Matchbox 1990 Toyota MR2 W20 Moving Parts Die-Cast Vehicle User Manual

Model: 887961672039

INTRODUCTION

This manual provides essential information for the proper handling, operation, and care of your Matchbox 1990 Toyota MR2 W20 die-cast vehicle. This model is part of the Moving Parts collection, featuring functional elements for enhanced play and display.

The Matchbox 1:64 scale cars are reproductions of popular car brands, designed with true-to-life decoration and rolling wheels. This particular model, the 1990 Toyota MR2 W20, includes moving parts such as opening doors, hood, or trunk, depending on the specific design.

PRODUCT OVERVIEW

Image: The Matchbox 1990 Toyota MR2 W20 die-cast vehicle, presented in its original packaging. The packaging highlights the "Moving Parts" feature and indicates it is made with recycled zinc. The car itself is white, showcasing its detailed design and the ability for parts like doors to open.

The Matchbox 1990 Toyota MR2 W20 is a highly detailed 1:64 scale die-cast replica. It features realistic design elements and functional moving parts, which may include opening doors, an opening hood, or an opening trunk, allowing for interactive play and display.

- **Scale:** 1:64
- **Features:** Moving parts (e.g., opening doors, hood, or trunk)
- **Material:** Die-cast metal, made with recycled zinc
- **Authenticity:** Official licensed Toyota product

SETUP

The Matchbox 1990 Toyota MR2 W20 is ready for use directly out of its packaging. No assembly is required.

1. Carefully remove the vehicle from its blister packaging.
2. Inspect the vehicle for any visible damage or manufacturing defects.

3. Ensure all moving parts operate smoothly.

OPERATING INSTRUCTIONS

This die-cast vehicle is designed for both play and display. Its primary interactive feature is the "Moving Parts" mechanism.

- **Rolling Wheels:** The vehicle features free-rolling wheels, allowing it to be pushed or rolled across smooth surfaces.
- **Moving Parts:** Gently open and close the designated moving parts (e.g., doors, hood, or trunk) as indicated on the packaging or by the vehicle's design. Apply light pressure to avoid damage.
- **Display:** The vehicle can be displayed on a flat, stable surface.

Note: The specific moving parts may vary slightly between different models in the "Moving Parts" series. Refer to the product packaging for details specific to the 1990 Toyota MR2 W20.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your die-cast vehicle.

- **Cleaning:** Wipe the vehicle gently with a soft, dry cloth to remove dust and fingerprints. Do not use abrasive cleaners, solvents, or excessive water, as these can damage the paint finish or moving parts.
- **Storage:** Store the vehicle in a cool, dry place away from direct sunlight and extreme temperatures to prevent fading or material degradation.
- **Handling:** Handle the vehicle by its main body. Avoid applying excessive force to the moving parts or delicate details.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Moving part is stiff or stuck.	Dust or debris in the hinge mechanism; minor misalignment.	Gently try to work the part back and forth. Do not force it. Use a soft brush to clear any visible debris. If it remains stuck, contact customer support.
Paint chipping or fading.	Rough handling; exposure to harsh chemicals or direct sunlight.	This is typically wear and tear. Ensure proper handling and storage as outlined in the Maintenance section.

For issues not listed here, or if solutions do not resolve the problem, please refer to the Warranty and Support section.

SPECIFICATIONS

Attribute	Detail
