

Bushnell iON Elite

Bushnell iON Elite White Golf GPS Watch Instruction Manual

Model: iON Elite (362151)

1. INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your Bushnell iON Elite White Golf GPS Watch. Designed to enhance your golf experience, this device offers precise distance measurements and course information to support your game.

2. SETUP

2.1. What's in the Box

- 1x Bushnell iON Elite White Golf GPS Watch
- 1x Wearable4U Cloth
- 1x Magnetic USB Charging Cable

2.2. Charging the Device

Before initial use, fully charge your iON Elite watch. Connect the magnetic USB charging cable to the charging pins on the back of the watch and to a USB power source. A full charge typically provides up to 12 hours of battery life in Play Golf Mode or over 2 weeks in Watch Mode.

Figure 2: Magnetic USB Charging Cable connection point on the watch.

2.3. Initial Power On and Course Updates

Press and hold the main button to power on the watch. The iON Elite comes preloaded with over 38,000 worldwide courses. For automatic updates and course requests, connect the watch via Bluetooth to the Bushnell Golf Mobile App on your smartphone.

3. OPERATING INSTRUCTIONS

3.1. GPS Distances (Front/Center/Back & Slope)

The watch displays large, easy-to-read distances to the front, center, and back of the green. The iON Elite is the first watch to feature Bushnell Golf's patented Slope Technology, providing play-as distances that account for the hole's incline or decline.

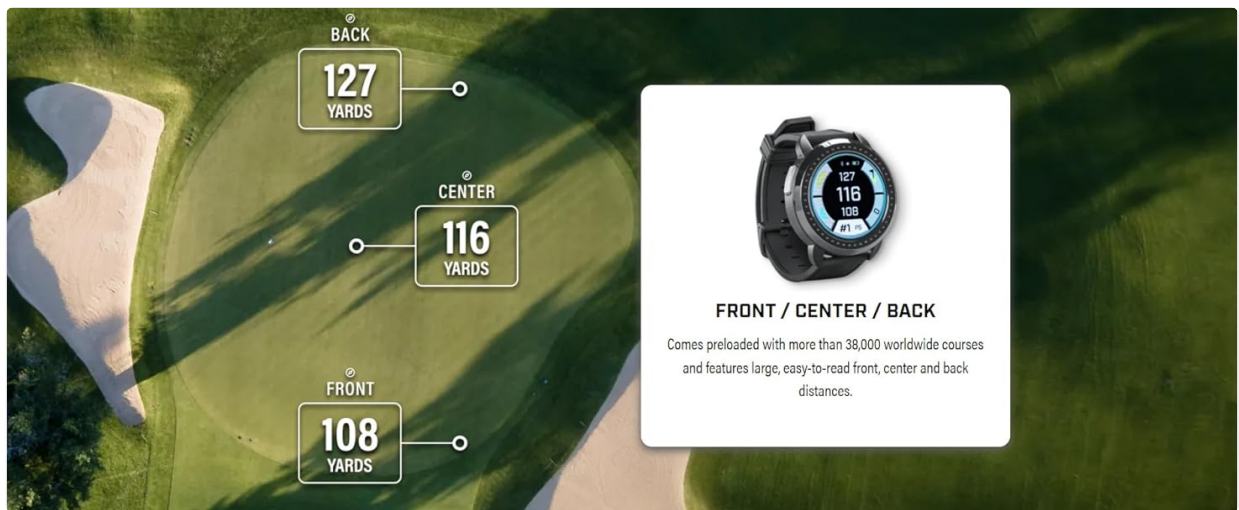

Figure 3: Front, Center, and Back distances displayed on the watch.

3.2. HoleView & Shot Planning

The HoleView screen allows you to view the layout of the hole. With Shot Planning enabled, you can get precise distances to any point on the hole by touching the screen.

Figure 4: HoleView with Shot Planning feature.

3.3. GreenView with Movable Pin Placement

This feature allows you to see the shape of the green and adjust the pin location for heightened accuracy. Simply touch and drag the pin on the screen to its current position.

Figure 5: GreenView with movable pin placement.

3.4. Hazard Distances

The watch provides distances to various hazards and layup points on each hole. You can get up to 6 hazard/layup distances per hole.

3.5. Scorekeeping

The iON Elite allows you to keep score for your rounds. You can track strokes, putts, fairways hit, and greens in regulation (GIR). The watch supports Stroke Play, Stableford, and Modified Stableford formats.

3.6. Shot Distance Calculator

Measure the distance of your shots. Tap the Shot Distance option, hit your shot, and walk to your ball. The watch will automatically calculate the distance traveled.

4. SETTINGS

Access the settings menu to customize your watch preferences:

- **Units:** Switch between Yards and Meters for distance measurements.
- **Score Mode:** Choose between Off, Basic (strokes only), or Advanced (strokes, putts, fairways, GIR).
- **Score Format:** Select Stroke Play, Stableford, or Modified Stableford.
- **Display:** Adjust brightness and screen timeout settings.
- **Notifications:** Enable/disable pop-up notifications, call sounds, and text sounds from your connected smartphone.
- **Language:** Select your preferred language.
- **Time:** Set time format, time zone, and daylight savings.
- **Bluetooth:** Manage Bluetooth connectivity for pairing with the Bushnell Golf Mobile App.
- **Alarm:** Set up to five alarms.
- **Auto Hole Advance:** Enable or disable automatic advancement to the next hole.

5. MAINTENANCE

To ensure optimal performance and longevity of your Bushnell iON Elite watch, follow these maintenance guidelines:

- **Cleaning:** Use the provided Wearable4U cloth to gently clean the watch face and body. Avoid abrasive cleaners or solvents.
- **Storage:** Store the watch in a cool, dry place when not in use.
- **Charging:** Ensure the magnetic charging cable is securely connected during charging to prevent interruptions.

6. TROUBLESHOOTING

If you encounter issues with your iON Elite watch, consider the following:

- **Charging Problems:** If the watch is not charging, ensure the magnetic cable is properly aligned with the charging pins. Clean the pins and contacts if necessary.
- **GPS Signal Issues:** Ensure you are in an open area with a clear view of the sky for optimal GPS signal acquisition.
- **Incorrect Yardages/Mapping:** Connect the watch to the Bushnell Golf Mobile App to check for and install the latest course updates.
- **Software Glitches:** A factory reset option is available in the settings menu if persistent software issues occur.

7. SPECIFICATIONS

Feature	Detail
Item Weight	1.34 ounces
Product Dimensions	4.84 x 2.28 x 2.95 inches
Item Model Number	362151
Batteries	1 Lithium Ion batteries required (included)
Display Size	1.28 Inches
Battery Life (Play Golf Mode)	12 Hours
Voice Command	Buttons, Dial, Touchscreen
Special Feature	Auto Course Recognition, Auto Hole Advance, Bluetooth, Call and Text Notifications, Touchscreen
Connectivity Technology	Bluetooth
Map Type	Topographical
