

LEFXMOPHY SB01-RC

LEFXMOPHY SB01-RC Silicone Remote Control Case User Manual

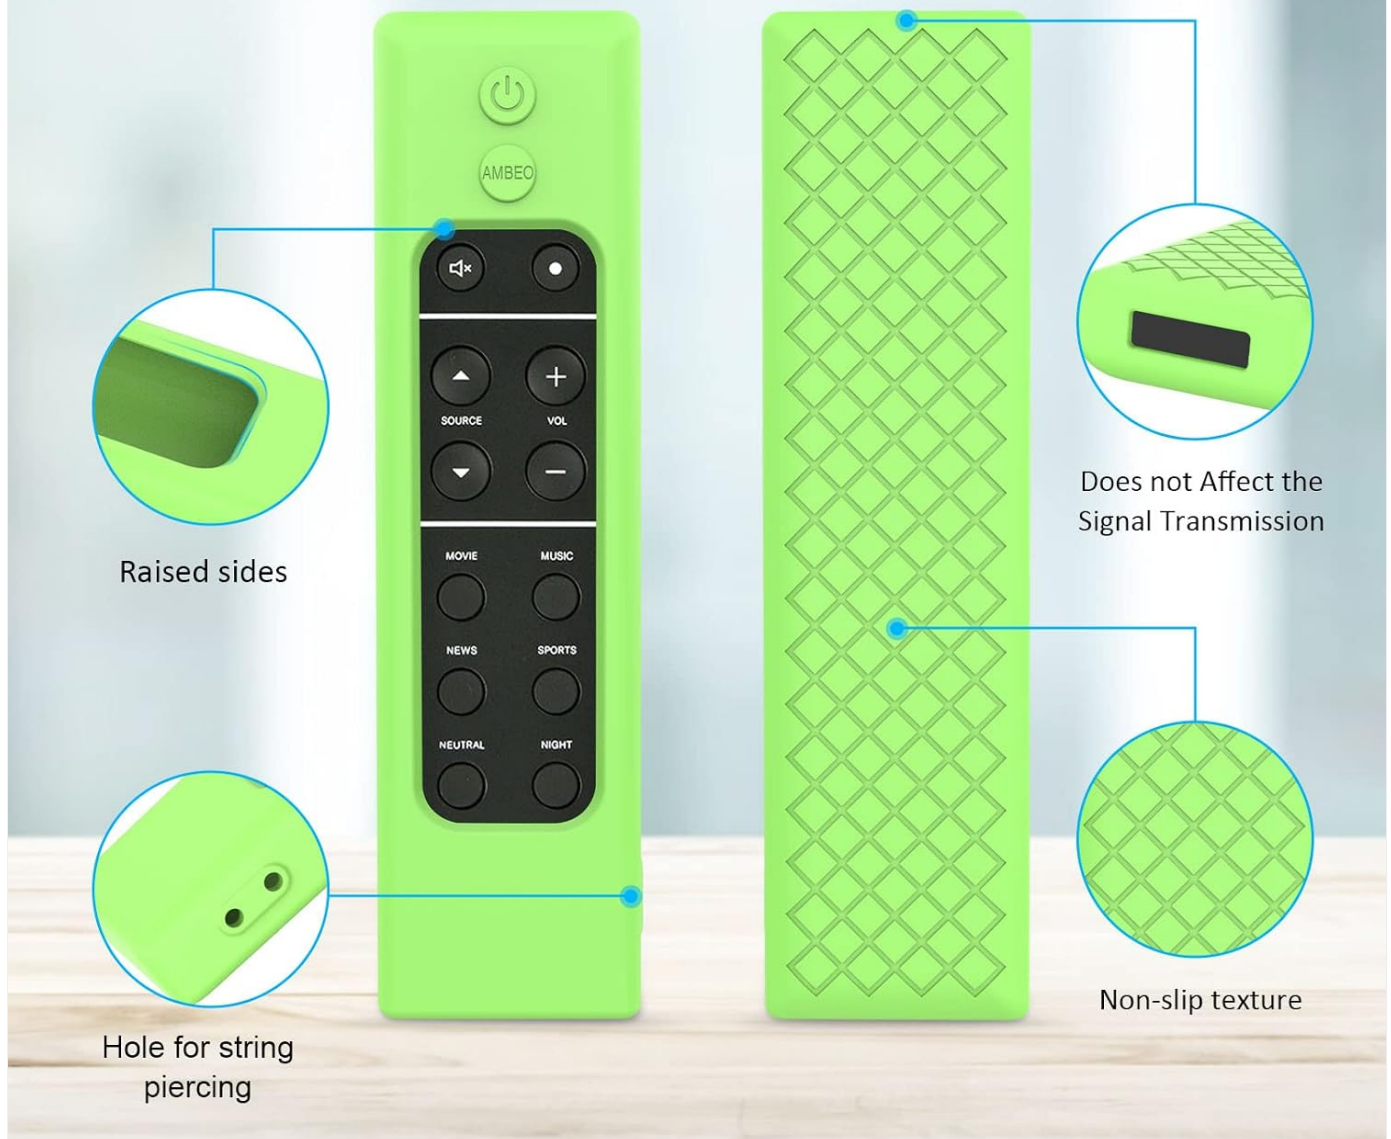

INTRODUCTION

This manual provides instructions for the LEFXMOPHY SB01-RC Silicone Remote Control Case, designed to protect and enhance the grip of your Sennheiser Ambeo Max Soundbar remote control (compatible models include SB01-AUS, SB01-CCC, SB01-EU, SB01-UK, SB01-US).

PRODUCT FEATURES

- **Compatibility:** Specifically designed for Sennheiser SB01 series soundbar remote controls.
- **Enhanced Protection:** Soft and lightweight silicone material provides comprehensive protection against drops, scratches, and dust.
- **Glow in the Dark:** Luminous material glows in the dark after exposure to light, making the remote easy to locate in low-light conditions.
- **Full Accessibility:** Precise cutouts ensure full access to all buttons, ports, and functions. A topside hole maintains signal transmission, and a bottom hole allows for easy charging.
- **Improved Grip:** Features a non-slip texture and raised sides for a secure and comfortable hold.
- **Washable Design:** Easy to clean; simply wash with water if it gets dirty.
- **Premium Material:** Made from environmentally friendly, soft, and durable silicone.

INSTALLATION INSTRUCTIONS

Follow these steps to install your Sennheiser Ambeo Max Soundbar remote control into the LEFXMOPHY SB01-RC silicone case:

1. Ensure your remote control is clean and free of debris.
2. Gently stretch the silicone case from the top opening.
3. Carefully slide the remote control into the case, starting from the top (button side first).
4. Adjust the case to ensure all buttons align correctly with the case's cutouts.
5. Verify that the signal transmission area and charging port are unobstructed.
6. If desired, attach a wrist strap through the designated hole at the bottom of the case for added security.

CARE AND MAINTENANCE

- To clean the silicone case, first remove the remote control.
- Wash the case with mild soap and water.
- Rinse thoroughly and allow it to air dry completely before reinserting the remote control.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the silicone material.

GLOW IN THE DARK FEATURE

The LEFXMOPHY SB01-RC silicone case features a luminous material that glows in the dark. To activate this feature:

- Expose the case to a light source (e.g., sunlight, room light, or a lamp) for a period of time.

- The longer the exposure, the brighter and longer the glow will last in a dark environment.
- The glow will gradually fade over time and can be recharged by re-exposing it to light.

Shell Type	Soft
Item Weight	2.98 ounces
Package Dimensions	4.72 x 3.94 x 0.39 inches

TROUBLESHOOTING

Case Fit Issues

If the case does not fit your remote control correctly:

- Ensure your remote control is a Sennheiser Ambeo Max Soundbar remote (models SB01-AUS, SB01-CCC, SB01-EU, SB01-UK, SB01-US).
- Double-check that the remote is inserted correctly and fully seated within the case.
- Gently stretch the silicone to align it properly with the remote's contours.

Glow in the Dark Not Working

If the case is not glowing in the dark:

- Ensure the case has been exposed to sufficient light for an adequate period.
- The glow effect is most noticeable in complete darkness.
