATIONS
