## Safety Information

To reduce the risk of fire, electric shock, or injury, basic safety precautions should always be followed, including:

- Read all instructions.
- Do not immerse the motor base in water or other liquids.
- Close supervision is necessary when any appliance is used by or near children.
- Unplug from outlet when not in use, before putting on or taking off parts, and before cleaning.
- Avoid contact with moving parts.
- Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions or has been dropped or damaged in any manner.
- The use of attachments not recommended or sold by the manufacturer may cause fire, electric shock, or injury.
- Do not use outdoors.
- Do not let cord hang over edge of table or counter, or touch hot surfaces.

## Product Features

- **Press to Start:** The machine starts grinding when the lid is pressed down; releasing your hand stops the grinding. The longer you grind, the finer the result.
- **Super Silent Operation:** With an average noise level of 63 dB, this grinder is quieter than many other coffee grinders, allowing for use without disturbing others.
- **Removable Stainless Steel Cup:** The stainless steel cup is removable for easy filling, pouring, and is dishwasher safe. It can grind up to 2.5 oz of coffee beans, sufficient for up to 10 cups of coffee.
- **Multi-functional Grinding:** Equipped with upgraded stainless steel blades, this grinder is suitable for grinding coffee beans, spices, herbs, pepper, cinnamon, anise, flaxseed, nuts, and coarse salt.
- **Food-Grade Stainless Steel Material:** The grinding bowl is constructed from BPA-free 304 stainless steel, ensuring safety for grinding food for your family.
- **Reliable Motor:** Features a powerful motor for quick and even grinding at 25000 rpm.

## Package Contents

- SHARDOR Super Silent Coffee Grinder (Motor Base)
- Lid

- Stainless Steel Grinding Bowl (1 included)

## Setup

---

1. Unpack all components and ensure all parts are present and undamaged.
2. Place the motor base on a stable, dry, and flat surface.
3. Insert the stainless steel grinding bowl into the motor base. Rotate it clockwise until it locks securely into place.
4. Ensure the grinding bowl is clean and dry before adding ingredients.

## Operating Instructions

---

### Grinding Coffee Beans

1. Add whole coffee beans to the stainless steel grinding bowl. Do not fill past the MAX line indicated inside the bowl (approximately 2.5 oz).
2. Place the lid securely onto the grinding bowl. Ensure it is properly aligned and locked.
3. Plug the grinder into a power outlet.
4. Press down on the lid to start the grinding process. The grinder will operate as long as the lid is pressed.
5. Monitor the grind consistency through the transparent lid. For a coarse grind, press for a shorter duration (e.g., 5-10 seconds). For a fine grind, press for a longer duration (e.g., 20-30 seconds).
6. Release the lid to stop grinding.
7. Unplug the grinder. Remove the lid, then carefully remove the stainless steel grinding bowl by twisting it counter-clockwise.
8. Pour the freshly ground coffee into your coffee maker or storage container.

# SIMPLE ONE-TOUCH START

Efficient press grinding, with uniform grinding from coarse to fine.

## Grinding Spices and Herbs

The SHARDOR grinder is also suitable for grinding various dry ingredients:

- Follow the same steps as for coffee beans.
- Ensure the grinding bowl is thoroughly cleaned between uses for different ingredients to prevent flavor transfer.
- Examples include pepper, cinnamon sticks, anise, flaxseed, nuts, and coarse salt.

## Maintenance

---

### Cleaning

1. Always unplug the grinder before cleaning.
2. Remove the stainless steel grinding bowl from the motor base.
3. The removable stainless steel bowl is dishwasher safe for convenient cleaning. Alternatively, wash it with warm, soapy water and rinse thoroughly. Ensure it is completely dry before reassembling.
4. Wipe the motor base with a damp cloth. Do not immerse the motor base in water or any other liquid.
5. Use a small brush (not included) to remove any residual grounds from around the blades and inside the motor base.
6. The lid can be washed with warm, soapy water and rinsed.

### Troubleshooting

---

- **Grinder does not start:** Ensure the unit is properly plugged into a working outlet. Check that the grinding bowl is securely locked into the motor base and the lid is correctly placed and pressed down.
- **Inconsistent grind:** Adjust grinding time. Shorter pulses yield coarser grinds, while longer pulses result in finer grinds. Ensure the amount of ingredients does not exceed the MAX fill line.

- **Excessive noise:** While designed to be super silent, unusual or excessive noise may indicate an issue. Ensure no foreign objects are in the grinding bowl and that all parts are assembled correctly.

## Specifications

Feature	Specification
Brand	SHARDOR
Model Number	CG648B
Color	Gray
Material	Stainless Steel
Item Weight	2.1 Pounds
Capacity	2.5 ounces
Wattage	150 watts
Included Components	Lid, Mixers, Stainless Steel Bowl
