- **Tall Wingback Headboard:** A 51.2-inch high padded wingback headboard provides full support, ideal for reading or relaxing.
- **Durable Linen Upholstery:** Upholstered in soft, breathable, and easy-to-clean light grey linen.
- **No Box Spring Needed:** Features sturdy wooden slats and solid wood legs for direct mattress support.
- **Quiet, Creak-Free Sleep:** Anti-slip Velcro and EVA foam bars minimize noise and movement.

## 2. Setup and Assembly

---

Assembly of your Jocisland bed frame is designed to be quick and straightforward. All necessary parts are labeled, and tools are included. For optimal efficiency and safety, assembly is recommended for two people and typically takes about 30 minutes.

### Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and verify against the parts list in your included installation manual. Ensure all parts are present and undamaged.

### 3. Operating Instructions

The Jocisland bed frame is designed for straightforward use with various mattress types.

- **Mattress Compatibility:** This Queen bed frame is compatible with Queen size mattresses ranging from 8 to 16 inches in height. A box spring is not necessary due to the robust slat system.
- **Quiet Operation:** The integrated anti-slip Velcro and EVA foam on the wooden slats are engineered to minimize noise and prevent mattress shifting, ensuring a quiet and stable sleep environment.
- **Headboard Comfort:** The tall wingback headboard provides excellent back support for sitting up in bed, whether for reading, working, or watching media.

#### 4. Maintenance

Proper maintenance will extend the life and appearance of your bed frame.

- **Upholstery Care:** The light grey linen upholstery is designed to be easy to clean. For general cleaning, gently wipe with a soft, damp cloth. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.

## 5. Troubleshooting

If you encounter any issues with your bed frame, consider the following common solutions:

- **Wobbling or Instability:** If the bed frame feels wobbly, ensure all bolts and fasteners are fully tightened. Refer to the assembly instructions and re-tighten each connection point.
- **Noise/Creaking:** Check that all slats are properly seated and the anti-slip Velcro and EVA foam are correctly positioned. Ensure the mattress is centered and not causing undue pressure on any single point. Re-tighten all frame connections.

- **Missing Parts:** If you believe parts were missing upon delivery, immediately contact Jocisland customer support with your purchase details. Do not attempt to assemble the frame with incomplete parts.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure you have sufficient space and, if possible, a second person to assist, as some steps are easier with two people.
