Amyove PHO_0XTD

Amyove Queen Size Bed Frame with LED Lights and Rattan Headboard - Instruction Manual

Model: PHO_0XTD

INTRODUCTION

Thank you for choosing the Amyove Queen Size Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

Important Safety Warnings:

- Do not exceed the maximum weight capacity of **1000 lbs**. Overloading can lead to structural failure and injury.
- Be cautious of sharp edges during assembly and use. Handle all components with care to prevent cuts or scrapes.
- Always follow the assembly instructions carefully to prevent instability or collapse. Ensure all fasteners are securely tightened.
- Keep small parts and packaging materials away from children to avoid choking hazards.
- Periodically check all connections and fasteners to ensure they remain tight. Retighten as necessary.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard (with curved rattan panels)
- Footboard
- Side Rails
- Wooden Slats
- Center Support Beam and Legs
- LED Light Strip and Remote Control
- Assembly Hardware (screws, bolts, Allen wrench)
- Foam Seal Tape (for silent operation)
- Instruction Manual

No additional tools are required for assembly; an Allen wrench is included.

SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the included assembly guide. It is recommended to assemble the bed frame with two people.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Headboard and Footboard:** Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. **Install Center Support:** Assemble and attach the center support beam and its legs to the frame. This provides crucial stability.
4. **Place Wooden Slats:** Lay the wooden slats across the frame. The foam seal tape should be applied to the frame where the slats rest to ensure silent operation. Secure the slats as indicated in the assembly guide.
5. **Install LED Lights:** Attach the LED light strip to the designated area on the headboard. Connect it to the power source as instructed.
6. **Final Check:** Double-check all screws and bolts to ensure they are fully tightened before placing your mattress on the frame.

OPERATING INSTRUCTIONS (LED LIGHTS)

The integrated LED lights in the headboard can be controlled using the included remote control.

1. **Power On/Off:** Press the power button on the remote to turn the LED lights on or off.
2. **Color Selection:** Use the color buttons on the remote to choose from various static colors.
3. **Brightness Adjustment:** Adjust the brightness levels using the designated buttons.
4. **Mode Selection:** Select different lighting modes (e.g., flash, fade, strobe) using the mode buttons.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your bed frame.

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish. For rattan, use a soft brush or vacuum with a brush attachment to remove dust.
- **Dusting:** Regularly dust the bed frame to prevent buildup.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood and rattan.

- **Inspections:** Periodically inspect all hardware and connections. Tighten any loose screws or bolts to maintain structural integrity and prevent squeaks.

TROUBLESHOOTING

If you encounter issues with your bed frame, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed frame is wobbly or unstable.	Loose connections or incorrect assembly.	Ensure all screws and bolts are fully tightened. Review assembly instructions to confirm correct component placement.
Squeaking noises.	Loose slats or friction between components.	Check that all slats are properly seated and secured. Ensure foam seal tape is correctly applied. Tighten all frame connections.
LED lights not working.	Power connection issue, remote battery, or faulty strip.	Check if the LED strip is properly plugged into the power source. Replace remote control batteries. If issues persist, contact customer support.
Missing or damaged parts upon arrival.	Shipping damage or packaging error.	Do not attempt to assemble with missing or damaged parts. Contact customer support immediately for replacements.

PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	PHO_0XTD
Size	Queen
Product Dimensions (L x W x H)	84.1" x 60.6" x 41.14"
Material	Solid Wood, Rattan
